ACTIVE SUPERVISION

Required: Children 6 years of age and younger require a guardian within arm's reach at all times at all city pool facilities. Children 12 years and younger require active supervision at all times. Provide close and constant attention to children you are supervising in and near the water. The role of an actively Supervising Adult differs from that of a lifeguard. The Adult's role is to watch and prevent emergencies. A lifeguard is trained to rescue in the event of an emergency.

Lifeguards are an important safety feature, but they are not intended to replace the close supervision of parents or caregivers.

PROHIBITED ON SLIDES AND ATTRACTIONS
