

FULL DAY  
**CRADLE OF  
HUMANKIND**  
TOUR

PERSONAL  
AFRICA

*Allow yourself to be transported back in time and travel out of Johannesburg to the Cradle of Humankind.*

---

## *Optional Highlights*

- Visit the Cradle of Humankind, a UNESCO World Heritage Site
- View the 2.3 million-year-old fossil, "Ples" at the The Cradle of Humankind World Heritage Site
- Experience the 'Natural History' boat ride

Here you will have the rare opportunity to view the 2.3-million-year-old fossil *Australopithecus africanus* (nicknamed “Ples”) that was unearthed in 1947. Continue on the path of discovery and make your way to the birthplace of humanity, the Maropeng Visitor Centre. Learn the secrets of human ancestry at the world-class exhibition, which focuses on the development of humans and Hominins through the ages.

## *Maropeng Visitor Centre*

The Maropeng Visitor Centre is an award-winning, world-class exhibition focusing on the development of humans and our ancestors over the past few million years. Take a journey through time, starting with the formation of the planet and moving all the way through the evolutionary processes that culminated in the world as we know it today. See fossils, learn about how humankind was born, view stone tools that are up to one million years old, and much more. This self-guided, interactive tour allows you to take all the time you need to ponder humanity's fascinating origin story.
