About us

Indian Export Trading is a dynamic Manufacturer, Exporter, and Supplier of high-quality agro products, established in 2025 and headquartered in Pune, Maharashtra, India. The company is committed to delivering fresh, natural, and premium-grade agricultural products to clients across worldwide markets.

Our core product portfolio includes Fresh Red Onion, Fresh Green Banana, and Natural Moringa Powder. Each product is carefully cultivated, harvested, and processed under stringent quality standards to ensure superior freshness, nutritional value, and long shelf life. By adhering to best agricultural and processing practices, we deliver products that meet international food safety and quality benchmarks.

Quality assurance, reliability, and customer satisfaction form the cornerstone of our operations. We follow strict quality control protocols, from farm to export, ensuring that every shipment complies with international standards such as FSSAI, HACCP, and other global certifications. Our experienced team is dedicated to providing customized solutions, timely delivery, and competitive pricing to meet diverse client requirements.

Driven by a vision to promote India's finest agricultural products globally, Indian Export Trading aims to establish long-term partnerships with businesses worldwide. We are committed to providing premium-quality produce that enhances health, supports sustainability, and delivers consistent value to our international clientele.
