A New era begins as Moretonville JFC rebrands to Buckingham FC Youth

Following on from the merger of the two adult football teams in Buckingham last year, **Moretonville Junior Football Club will now be known as Buckingham FC Youth.**

With more than 500 children from 5-18 playing for over 30 teams, [Buckingham](#) FC Youth represents a significant part of football in the area. In seeking to further develop player and coaching opportunities as well as enhance

community links, as it aligns more closely with the adult teams.

Today players from Buckingham Youth FC will be mascots for our first team in the Izuzu [FA Vase](#) 2nd qualifying round game to mark the start of the new partnership and unveil their new kit.

Both clubs will remain separate in their ongoing management, but will forge closer links, through a shared identity that will enable greater visibility and development of young footballing futures in Buckingham.

In recent years, the creation of development pathways between the two clubs has already enabled young local players to make their way into the adult sides, some of whom will be playing in the FA Vase game.

“Closer links, and a shared identity will increase opportunities for players, families and the wider community to support, enjoy and develop football in Buckingham” said Dean Woodham, chair of Buckingham FC Youth.

Moretonville football club was formed in 1969 following a merger of Bourtonville and Maids Moreton football clubs. Thousands of children have played for the club, with many parents and grandparents returning to coach their own children at the same club they played in.

“Whilst there is some sadness at saying goodbye to a historic name, this partnership is part of the proud tradition of grassroots football in the area joining forces for the health, wellbeing and enjoyment of people living in it,” Dean said.

Tony Checkley, chairman of Buckingham Football Club, added: *“The name change shows a clear intent for a working partnership that allows coaches and players alike development into senior football. We want everyone to find opportunity to continue being involved in the sport they love and look forward to welcoming more of the community into the club. We are all really excited to see where this may lead in the future.”* If you would like to help support the new partnership, email chair@moretonville.org.uk

HOW many times do you hear about the next Jamie Vardy? Everyone is on the look-out for the diamond in the rough who could be a lottery ticket to super stardom.

What the Leicester City striker has achieved since leaving Fleetwood Town all those years ago – a Premier League title and appearances at major tournaments with England – is comic book stuff.

It's guaranteed there will be a handful of players playing Non-League football this weekend who will be playing in the Premier League or Championship in the very near future.

The reality is there will be many more dreams that aren't realised. But that doesn't mean it ends there. And there are some pretty inspiring stories when it comes to the world of coaching.

You may have seen recently that Andy Mangan, promoted into the Football League with Accrington Stanley, Fleetwood Town and Tranmere Rovers, was on the verge of joining the coaching staff at Real Madrid! Anyone who has ever met Mangan will be able to tell you what a lively, bubbly character he is and how much he loves football.

Mangan, the story goes, impressed Madrid boss Carlo Ancelotti's son Davide on their Pro Licence course and they wanted to take the current Stockport County coach to the Bernabeu.

Frustratingly for Mangan, the move has fallen through because of a work permit. But his time will surely come.

NLP columnist – and former professional footballer – Gregor Robertson, wrote about Mangan's rise in last week's paper.

Gregor highlighted how football has finally caught up to the idea that the best coaches aren't always the people who have been at the top in their playing days. It does, however, show, the levels former players can potentially reach.

Gregor talks about Anthony Barry – who played for Wrexham, Fleetwood Town and Forest Green in Non-League – and all he has achieved since hanging up his playing boots.

“To master the art of facing audiences, he had taken it upon himself to

CLUB HISTORY

Buckingham Football Club is a football club based in Buckingham, Buckinghamshire, England. Formed by a merger of Buckingham Athletic and Buckingham United in 2023, they are currently members of the Spartan South Midlands League Division One and play at Stratford Fields.

The club was first formed in 1933 as **Buckingham Juniors**, but it was three years before a ground was found, allowing the club to enter the Brackley and District League. When they got their ground, it was originally called Timm's Meadow, before later becoming Stratford Fields. In 1939 the club adopted **Buckingham Athletic FC** as its name. It then took the club 27 years to win its first trophy when in 1960–61 they won their first trophy, the North Bucks League Shield.

In 1965 they applied and was accepted to the Hellenic League where they played in Division 1 finishing a creditable mid-table position in their first season but also won the Berks & Bucks FA Junior Cup. Their success continued and in 68/69 was promoted to the Premier Division after finishing Division runners-up.

The late 60's brought about some good success for the whole club with the Youth, Reserve and First teams all picking up trophies with the First winning the Buckinghamshire Senior Cup for the first time.

After a steady decline in fortunes in 78/79 the club returned to the North Bucks League and it wasn't until the mid-80's that further success was achieved.

This was the start of a successful period for the club and after winning the North Bucks Premier League title they moved to the South Midlands Division 1 in 1985 winning the league at their first attempt, losing only 3 games throughout the season.

However, success came too quickly, and the ground facilities were not ready for promotion to the Premier Division so they had to remain in Division 1.

The following season they were once again knocking on the door of the Premier League as they finished runners-up but a last minute hold up on planning permission once again stalled promotion. However, promotion was achieved the following year when they did the league and cup double and with correct ground grading in place the club was promoted to the Premier League for the first time.

Throughout the 90's all the teams in the club consistently won trophies

Club History continued

although the highest the first team achieved in the Premier League was in 97 when they finished 5th.

The late 90's the club struggled financially, and they made a very difficult decision to drop out of the top flight and they were placed back in Division 2. A level of stability was brought about the club and in 2003 they were promoted back to Division 1.

Once again ground grading held the club back as in 2004 they finished runners-up in Division 1 and promotion back to the Premier league was denied.

Since 05/06 a huge amount of work has taken place to upgrade the clubhouse and football facilities but unfortunately success on the field has been sparse.

In 2023 Buckingham Athletic started talks with Buckingham United to bring the two clubs together with the sole purpose of having one senior football team in the town.

Buckingham United FC were formed in 2011 with the sole aim of providing local grassroots football. This began as a single Sunday side playing in Deanshanger due to a lack of local facilities. After the first season the club moved to Tingewick but it was not until 2016 when the club finally moved into Buckingham to the new Lace Hill Sports and Community Centre. The club joined the North Bucks and District League before joining the South Midlands League Division Two in 2019. Here the club grew quickly providing grassroots football across various levels and abilities which peaked with eight teams by 2021, this included Saturday First and Reserves, Sunday League A & B sides, Veterans, Ladies along with an Under 21s and Under 18s.

The club reached many cup finals across the teams including winning the North Bucks and District League Division One shield in 2018. In the final season under Buckingham United the ladies side really gave the club a wonderful finally winning the Northants Premier Division Title and League Cup double.

As a result of many meetings between the clubs, both Buckingham Athletic & Buckingham United formally agreed to pass the motion to combine both clubs, creating Buckingham Football Club, which now has one of the largest offerings of adult football in the region with a structured youth pathway with our strategic partners Moretonville Junior FC.

This is not an end to Buckingham Athletic or Buckingham United, this is very much a continuation in the story of these clubs and football within the town. The history of which won't be forgotten.

The ultimate aim of combining the clubs is to provide the town with a sustainable non-league football club by sharing resources, passionate volunteers, and great sporting facilities. A club with the aim of pushing up the pyramid while also providing structured football for the community, maintaining the fun and enjoyment of the game that everyone loves.

give talks and coach in a Liverpool prison, in schools. He even hired a presentation coach and joined a speakers' club," Gregor writes.

"A few years later, he was Paul Cook's assistant coach at Wigan Athletic, and the youngest member on the Pro Licence course with the FA. With the likes of Frank Lampard and Michael Carrick in his cohort, he knew he had to do something different to stand out. The dissertation he produced — The Undervalued Set Piece, for which he studied 16,380 throw-ins — did just that, earning him the class's top mark when he graduated.

"When Lampard was handed the Chelsea job, he gave Barry the chance of a lifetime too. And so began a remarkable journey, from Champions League glory to the Bundesliga and Bayern Munich with Thomas Tuchel, and a World Cup and Euros with Belgium and Portugal respectively alongside Roberto Martinez." It's incredible to see how much Barry is achieving at the elite levels of the game and all credit to him.

So the question isn't just who is the next Jamie Vardy, but who is the next Anthony Barry?
