Winter 2025-2026
Athletics Program

Beyond The Call.®

The Arrow Exterminators Family of Brands

Message from the Principal

As we transition from the autumn months into the winter season, I want to take a moment to express my gratitude for the vibrant spirit that permeates our campus. As we continue through the 2025–2026 school year, it is a joy to witness how our athletic program continues to play a vital role in shaping the daily life and culture of our school.

At Blessed Trinity Catholic High School, we believe that athletics are an extension of our mission to form young men and women who are grounded in faith, strong in character and ready to lead with purpose. Our teams are not only striving for excellence in competition; they are also learning to lead with humility, work as one body and reflect the values of the Gospel in all they do.

We enter this new season carrying the momentum inspired by the hard work and commitment displayed by our student-athletes and coaches during the fall. Their dedication has continued the tone of excellence that I know our winter teams are eager to uphold. As we move into this next phase of the athletic calendar, our focus remains steadfast: to provide every student with opportunities to grow intellectually, spiritually and physically.

The strong tradition of support from our parent and alumni communities is a vital part of what makes our athletic program, and our school, so special. Whether in the gymnasium or at any of our winter venues, your energy, your encouragement and your willingness to give back are felt by every student who wears green and gold.

I encourage you to stay involved and continue to help us build a faith-filled community rooted in excellence. Whether you're a parent of a current student or an alum reflecting on your own time here, you are an essential part of the Blessed Trinity family.

Thank you for your continued trust in our mission. Please know of my prayers for you and your families, and I look forward to seeing you on campus and on the sidelines in the months to come.

In Christ

Message from the Athletic Director

As we move into the winter season of the 2025–2026 school year, I want to share my excitement for what promises to be an inspiring next chapter for Blessed Trinity Catholic High School Athletics.

At Blessed Trinity, our athletic program is about far more than wins and losses. It is about forming young men and women of faith, character and purpose. As Athletic Director, I am proud to say that our coaches and student-athletes are fully committed to upholding these values in all that they do, both in competition and in the classroom.

This season we are focused on building on the momentum established by our fall teams and the strong foundation laid by generations of Titans. We are continuing to refine our training and sustain the success of Blessed Trinity Athletics. We remain committed to enhancing our athletic support resources to ensure our student-athletes have every opportunity to grow in their gifts. These efforts are made possible in large part thanks to the generosity and engagement of families and alumni like you.

As always, I invite you to be part of this journey. Whether it is cheering from the stands, volunteering your time or supporting the program through prayer and contributions, your presence makes a lasting impact. For our alumni, this is also a great time to reconnect. I encourage you to come back to campus, attend a game or mentor a current athlete. You are an important part of our legacy and our future.

Thank you for your continued support of Catholic education and athletics at Blessed Trinity. I look forward to seeing many of you throughout the winter season. May God bless you and your families in the months ahead. Go Titans!

In Christ,
