

A romantic wedding photograph of a couple holding hands in a field at sunset. The groom is on the left, seen from the back, wearing a dark suit. The bride is on the right, wearing a white lace wedding dress with a low back and a pearl necklace, looking back over her shoulder at the camera. The background is a soft-focus field with trees and a fence, bathed in the warm, golden light of the setting sun.

ABOUT *Us*

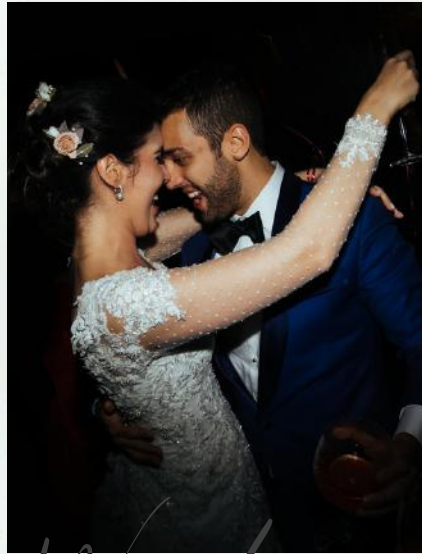

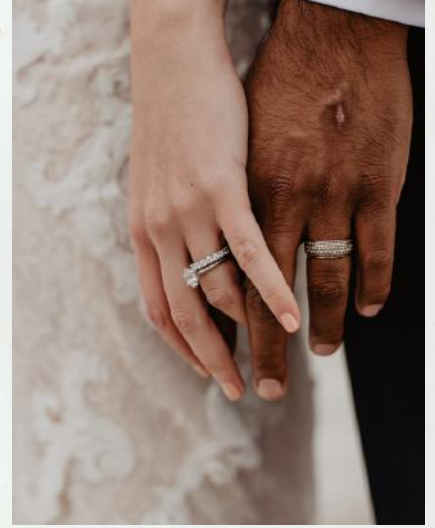

The Kelley Farmhouse was a wedding gift in 1907. Today, it continues to be a romantic, intimate place for modern weddings and events.

As a historical landmark, the Corliss family has taken great pride in impeccably preserving and restoring the farm, highlighting its natural beauties.

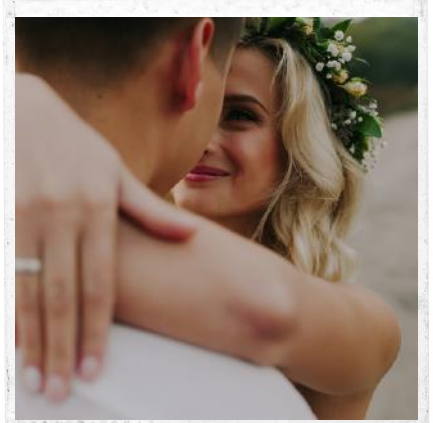

For years, historic Kelley Farm has been a leading country-style venue for couples and individuals seeking an intimate and modern venue. Appreciating its rich history and tradition, we've carefully restored our barn to preserve its rustic charm while pairing it with modern architectural twists that redefine and elevate what it means to host a quaint barn event.

Located in Bonney Lake, Washington, our venue is easily accessible from Seattle and Tacoma.
