## A WORD FROM THE

# President

### Tending to Hungry and Holy Hearts

This is more than a mission—it's a sacred calling that fuels everything we do. From our annual Camp Meeting to our treasured partnerships with World Gospel Mission, Equip, Asbury Univ., Kentucky Mountain Bible College, Ohio Christian Univ., and the Potter's House, we are unashamed in proclaiming the message of heart holiness and Spirit-filled living.

For 86 years, Taylor County Camp has stood as a testimony to God's enduring faithfulness. Since that first gathering in 1939, His grace has marked our journey, leading us through every season and shaping a legacy we joyfully celebrate today.

If you are hungry for more of God—more of His presence, His power, His purpose—TCC is a place where that hunger is met with the fullness of Christ. Here, hearts are not only filled—they are ignited. (*Matthew 5:6*)

If your spirit feels weary, come and be refreshed. In this sacred space, weary souls find strength, broken hearts find hope, and surrendered lives find deep rest in the presence of the Lord. (*Jeremiah 31:25*)

This summer, step away from the noise of the world and step into the rhythm of God's grace. Dive into His Word. Rejoice in authentic fellowship. Join a multigenerational family that worships, learns, and grows together. There's something here for every age—and a place just for you.

Make this the summer you'll never forget. We can't wait to welcome you home.

For His Glory,

*Wayne B. Bosworth*
