Acknowledgement of Country

New South Wales Combined High Schools Sports Association would like to begin by acknowledging the Traditional Custodians of the land on which we gather for this championship. We pay respects to their Elders past and present and extend that respect to Aboriginal and Torres Strait Islander peoples here today. We strive to ensure every Aboriginal and Torres Strait Islander learner in NSW achieves their potential through education. We meet for this championship on the traditional lands of the Wann clan, known as the Wann-gal. The lands of the Wann-gal stretched along the southern shore of the Parramatta River between Cockle Bay (Cadigal land) and Rose Hill (Burrattagal land).

Welcome to the 2025 New South Wales Combined High Schools Swimming Championships.

It was such a great experience for me growing up and participating in swimming championships offered in the public school system. School sport offered so many opportunities for myself and gave me so much motivation to perform both in and out of school.

Throughout my primary schooling I did well and reached the state championships winning medals. In high school my competitive swimming outside of school competition suffered and I was thinking whether or not to continue.

When I was 16, I was able to win a medal in the 800metres at the NSWCHSSA championships and that was a massive boost for me. It was the start of a new chapter in my swimming career. It pushed me to new levels. In year 11 and year 12 I was able to make it through to NSW all schools and then to the national school swimming championships where I was able to win medals.

The year after leaving school I was selected in my first Australian open swimming team at the 1999 Pan Pacific Championships. From there I competed at three World Championships, two Commonwealth Games and two Olympics. I was able to win medals at all major meets.

If not for the confidence I gained through participating in school sport championships, and the friends I made in swimming through the public education programs, I am sure I would not have achieved what I have.

I wish you all the best in your future endeavours and hope you compete in the right spirit, doing so fairly and in a way where you always do your best. Whether you win or just do a 'personal best' do so with good sportsmanship.

Good luck in your future sporting endeavours!

Welcome message from the NSWCHSSA President

Sport has long been a cornerstone of public education in New South Wales. Through the NSW Combined High Schools Sports Association, generations of students have been given opportunities to participate, compete and excel while developing the values and skills that shape confident, capable young people. As President of the NSW Combined High Schools Sports Association in 2026, I am proud to acknowledge this legacy and the vital role NSW Combined High Schools continues to play in our schools and communities.

The benefits of school sport extend well beyond physical performance. Participation supports students' social, emotional and personal development, fostering resilience, teamwork, discipline and respect. Through training and competition, students learn to set goals, manage challenge, respond constructively to feedback and strive for continuous improvement. These experiences complement classroom learning and contribute positively to student wellbeing, engagement and lifelong success.

NSW Combined High Schools provides structured pathways for participation and performance across a wide range of sports and competition levels. In doing so, it aligns strongly with the NSW Department of Education's High Potential and Gifted Education (HPGE) policy, particularly in the domain of physical development. For students with high potential or giftedness in sport, NSW Combined High Schools competitions offer authentic environments in which talent can be identified, challenged and extended. These opportunities allow students to refine skills, experience high-level competition and develop the habits required for sustained excellence.

Importantly, NSW Combined High Schools also reflects the HPGE principle of equity. Students from diverse backgrounds and communities are provided with access to high-quality sporting experiences through the public education system. This ensures that potential is recognised and supported regardless of geography or circumstance, reinforcing our commitment to inclusive opportunity and excellence.

The success of NSW Combined High Schools is built on the dedication of staff across public high schools. Teachers who coach, manage, officiate and organise competitions do so with professionalism, care and a strong commitment to student development. Often working beyond their formal duties, these staff members provide expertise, mentorship and encouragement that are central to the positive experiences students gain through sport. I extend my sincere thanks to them for their generosity of time and service.

I also acknowledge the support of school principals, whose leadership enables student participation and staff involvement. By valuing sport as an integral part of education, principals foster school cultures that recognise the importance of balanced development and wellbeing. Their support is essential to sustaining high-quality sporting opportunities across the state.

The contribution of coaches, managers, referees, umpires, conveners and officials is equally vital. Many serve in these roles on a voluntary basis, motivated by a commitment to young people and a passion for sport. Their efforts ensure competitions are conducted safely, fairly and to a high standard, and their impact on student experience is significant.

I thank the Executive Officers and Association committees for their leadership and ongoing work in coordinating NSW Combined High Schools. Their planning, adaptability and commitment ensure competitions continue to operate effectively across a large and diverse system, supporting schools, staff and students alike.

To the student-athletes representing their schools and communities through NSW Combined High Schools, your achievement is significant. Reaching this level reflects talent, perseverance and sustained effort. Balancing training, competition and academic responsibilities requires dedication, and each of you should take pride in what you have achieved. Representing your association is both an honour and a responsibility, and the way you conduct yourself on and off the field reflects the values of public education and school sport.

Regardless of results, the character you display through effort, respect and sportsmanship defines success. NSW Combined High Schools offers opportunities not only to compete, but to develop leadership, teamwork and resilience – qualities that will serve you well beyond school.

Behind every athlete is a network of support, and I wish to acknowledge the vital role played by parents and carers. Their encouragement, commitment and willingness to support training, travel and competition make student participation possible. From early mornings to long days on the sidelines, their contribution is invaluable. I thank parents and carers for their partnership with schools and their support of students and staff.

As we look ahead, the NSW Combined High Schools Sports Association remains committed to providing equitable, high-quality sporting opportunities that enhance student learning, wellbeing and development. We will continue to work collaboratively with schools, the NSW Department of Education and our communities to ensure NSW Combined High Schools remains inclusive, well-governed and aligned with educational priorities, including the identification and support of high potential and gifted students.

In closing, I congratulate all students who have earned the opportunity to compete at the NSW Combined High Schools level. Your participation is a notable milestone in your school journey. I encourage you to reflect on your achievements, acknowledge those who have supported you and approach each competition with pride and respect.

To the staff, volunteers, parents and carers who make NSW Combined High Schools possible – thank you. Your dedication ensures that students across New South Wales continue to benefit from the powerful role sport plays in education. I wish all competitors every success and trust that your involvement in NSW Combined High Schools Sports Association will be a positive and memorable experience.

Welcome message from the NSWCHSSA Swimming Convener

Welcome to the NSW Combined High Schools Swimming Championships. I extend a warm welcome to all athletes, families, teachers and event officials, especially those who have travelled long distances to be here. Your commitment and support are what make this event so special each year.

We acknowledge that we are gathering on the traditional lands of the Wann clan, known as the Wann-gal. The lands of the Wann-gal stretched along the southern shore of the Parramatta River between Cockle Bay (Cadi-gal land) and Rose Hill (Burrumatta-gal land). We pay our respects to Elders past and present and recognise the ongoing connection to land, water and community.

The NSW CHS Swimming Championships have a proud history spanning many decades, forming a key part of the public school sporting pathway in New South Wales. Over time, this carnival has provided opportunities for thousands of students to compete at the highest level of school sport, with many progressing to state, national and international success. Outstanding athletes such as Sienna Toohey and Ricky Betar are recent examples of swimmers who have emerged from the CHS pathway to represent Australia on the world stage, highlighting the strength and importance of this program.

This year marks my first as the NSWCHSSA Swimming Convener alongside our new Assistant Convener, Richella McMorrough-Enright from Rose Bay Secondary College. We are both excited, enthusiastic and proud to be part of the NSWCHSSA team, and we look forward to contributing to the continued success of this championship.

I personally understand the value of school sport, having come through the pathway myself. As a primary school student, I was a Sydney West representative in swimming, and those experiences created lasting friendships, unforgettable memories and opportunities that have stayed with me throughout my life. At my final school carnival in Year 12, I remember saying that one day I wanted to be the person who ran a state swimming carnival. Eighteen years later, I am incredibly grateful to have been given this opportunity.

I would like to sincerely thank all officials, volunteers and staff who have worked tirelessly to organise this event. Your dedication ensures that this championship runs smoothly and provides the best possible experience for our students.

To all competitors, I wish you the very best of luck. Swim well, support one another, and make the most of this incredible opportunity.

At SOPAC associations on the top line will occupy the western side, associations on the bottom line will occupy the eastern side.

Warm-up procedures

Pool warm-up lanes

Swimmers will be permitted to warm-up in the competition pool from when gates open each day. The following procedures must be observed and the cooperation of all swimmers, coaches and parents is sought in this matter. The warm-up pool (diving pool) will be available throughout the day for use by swimmers.

However, there is to be **no diving** into the water or use of the boards.

Swimming championship – lane draw

The heat and lane draw will be based on the following:

- **Individual events:** Three (3) competitors per association.
- **Relay events:** Three (3) school teams per association. Heats and lane allocations for all events will be organised based on the number of competitors/teams entering each event. Heats will be circle seeded.

Multi-class events

Swimming is the only sport that combines the conditions of limb loss, cerebral palsy (coordination and movement restrictions), spinal cord injury (weakness or paralysis involving any combination of the limbs) and other Physical and Intellectual disabilities into a Multi Class competition format.

Within each disability classification, classes are allocated depending on the severity of the disability (the lower the number the more severe the disability).

- Classes 1-10 - are allocated to swimmers with a Physical classification.
- Classes 11-13 - are allocated to swimmers with a Visual classification.
- Class 14 - is allocated to swimmers with an Intellectual classification.
- Class 15 - is allocated to swimmers with a Hearing Impairment.
- Class 16 - is allocated to swimmers with an Organ or Bone Transplant.
- Class 19 - is allocated to swimmers with autism.

Each class is also allocated a prefix that denotes which stroke the individual is swimming.

- S denotes - Freestyle, Backstroke and Butterfly.
- SB denotes - Breaststroke.
- SM denotes - Individual Medley.

Competitors compete in a multi class format where each swimmer competes against a recognised Australian Standard Time for his or her classification. For this reason, the swimmer who finishes first in the race may not be the actual winner, as individual times are compared and calculated against their relative Australian Standard Time.

(b) Appointed championship officials will report for duty/briefing half an hour prior to the start time of the first event.

4.21.4 Championship rules

(a) This championship will be conducted under the rules of FINA, with exceptions noted in these by laws.

(b) Relays

(i) School relay teams (4 x 50 metres)

Shall consist of six (6) competitors whose names shall be listed and submitted electronically with the association team. Any four of the six nominated may compete in either heats or final.

(ii) School relay teams all age (6 x 50 metres)

Shall consist of six competitors, one swimmer from each of the six age section and can swim in any order. Six competitors one from each age section shall be listed, plus up to six reserves one from each age section may be listed and submitted with the association team. Only one competitor of the two nominated in each age section may compete in either heats or finals.

(iii) Relay registration forms

School relay teams must produce a completed form to the association team managers for submission via the "Meet Manager" program.

(iv) All relay competitors must be the correct age.

Penalty – disqualification.

(v) In relay events, schools are permitted to enter up to a maximum of two (2) teams per event provided they have qualified in accordance with the NSWCHSSA rules of entry. In the situation where a school has two (2) teams which qualify for a particular event, each team must remain independent of each other without any transfer of personnel for the duration of the meet.

(vi) All relay orders must be finalised prior to the start of the session. Relay order may not be changed after the session start.

(c) Out of bounds

Any area deemed as out of bounds will be described in the championship program. Offenders, competitors or otherwise, will be asked to leave the pool. All spectators must remain in the grandstand.

(d) Limitation of events

A competitor may enter any number of individual events. This includes being able to compete in both individual medleys – the 200 metre and 400 metres.

Different events:

- (i) One medley relay
- (ii) One freestyle age relay and
- (iii) One freestyle all age relay
- (iv) One state-wide relay.

(e) Marshalling

There will be limited marshalling calls. Competitors must report to the marshalling area as soon as their events are called. If competitors have not reported they will risk elimination from their event. Substitutes must report to marshalling.

(f) Method of starting

(i) The check starter shall place competitors in their respective starting positions for the events. Students may start on the block, beside the block or in the water to help prevent incidents and accidents caused by diving. The referee will give out a long drawn out crescendo of the whistle to alert the officials and spectators and also to call the competitors to their positions in preparation to begin the race. Students starting in the water must have 2 feet on the wall and 1 hand on the backstroke bar. In the case of backstroke events competitors must start in the water. On receiving the command “take your marks”, all competitors must remain stationary until the signal to start is given.

(ii) In the case of relays. For a swimmer starting in the water, The swimmers feet must be on the wall when the incoming swimmers hand touches the wall. The swimmer starting in the water must start on the left of the lane. If swimmer 2 starts in the water, swimmer 1 will not be able to gain an official time.

(g) False starts

"One start" rule will apply, Swimmers who false start may be disqualified.

(h) Coaching

Once competitors are in the marshalling area, they are not to receive any coaching or advice. Penalty – disqualification.

(i) Timekeepers

"Automatic Officiating Equipment" shall be used to determine times and places. Where possible, three (3) manual buttons per lane shall be used for timekeepers to record the times in each lane.

(j) Judging

Competitors must remain in their lanes at the completion of an event until “whistled out” by the referee.

(k) In distance events

Competitors who, in the opinion of the state convener / championship manager or their appointees, are not likely to be placed, must withdraw from the water when instructed to do so.

(l) Protests

All protests shall be lodged by the association team manager in writing to the referee within twenty minutes of the conclusion of event. Protests shall be dealt with by the swimming committee. The referee is the sole arbitrator in points of law.

(m) Age section

The meet shall be conducted in six (6) age groups per sex for able-bodied athletes: 17-19 years, 16 years, 15 years, 14 years, 13 years and 12 years. The championship will be conducted in two (2) age groups per sex for Multi-Class athletes: 16-19 years, 12-15 years.

A competitor must swim in their age group determined by their age as at 31 December in the year of competition. (Refer NSWCHSSA Handbook "student eligibility" -). When an event is not offered in each age group, competitors must compete at the nearest age above. "Open" events are open to competitors from any of the age groups.

(n) Point score

First 12, second 10, third 8, fourth 6, fifth 5, sixth 4, seventh 3, eighth 2, ninth 1, tenth 1.

In all cases, these points are doubled for relays.

(o) Champions

(i) School

The school gaining the greatest aggregate of points in all age groups shall be declared the champion school.

(ii) Association

The association gaining the greatest total in all age groups shall be declared the champion association.

(iii) Age championship points

The swimmer gaining the greatest total number of points in their age/sex group shall be declared the age champion. Provision exists to include points gained in events not offered in each age group (ie. 800m Freestyle, 400m Freestyle, Individual Medley).

(p) Perpetual trophies

All trophies must be returned to the NSWCHSSA office by the end of February each year.

(q) Costume

Competitors must compete in an approved costume as per FINA / Swimming Australia regulations.

(r) Representation of associations

Entries:

(i) Individual events

Three (3) per association with the exception of 400m individual medley and 800m freestyle. A maximum of two (2) swimmers per association can be nominated, with the exception of a swimmer whose nominated time would have placed them fifth or above at the previous year's championship. Swimmers must have met the qualifying time as set by the meet director. There will be a maximum of two (2) heats at the state championship.

(ii) Relay events

Three (3) per association. (Note: all relays are school based only).

(iii) Association may enter a 4th swimmer in an event, provided that the nominated swimmer equals or betters the time of the 5th place getter at the previous year's championship. This time must be achieved at the appropriate association swimming championship.

(iv) Where an association has chosen a swimmer(s) in their team to compete at the NSWCHSSA Swimming Championship, and that swimmer has indicated an alternate pathway for NSW All Schools selection, the association may make a request to the Swimming Convener to add additional swimmer(s) to their team to compete in the events that the alternate pathway swimmer(s) is competing.

The number of additional swimmer(s) per event, would be based on the number of swimmer(s) in that event who will be taking the alternate pathway.

(v) All entries to be confirmed with the convener by 6:00pm the day prior to the championship. No additional entries will be accepted after this date without prior approval from the convener.

(s) Competitor withdrawal

(i) A competitor withdrawing from an individual final must do so in writing, through an association team manager, to the state convener / championship manager within fifteen minutes of the posting of event results.

(ii) Any competitor who withdraws after this time may be scratched from all other individual finals.

(t) Swimming caps

(i) Individual events

If a swimming cap is worn it must be an association swimming cap.

(ii) Relay events

Where swimming caps are worn all team members must wear either the association swimming cap or the school swimming cap. All team members wearing swimming caps must wear the identical cap.

(u) Swimming committee

Shall consist of the following:

(i) State convener.

(ii) The championship referee.

(iii) A NSWCHSSA executive committee member.

(iv) An association sports coordination officer.

(v) A association team manager.

Members (iv) and (v) must be from different associations. The state convener shall be the chairperson.

Any protests, appeals and judicial problems will be dealt with by the swimming committee, where necessary.

NSW Public Schools Sporting Legends – Swimming

NSW schools have produced some of the world's greatest ever swimmers.

In this year's PSSA and CHS State Swimming Championship programs we are highlighting three of the best ever, true legends of Australian Sport. Like you, they participated in local school sporting events, progressing to State Championships and then, from these humble beginnings, went on to become household names.

DAWN FRASER – AC, MBE.

Birchgrove Public and Leichhardt High Schools

Dawn was born in 1937 and attended Birchgrove Public and Leichhardt High School. Harry Gallagher invited Dawn to join the “Golden Dolphins” who trained at the Elkington Park Pool (now called the Dawn Fraser Baths) when she was 14 years old.

Dawn Fraser won eight Olympic medals (4 Gold) and six Commonwealth Gold medals. She held the World 100m Freestyle record for 15 years....an amazing statistic.

Dawn was the first of only three swimmers in Olympic history to have won gold medals for the same event in three successive Olympics (1956, 1960, 1964). In 1962 she did what had previously been considered impossible...becoming the first woman to swim 100m in less

than 60 seconds (58.9 seconds). Dawn was named ‘Australian of the Year’ in 1964. In 1999, she was named The World's Greatest Living Female Water Sports Champion. Dawn Fraser is one of our greatest ever Australians.

SHANE GOULD – AM, MBE.

Miranda Public, Epping North Public and Turramurra High Schools

At 15 years of age, at the 1972 Munich Olympics while still attending Turramurra High School, Shane won three gold medals, setting a world record in each race. She also won a silver and bronze medal. Gail Neall also from Turramurra High won a gold medal at these Olympics in the 200m Butterfly. A remarkable achievement for Turramurra High.

Shane Gould is the first person, male or female to hold every freestyle world record from 100m to

1500m, as well as the 200m Individual Medley at the same time - an extraordinary achievement. Shane retired from competitive swimming at a young age, and in 2018, at 62 years of age became the oldest person ever to win the television show SURVIVOR. Shane still competes successfully in Masters swimming events and is regarded worldwide as one of Australia's finest ever swimmers.

IAN THORPE — AM.

Milperra Public and East Hills Boys High Schools

At the age of 14, Ian Thorpe became the youngest male ever to represent Australia. His victory in the 400m freestyle in the 1998 World Championships made him the youngest ever individual male World Champion.

After smashing the 400m World Record in 1999 along with a number of other outstanding performances over the next three years, Thorpe was named 'World Swimmer of the Year' on three separate occasions. In quick succession Thorpe broke the 200m and 400m Freestyle records time after time, as well as being part of world record breaking relay teams.

In the 2000 Sydney Olympics, Ian won Gold in the 400m Freestyle, 4 x 100m freestyle, 4 x 200m freestyle, as well as Silver in the 200m freestyle and 4 x 100 medley. Ian has won a total of 37 Gold medals across Olympic Games, Commonwealth Games, World Championships and Pan Pacifics.

A former *Young Australian of the Year*, Ian supports a range of charities and is acknowledged as one of the greatest male swimmers of all time.

School sport for parents

Welcome and thank you for attending these championships and supporting your child. Parents, caregivers, coaches, teachers and volunteers play a significant role in the motivation and development of young people.

Due to the regularity of contact and the influence parents and caregivers have as role models for young people, they particularly have an opportunity to shape the behaviours, enthusiasm and respect young people demonstrate in their sporting endeavours.

Please find below some suggestions that might enhance the enjoyment of all those involved in the school sporting pathway.

1. Enjoy the journey.

Sport is a journey that provides physical, social and emotional benefits for children. Enjoyment and having fun with friends is their greatest reward. You also share in this enjoyment.

2. It's better if the first question you ask your child is "did you enjoy it?" rather than "did you win?"

Not every child is going to become a champion but every child has the opportunity to continue enjoying sport through coaching, managing or supporting.

3. Model good behaviours and never accept poor sportsmanship from your child or their coach.

Children learn more by seeing than hearing, particularly from people they care about. No matter what the circumstances, be someone they can admire and respect. Parents aren't judged on their child's accomplishments, however parents are often held responsible for their child's behaviour.

4. Your child's results should not affect your mood.

Never get upset after an event where results don't go the way of your child.

5. Give your child space to grow and mature.

All children are different. Accept your child for who they are. Fault finding makes the child question their self-worth. Letting a child know how much you care about them makes them proud and builds resilience.

6. Focus on the processes rather than the outcomes.

Parents should understand that the best athletes focus on the process, because the result is often out of their control.

7. Avoid going over the top about your child's talent.

Every sport has talented athletes, but for various reasons they do not always reach the pinnacle.

8. Encourage good attitudes.

Good attitudes carry over into all aspects of life.

9. Support the coach, especially in public and in front of your child.

If there is a disagreement, settle it privately. Negatively discussing other parents or coaches in front of your child can be detrimental. No matter how private conversations are, they can become public very easily.

10. Build good relationships with other parents.

Parents of your children's friends will often become your friends.

11. You should not compare your child's journey to another child's journey.

Children mature at different rates. All children are different. Try to understand your child's views of the world around them.

12. If your child makes mistakes, let them experience the consequences of their actions.

This is how they learn and grow and become independent, resourceful and confident. Set-backs and failures are opportunities for improvement. Explain to your child that continued effort, practice and learning are the keys to success.

13. Recognise your child's results don't define you.

Your child's success or disappointment does not change other parents' views of you.

14. Develop your child's strengths.

Help your child to identify their strengths and develop them. These children experience success, become inspired, confident and resilient
