

UK Vaping Tax

Everything you need to know

What is it?

A new UK tax on all vaping liquids from **1st October 2026**

How much?

- **£0.22** per ml
- 2ml pod – **£0.44**
- 10ml bottle – **£2.20**

These prices are on top of your current cost price, your new full price incl tax will be provided shortly

What does it mean for you?

- Higher product costs and prices
- Stock transition planning required
- Only compliant products can be sold

Key Compliance Rules

- **Duty stamps are required from 1st October 2026**
Products produced or imported before 1st October, do not need a tax stamp and can be sold until April 2027
- Unstamped products are illegal from **1st April 2027**
- VAT still applies

How Supreme PLC supports you

- Pre-tax product ordering with secure holding until sold or destroyed by **April 2027**
- Dedicated account management support
- Fully compliant, duty-stamped products
 - Advance pricing and product updates
 - Guidance on stock transition

New Product Launch

Introducing our new 5ml E-Liquid Range
New prices and commercials to follow soon

After 31 March 2027, any unstamped stock in the market place can not legally be held, bought or sold by businesses. It is therefore vital that that unstamped (untaxed) stock is sold to consumers before then.
