FROM THE DESK OF  
**PASTOR DENNIS L. MARTIN, SR**

As we have officially crossed over into 2024, it is a blessing to celebrate a new year with great possibilities, because we know that all things are possible with God. Many challenging things happened during 2023. We dealt with loss of loved ones and friends. We dealt with the everyday cares of life, but despite all of that, here we are in 2024! I am praying that God will bless every one of you this year in a tremendous way!

My late sister Duranice Pace wrote a song entitled: ***"Don't Go Through No Changes About Your Situation Because God is Going To Change It!"*** And I'm saying that to you in this new year, don't go through no changes. I promise you, God is going to do just what HE said. Please do something for me, hold on because a change is going to come.

*Don't worry;*

*Don't fret because God is a keeper of HIS word.*

Let us make this year one of the most incredible times of our lives, with a dedication to God, and the things of God, in our obedience to HIM; in doing so, God declares that we will eat the good of the land.

**Happy New Year**, from me, my family: Lady Martin, LeLe Patrice, DL, Mae, Madison, D3, Rylee, king and from RRC. We pray that all of God's choice blessings will be yours this year.

# Family & Friends Day 2023

One of the highlights and special days at RRC is “Family and Friend’s Day”. It's always exciting to me to have family and friends to be in attendance as we worship God together. It was a memorable day, and so many people came to fellowship and worship with us. What a time we had afterwards, Lady Martin prepared the dinner for everyone and it was incredible! The service was uplifting, and it was a joy to celebrate with family and friends.

We had members who traveled from out of town to be a part of our “Family and Friend’s Day”, Sister Denise Fykes, drove all the way from the Carolinas. Sister Crystal Mays, flew in from Ohio. And as always, we were glad to welcome the recurring visitors and the first time visitors! I want to encourage you in this New Year to connect with your family and friends and remember, Let's love each other while we have each other.

**Father's**  
**Day**

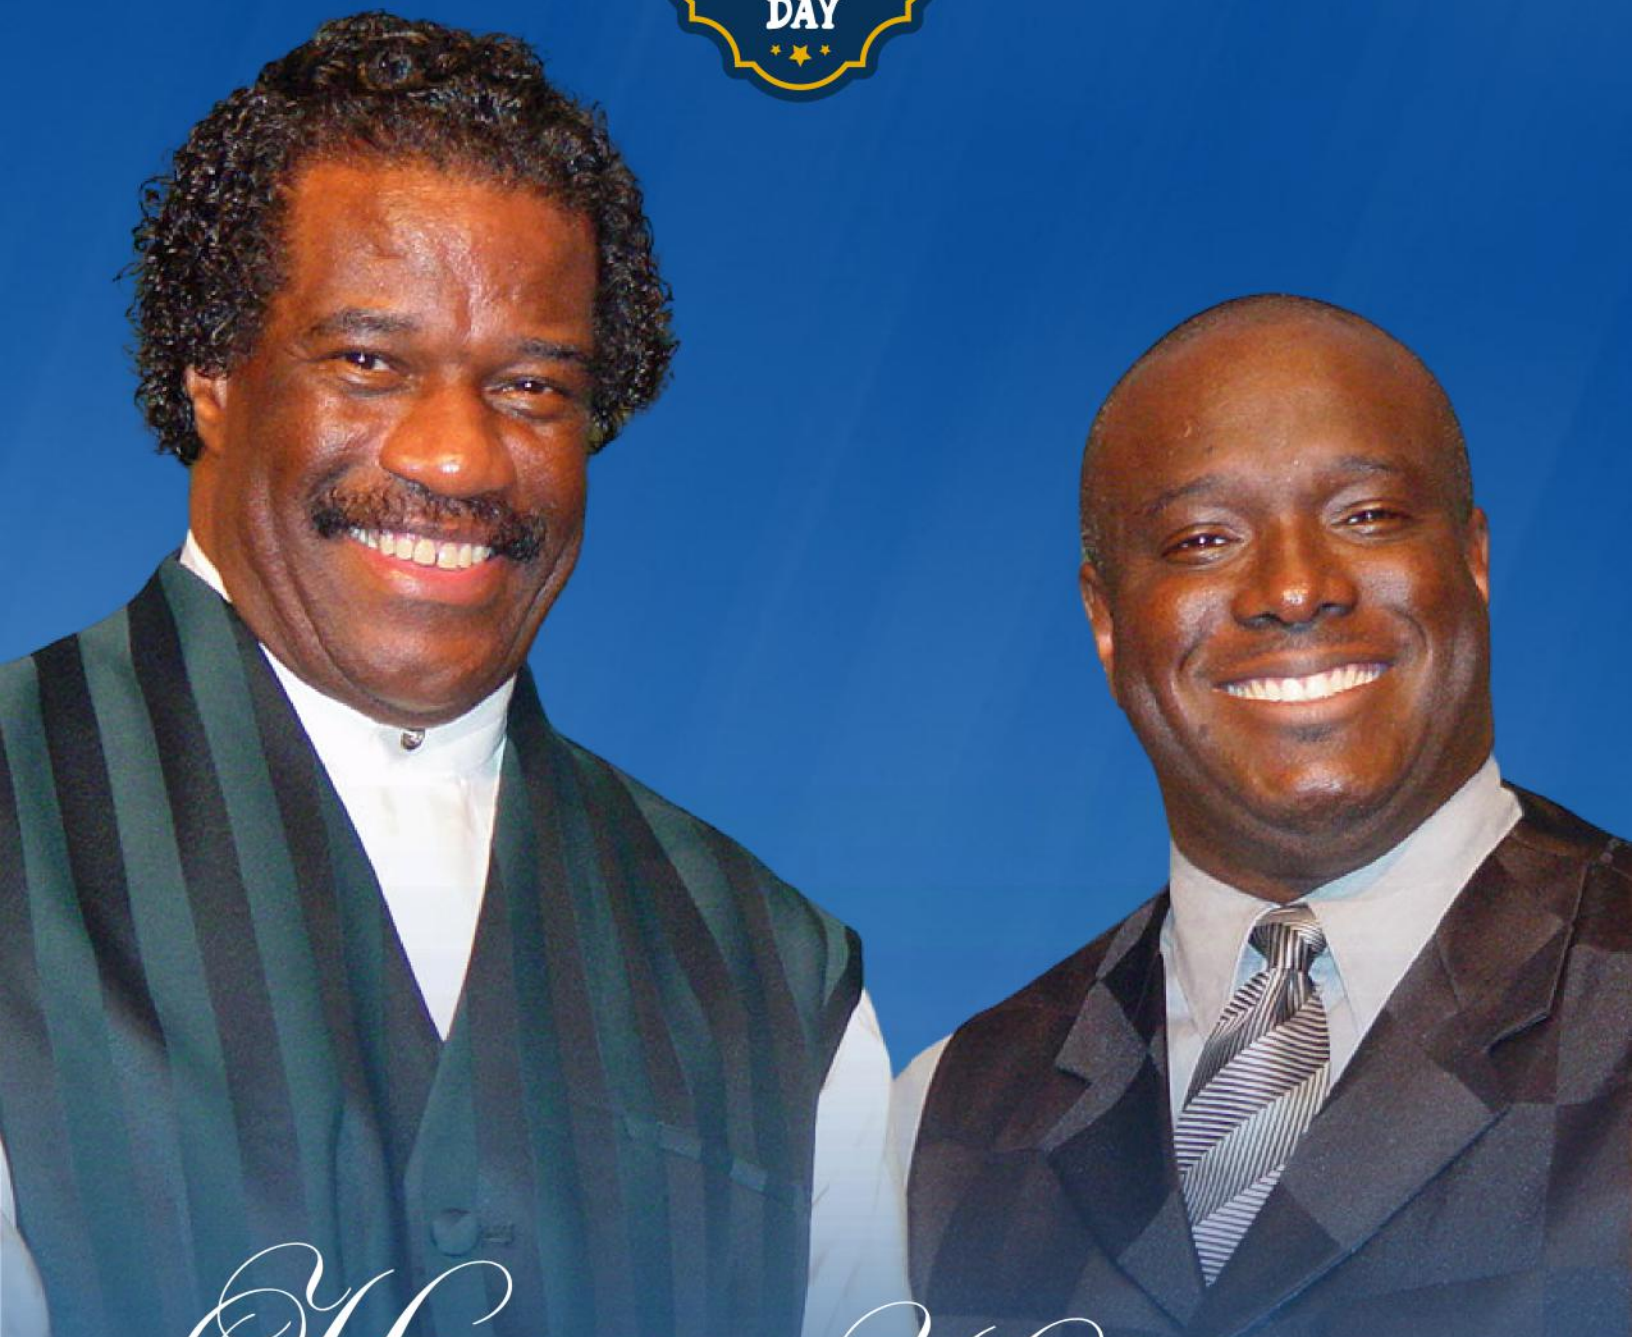

Every year, I look forward to celebrating fathers on “Father's Day”. God has blessed our RRC with some incredible fathers. These Godly men are family men, who take care of their responsibilities, and are living examples to other young men in the church.

Yes, we are grateful for the RRC Men, who are wonderful trailblazers, by precept and example for the up and coming young man. The world would have you believe that most men are nothing but deadbeats and don't take responsibility for their families, homes, or their children, but it's just not the truth. God has some men who love HIM, their families, their wives and their children. Many not only are fathers to their children, but they play a double-role, as father/grandfather to their grandchildren! Thank God for these great men of God. What an incredible year it has been with the fathers of RRC.
