MORE STORAGE, SAME FLOOR
SPACE AVAILABLE

STACK & STORE CABINET MEZZANINE, A COMPLETE SOLUTION!

R CABINETS

The ground-level cabinets are pre-drilled for easy installation. The dimensions are ideal for access to contents

Customize each of your cabinets by choosing drawer heights or by adding doors and roll-out shelves

RAILING

The railing complies with 42"H safety standards

FLOOR

The 30"D floor is installed on the first level of cabinets and includes a non-slip mat

STAIRS

The stairs provide easy access to storage on the second level. A second handrail can also be added

5S LABELING

Labeling the contents of your drawers helps to improve the efficiency and productivity of your employees

DRAWER ACCESSORIES

Accessorize your drawers to maximize and optimize storage space
