## Medio Ambiente/Environment/Environnement

Somos una empresa comprometida, que apuesta por la sostenibilidad. Uno de nuestros objetivos fundamentales es el desarrollo de procesos productivos sostenibles. Estamos comprometidos en reducir los deshechos y los agentes contaminantes, conservantes y a reciclar los materiales en cada etapa del ciclo de vida de nuestros productos. Somos una empresa adherida a ECOEMBES (PUNTO VERDE).

We are committed to sustainability. One of our main objectives is to develop sustainable production processes. We are committed to reducing waste, pollutants, preservatives as well as to the recycling of materials at each stage of the life cycle of our products. We are members of the ECOEMBES (GREEN DOT) Integrated Management System.

Nous sommes une entreprise engagée dans le développement durable. L'un de nos principaux objectifs est de développer des procédés de production durables. Nous nous engageons à réduire les déchets, les polluants et les conservateurs, et à recycler les matériaux à chaque étape du cycle de vie de nos produits. Notre entreprise a adhéré au Système intégré de gestion (SIG) d'ECOEMBES (POINT VERT).
