CASA GIOVANNI

The perfect piece to elevate your space.

Casa Giovanni is a collection of signature sculptures designed and curated by renowned gallerist, Giovanni Rossi. Every Casa Giovanni butterfly sculpture is handcrafted from high-quality brass, making each piece a true original. Available in various shapes and sizes, their sculptures can be customized to enhance any space.

ABOUT US

Born in Texas, Giovanni Rossi had the enriching experience of growing up between the vibrant cities of Houston and Madrid, immersing himself in a diverse tapestry of cultures and influences. During his time in Madrid, Giovanni frequented museums and galleries, drawing inspiration from each piece of art he encountered.

Starting at the age of five, Giovanni's passion for art blossomed as he picked up a paintbrush. By seven, he was already hosting private exhibitions, captivating his mother's friends with his creations in Houston.

Today, Giovanni finds inspiration in his past experiences and the profound impact of art that deeply resonates with him, blending these influences to breathe life into his latest creations. His work conveys a journey of artistic discovery and self-exploration.

The perfect piece to elevate your space.
