

# R&R GRANT SERVICES

# GRANT **SERVICES FLORIDA**

R&R partners with our sister company, Learning Alliance Corporation (LAC), to offer multiple grant services. These grant services support workforce development initiatives that help companies train their current workforce and provide resources to grow their organizations.

Incumbent Worker Training grant

Veterans Specific Grants

Grant writing services

Grant Compliance

Our Corporate Certification Programs

# Incumbent Worker Training Grant Florida

Funded under the federal Workforce Innovation and Opportunity Act, the Incumbent Worker Training Program helps businesses with workforce skill gaps by offsetting the cost of structured employee training programs.

The benefit includes up to a potential \$200,000 in funding for your various training projects. By maintain a strong workforce development program, your employee will benefit from:

Advanced and increases opportunities

Continuous skill growth

Obtain industry-specific certifications

Higher terms of service

# Veterans Specific Grant Services, Florida

---

R&R's sister company, LAC, will partner with Veterans Florida to help connect businesses to Veteran specific grant services that help grow a skilled Veteran workforce. Each one provides a unique solution for building a continuous veteran pipeline for your business:

Hiring and training Veterans makes sense due to these factors:

## Veterans come with strong soft skills

---

Being on time, adaptable and skilled

## Higher Interview to Offer to Hire ratio

---

Veterans are more likely to take a quality job offer.

## Higher retention

---

Veterans are more likely to stay within your company

# Grant Writing Services

R&R's partner LAC offers grant writing services that correspond to the different grants that are available. If you are interested in a grant program, we make it easy on you to process the needed documentation – from scope to grant award.

What our grant writing services offer:

No cost grant writing

Scope, revisions and submission process

Our integrated approach allows us to go from Scope to Fulfillment with a small impact on your daily operations.

# Grant Compliance

After 15 years and over 140 grants served to multiple companies in different industries, we understand the grant process! If you have questions, concerns or needs; we provide a turn key solution for all aspects of the grant maintenance.

What our grant compliance services offer at no cost:

We work with you to maintain all grant documentation.

When grants change we help prepare you for those changes.

If any changes take place, we update your grant documentation at no cost.
