Teacher's Sign

.....

Little Ladybug

Skills

- Observation
- Fine motor

Follow the steps to make the ladybug using clay.

1

Roll red clay into a ball in your hands to make it look like a ladybug's round body. Roll small pieces of black and white clay into small balls as shown.

2

Attach the black ball to one end of the red body as ladybug's head.

Factopedia

Ladybugs chew by moving their jaws side-to-side.

3

Now, place the white balls to make the eyes.

4

Place black balls over white balls to make the pupils.

5

Roll black clay into thin, short snakes to make antennas.

6

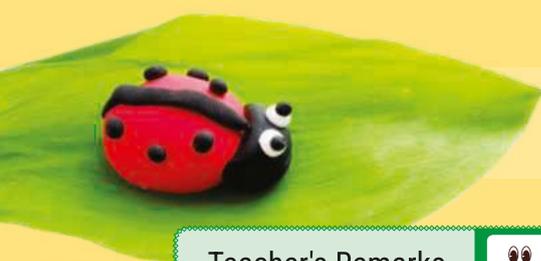

Similarly, attach black snakes as legs and cut the extra portion.

7

Now, stick black balls onto the red body as spots on each side. Your cute clay ladybug is now ready!

Clay Modelling

Teacher's Remarks

Teacher's Sign

.....

Spotty Dinosaur
