Dear Oregon Area Community,

The arrival of warmer weather signals that summer is just around the corner, bringing with it the excitement of outdoor play and learning. We are thrilled to introduce the Community Education 2026 Summer Guide, offering a wealth of enriching activities and classes designed for people of all ages and interests in the Oregon area.

I encourage you to take advantage of the summer season and challenge yourself to acquire a new skill by enrolling in one of our many courses. This guide details a diverse range of opportunities, and we strongly recommend securing your spot early, as classes often reach capacity quickly.

I want to share my deep appreciation and gratitude for the years I have spent being a part of the Oregon School District. It has been the honor of my career to serve as Superintendent of this great school district and I have always been in awe of how our community supports our schools.

As this will be my final introduction for this activity book before my retirement, I want to pause and express my profound gratitude for the years I have spent being a part of the Oregon School District community. It has been the honor of my professional life to serve as your Superintendent, and I will forever treasure the unwavering support and dedication this remarkable community has shown to our schools. Thank you, from the bottom of my heart, for making this journey so meaningful.

Warmly,
Dr. Leslie Bergstrom
Oregon School District Superintendent

Water Exercise

Open to all ages looking to get a good workout in!

Water exercise, often referred to as aquatic exercise, involves performing physical activities in water, typically in a swimming pool. It leverages the natural resistance of water, making it an effective way to enhance strength, flexibility, and cardiovascular fitness with reduced impact on joints. We encourage our patrons to move at their own pace and modify any exercises they need to.

Resistance Training	Water provides natural resistance, which helps build muscle strength as participants push against the water while moving.
Low Impact	The buoyancy of water supports the body, reducing stress on joints and minimizing the risk of injury, making it suitable for all fitness levels.
Improved Cardiovascular Fitness	Regular aquatic workouts can enhance heart and lung function, making it a great option for cardio conditioning.
Rehabilitation	Water exercise is often used in physical therapy settings to aid recovery from injuries due to its gentle nature.
Variety of Activities	Water exercises can include aerobics, swimming, walking or jogging in water, water yoga, and water-based strength training using resistance equipment.

Laps Swim

Open to all ages. You may swim at your own pace but you must swim laps for recreation and/or conditioning. Mask, fins, and snorkel allowed in lap swim. There may be at least two people per lane during this time.**

OREGON AREA FOOD PANTRY

107 North Alpine Parkway, Oregon
oregonareafoodpantry.com

DAYS and HOURS

(Please arrive at least 15 minutes before closing as our volunteers are scheduled to leave at closing time.)

- **Every Tuesday: 8:30am - 11:00am**
- **Every FIRST and THIRD Thursday: 11:00am - 2:00pm**
- **Every SECOND and FOURTH Thursday: 4:00pm - 7:00pm**
- **Every FIRST SATURDAY: 8:30am - 11:00am**

Who can use the pantry and how often?

Anyone who lives in the Oregon School District and needs assistance with food and other personal essential items may come to the pantry, as many times as they need to. Use of the pantry is confidential - your information will not be shared with anyone.

What items do you have at the pantry?

The pantry regularly stocks frozen meat, fresh fruit/vegetables, canned vegetables, fruit, soups, beans and pasta sauce, peanut butter & jelly, and other canned and dried goods. The pantry usually has dairy, eggs, and other frozen or refrigerated items. The pantry tries to keep a good stock of an assortment of personal care items, such as toilet paper, paper towel, tissues, toothpaste, deodorant, shampoo, and cleaning supplies.

How do I use the pantry?

If you are new to the pantry, please bring ID for you and the members of your household as well as proof of residency in the Oregon School District. A volunteer will review the information with you. Because the pantry receives some food from a federal program, there are income guidelines for guests. You will be asked if you meet the guidelines. Even if your income is above the guidelines and you need assistance, the pantry will still serve you. Income guidelines can be found at <https://www.dhs.wisconsin.gov/library/collection/f-40059>. Every time you come to the pantry, bring your ID. If your address has changed, please bring proof of your new address. If you are unable to come to the pantry, you can have a "proxy" shop for you. You must give written permission to the proxy to shop for you.

What is the process for shopping?

The pantry is set up like a small grocery store. When you arrive, you will be given a number and when it is your turn, you will start shopping and choosing the items you need. Please bring re-usable bags or other items to carry your groceries. When you have finished shopping, pantry volunteers can help you load them into your car. If you are not able to come inside to shop, a volunteer will shop for you. You will choose items from a grocery list and they will be selected and brought to your car.

For further questions or information, contact the pantry - director@oregonareafoodpantry.com, 608-291-0709.

For needs beyond food or for emergency food needs, call the United Way help line at 211. A specialist will take your car and help you identify and locate the available resources.
