2023 Recap: Nu Sigma Foundation Scholarship Brunch

In 2023, the Nu Sigma Foundation in conjunction with Phi Beta Sigma Fraternity, Inc. Nu Sigma Chapter and the Dennis C. Memorial Scholarship Fund held a Meet & Greet for our 2023 scholarship recipients as a final farewell before heading off to college. The Dennis White Memorial Scholarship achieved a significant milestone by donating its largest amount ever, awarding \$5,000 in scholarships to five deserving aspiring college students. Additionally, giving away another \$500 to a graduating Sigma Beta Club Member.

ΦΒΣ

Phi Beta Sigma Fraternity was founded at Howard University in Washington, D.C., January 9, 1914, by three young African-American male students. The Founders, Honorable A. Langston Taylor, Honorable Leonard F. Morse, and Honorable Charles I. Brown, wanted to organize a Greek letter fraternity that would truly exemplify the ideals of brotherhood, scholarship, and service.

The Founders deeply wished to create an organization that viewed itself as “a part of” the general community rather than “apart from” the general community. Rather than gaining skills to be utilized exclusively for themselves and their immediate families, they held a deep conviction that they should return their newly acquired skills to the communities from which they had come. This deep conviction was mirrored in the Fraternity’s motto, “Culture For Service and Service For Humanity”.

NΣ History

Nu Sigma Chapter was established in 1922 by the Brothers of Epsilon Chapter, a city-wide undergraduate chapter chartered at Temple University. Both undergraduate and graduate brothers held membership in Epsilon Chapter until Nu Sigma, a graduate chapter, was chartered. All SIGMAS in the city met together, under the leadership of Epsilon Chapter until there were enough members to sustain independently a graduate chapter. (During this time, local SIGMAS, under the leadership on Epsilon Chapter President, Bro. Mallory S. Walker, hosted the 11th Anniversary National Conclave, the first for Pennsylvania, on December 27-31, 1924). For three years during the transition of graduate members from Epsilon to Nu Sigma, Bro. Dr. E. H. Barnes, a Frankford pharmacist, served as president of the graduate chapter.

Thursday evening, June 2, 1925, was the occasion of the election of the first full slate of graduate officers for Nu Sigma Chapter. The meeting was opened by president Bro. Dr. Barnes, who praised Epsilon Chapter for its leadership in establishing Nu Sigma. The brothers unanimously elected Bro. Dr. Thomas J. Potter president, replacing Bro. Dr. Barnes. Bro. Potter assumed office praising Dr. Barnes for his dynamic leadership over the past three years and assuring the members that "every ounce of energy" he possessed would be expended on behalf of their noble cause.
