## TO OUR COMMUNITY:

As we reflect on an extraordinary year and 20 years of impact, we are filled with gratitude for the community that has made The Next Step what it is today. This year marked continued growth in our scholarship program and celebrated the 20th anniversary of our mission to support individuals in 12-step recovery programs as they pursue their educational goals.

Since our founding in 2005, The Next Step has awarded more than 1,000 scholarships totaling over \$2.8 million in funding. What began with \$200 and a dream at a kitchen table has grown into a powerful movement, thanks to the vision and dedication of our founders: Ron Moser, Janet Eto, Tom McClard, and Betsy Noonan. Their belief in the transformative power of education continues to open doors of opportunity and hope for students and families across our community.

This past year showed our continued growth and strength. In St. Louis, we awarded scholarships to 139 individuals, the highest number in our history, totaling \$500,600 in funding. In its second year, Kansas City awarded 22 scholarships totaling \$72,800 in funding.

The 20th Anniversary Scholarship Gala also set new records, raising over \$830,000, our most successful Gala in history! The generosity shown at this milestone celebration directly shapes what we can provide in the coming year. The more we raise, the more people we can help. The success of the Gala reflects the commitment, support, and strength of the recovery community.

As we celebrate these achievements, we do so with deep gratitude and a clear vision for what comes next. The need for educational support within the recovery community continues to grow, and with your partnership, we are ready to meet that challenge.

We appreciate your support, belief in our mission, and continued commitment to creating opportunities for individuals in recovery. We could not do this without you!

With gratitude,

## ABOUT THE SCHOLARSHIP

- We fund undergraduate, graduate, doctoral, and career and technical programs.
- To qualify, applicants must be active in a 12-step recovery program from substance use disorder, have a minimum of one year of recovery time, demonstrate financial need, work at least part-time, and live in the St. Louis or Kansas City region.
- Applications are accepted annually from **December 1 to April 1**. Board members interview eligible applicants to better understand their needs and goals. Scholarships are awarded each May.
- Scholarships can be used for tuition and books and are paid directly to the educational institution. Recipients can reapply each year.

# Crystal

Addiction Studies  
St. Louis Community College

Crystal's recovery journey began over three years ago and has been filled with challenges, growth, and meaningful victories. With the support of her sponsor and the recovery network she built, she learned to live with purpose. She now gives back through service work and community volunteering, determined to be an example of what recovery can make possible.

Education is central to Crystal's journey. Addiction once caused her to lose sight of her academic goals, but now she is working towards her dream of a Master's degree in Social Work. Crystal's hope is to advocate for communities affected by poverty and limited resources and to help improve laws related to healthcare, food assistance, housing, mental health, and substance use treatment.

Despite working full-time and earning a steady income, Crystal's past financial challenges made it extremely difficult for her to afford school on her own. The Next Step Scholarship became a true lifeline. "Being selected for this scholarship reminded me that my future is worth investing in," Crystal said. "It gave me back hope I was afraid I had lost."

—“  
*This scholarship gives  
me the chance to keep  
moving forward.*  
”—

This past year brought unexpected hardship when a tornado struck St. Louis, displacing Crystal from her home. Despite the stress and uncertainty, she maintained a 4.0 GPA and continued helping others in her community who were also affected. Her ability to stay focused on her goals while supporting those around her reflects her strength and dedication.

"Without this scholarship," she shared, "I wouldn't be able to pursue this degree or my calling. I am truly grateful and determined to make the most of this opportunity."

## Michael F.

The Next Step scholarship has allowed me to advance not only in my career but also in life. I owe so much to The Next Step program and I look forward to continuing to spread the mission of helping people like me achieve their goals!

## Deborah J.

For someone in recovery, pursuing education is not always an easy path.

Financial barriers and self-doubt often stand in the way. This scholarship reminded me that I am not defined by my past and that others believe in my potential, and it gave me confidence that my hard work and commitment to sobriety mattered!

## Abby S.

Receiving this scholarship changed my life. Not just because of the financial

relief, but because it felt like someone out there truly believed in me and in the life I have been working so hard to build over the last few years. The Next Step reminded me that redemption is real and that recovery opens doors.

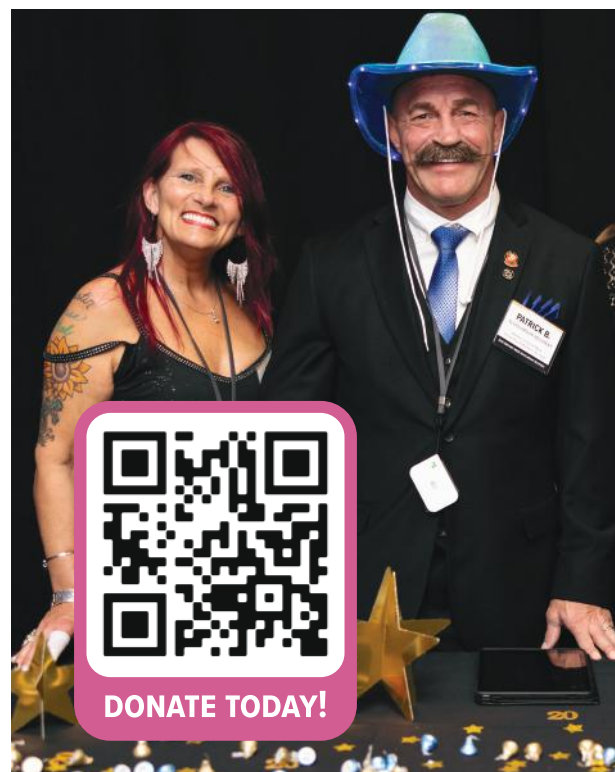

## WAYS TO GIVE

Your support of our mission is critical in helping students in recovery improve their lives. But it goes beyond that. You are also helping their families and the broader community. **Your support truly makes a difference!** We've made it easy to give with many different options, including:

- Individual Gifts
- Monthly Recurring Donations
- Stock Donations
- Planned Giving
- Employer Matched Gifts
- Named Scholarships
- Event Sponsorship
- Third Party Events
- Social Media Fundraisers
- Honorary and Memorial Donations
- In-Kind Donations

Make a 100% tax-deductible donation at [thenextstepstl.org/donate](https://thenextstepstl.org/donate), or contact us at 314.719.2880 to discuss how to make the most of your charitable contribution.

## DONOR SPOTLIGHT

### Doug and Leslie McCollum

Doug and Leslie's story begins in their rural northern Minnesota hometown, where they met in high school. After moving to St. Louis in 1978, they built both a family and a business legacy. They launched their first charter management organization in 1981 and later founded SpiritJets, which has been a Presenting Sponsor at the Scholarship Gala for the past five years. They are the proud parents of two adult children and grandparents to five. Their family is deeply committed to giving back to the St. Louis community.

Their connection to the recovery community is very personal. "Al-Anon has been our anchor," Doug shares. For more than ten years, he and Leslie have been active participants. Their involvement extends to recovery ministries at their church and Doug's regular commitment to his men's home group, Pathway to Serenity.

Doug and Leslie were first introduced to The Next Step in 2017 through an invitation to the Scholarship Gala by Doug's Al-Anon sponsor. "We were overwhelmed by the passionate talks from the recipients," Doug recalls. "The decision to donate was easy, but very heartfelt."

Their motivation to give is rooted in gratitude. "Doug and I have been blessed in so many ways that we passionately give to organizations held dear and near to our hearts," Leslie says. What they admire most about The Next Step is its authenticity and impact. "The Next Step's success is visible. The board, organizers, and everyone involved are truly selfless."

For those considering supporting the organization, Doug offers simple advice: "Attend the Scholarship Gala and witness the passion of people who have overcome difficult times. The best gift you will receive is the gift you give to The Next Step."

# 2025 Scholarship Gala

Our 20th Anniversary Scholarship Gala on Saturday, October 4, at the Sheraton Westport Chalet Hotel was an incredible celebration of two decades of education, recovery, and community. Highlights included:

- Celebrating with a sold-out crowd of 500+ attendees.
- Honoring our founders: Ron Moser, Janet Eto, Tom McClard, and Betsy Noonan.
- Announcing the Morrissey Family Medical Scholarship and recognizing the Gina May Wiese Memorial and Barbara Murphy Single Parent scholarship recipients.
- Welcoming 75 scholarship recipients as volunteers, with another 55 supporting setup and thank-you efforts.
- Raising over **\$475,000** during Fund a Future and achieving a record **\$830,000** raised overall!

We are incredibly grateful to everyone who made this evening possible, to all of the students who shared their stories and testimonials, and to you, our community, for supporting our mission.

# Barbara Murphy Single Parent Scholarship

The **Barbara Murphy Single Parent Scholarship** was founded in 2019 by Jim and Nancy Murphy in honor of Jim's mother, Barbara. This scholarship provides additional assistance to single parents who are balancing recovery, parenting, and education. These funds are in addition to their scholarship from The Next Step and can be used for anything that will help ease their financial burdens as single parents.

2025 Recipients: Mandy J., Latonya M., and Julie C.

## Gina May Wiese Memorial Scholarship

The **Gina May Wiese Memorial Scholarship** was founded in 2022 by Ron Wiese in honor of his late wife, Gina. Gina was a grateful member of the recovery community and was kind, caring, and giving her entire life. Gina's scholarship aims to make a difference in people's lives by funding tuition, textbooks,

and supplies in addition to their primary scholarship from The Next Step. Eligible students meet criteria focusing on classroom excellence and respecting and caring for others.

## Morrissey Family Medical Scholarship

Established in 2025 by former board member Kevin Morrissey, the **Morrissey Family Medical Scholarship** honors the values and legacy of his parents, Brian and Mary Ann Morrissey. Kevin, who has dedicated his career to the medical field, created this supplemental scholarship

to support students who are pursuing studies in healthcare, medical, and related disciplines, while maintaining strong recovery programs and excellence in the classroom.

# Kansas City Chapter

The Kansas City chapter of The Next Step was founded in 2024 by Ron Moser and a group of dedicated donors to support students in the Kansas City metropolitan area. Though still young, the chapter is already making a strong impact, awarding **39 scholarships** and **\$123,650** in just two years.

The need in Kansas City is two-fold:

- **Increase awareness.** Many people in recovery don't know this scholarship exists. Outreach through 12-step meetings, community events, and word of mouth is essential. Please help spread the word!
- **Grow funding.** As awareness rises, so does demand. We want to ensure we never have to turn away a deserving applicant due to limited resources.

If you have connections in the Kansas City area, we'd love an introduction! Your outreach could directly lead to another scholarship and another transformed future.

To explore how you can help, please contact **Darcy Glidewell at 314.378.9515**. Together, we can ensure more Kansas City students have the support they need to take the next step in their education.

## Give with Confidence

Our strong financial health and ongoing accountability and transparency have earned a **Four-Star Rating** from Charity Navigator, America's largest and most-utilized independent charity navigator. This is the highest possible rating and demonstrates that our donors can give with confidence knowing their gifts will be used responsibly.

We have also achieved the **Platinum Seal of Transparency Rating** on Candid (formerly Guidestar), the world's largest source of information on non-profit organizations. This rating puts us in the top 0.1% of charities nationally regarding transparency.
