### Dynamic exterior.

The all-new Q7 exhibits a bold muscular design featuring dynamic lines and capable SUV proportions. Large wheels, up to 22", and an assertive Singleframe grille complement its athletic stance.

### Digital Matrix LEDs.

Available Audi Digital Matrix LED headlights transform the road ahead into a precisely illuminated canvas. Each headlight adapts in real time using approximately 25,600 individually controllable micro-LEDs for maximum visibility while minimizing glare for other road users.

### Passenger display.

Long drive ahead? Your front passenger can enjoy their favorite entertainment on the standard 12.3" passenger display, turning every journey into a first-class experience.<sup>3</sup>

### Seat selection.

The all-new Q7 comes standard with roomy 7-passenger seating. An available 6-passenger configuration features two luxurious second row captain's chairs, offering premium individual comfort.

### Adventure ready.

With adjustable seating and up to 78.1 cubic feet of available cargo room, the Q7 keeps you prepared for the unexpected.

### Turbocharged.

The new 2.9-liter turbocharged V6 engine offers an impressive 429 HP. Paired with an 8-speed Tiptronic transmission, it offers effortless performance, allowing you to take full advantage of the Q7's available trailer hitch and maximum 7,700 lb towing capacity.

### Remote park assist pro.

Audi's available park assist pro with remote parking and maneuver assist allows drivers to record and store custom parking maneuvers, making tight or complex parking spots effortless. Once trained, the vehicle can automatically park itself in those locations with a simple command via MMI or the myAudi<sup>3</sup> app on your smartphone, enhancing convenience and precision.<sup>3</sup>

1. Always pay careful attention to the road, and do not drive while distracted. 2. Requires myAudi app and compatible device. 3. Driver assistance features are not a substitute for attentive driving.
