COLOR OUR WORLD™

Calendar >

Color Our World at the library this summer! Take on the SummerQuest challenge from June 2 to August 17. Our summer reading challenge will make sure kids and teens stay active, engaged, and learning all summer. SummerQuest 2025 gives everyone the chance to pick their own summer goals and the tools to complete them.

Complete the Challenge

In 2025, participants aged 0-18 will track their reading, activities, and progress through their individual **Beanstack** accounts. They are challenged to complete virtual "badges" listed in Beanstack. Each badge has different activity requirements. These include reading, visiting and using the library, and completing GO York! hikes. There's even a special badge for Scouts. After a participant earns any four (4) reading or activity badges, they will complete the SummerQuest Challenge! This means each person's summer can be customized to their own goals and unique interests. There are a variety of badges to choose from. Everyone is welcome to complete as many activity and reading badges as they want!

Library Events & Activities

Come visit the library this summer! Kids can meet Pete the Cat at special Story Times, enjoy music by Mark DeRose, and do hands-on learning with Science Heroes. Teens can get creative with recycled items, or become a Crime Solver. There are also family programs! Registration may be required for some events, so sign up early.

GO York! Hikes

We're partnering with Wellspan Health to support the GO York! program, a walking and hiking challenge in parks and towns across York County. A special carving is hidden along each trail. Follow the directions in the GO York! booklet to find each one. Then make a rubbing on your rubbing sheet and enter the secret code in the Beanstack app. Can you find all 30 secret codes this summer? Visit goyork.org for outdoor safety tips, trail updates, summer parks programs, and more. The last day to enter codes for GO York! hikes is August 17.

Once registered, SummerQuesters can log their reading and complete fun, staff-curated activities in the app. Beanstack awards virtual "badges" for logging minutes and doing activities. As participants earn badges, they will also receive exciting Rewards and virtual "Tickets" for prize drawings of their choice!

- **Rewards** are physical prizes that are redeemed at the library starting June 11.
- **Tickets** are virtually "spent" on Ticket Drawings in Beanstack for a chance to win real prizes for local attractions, museums, and more! Tickets must be used by August 17.

Visit yorklibraries.org/summerquest for more details about this summer's prizes and instructions about using Tickets. Participants will "complete" the SummerQuest Challenge after they earn any four reading or activity badges.
