FREE DESIGN SERVICE

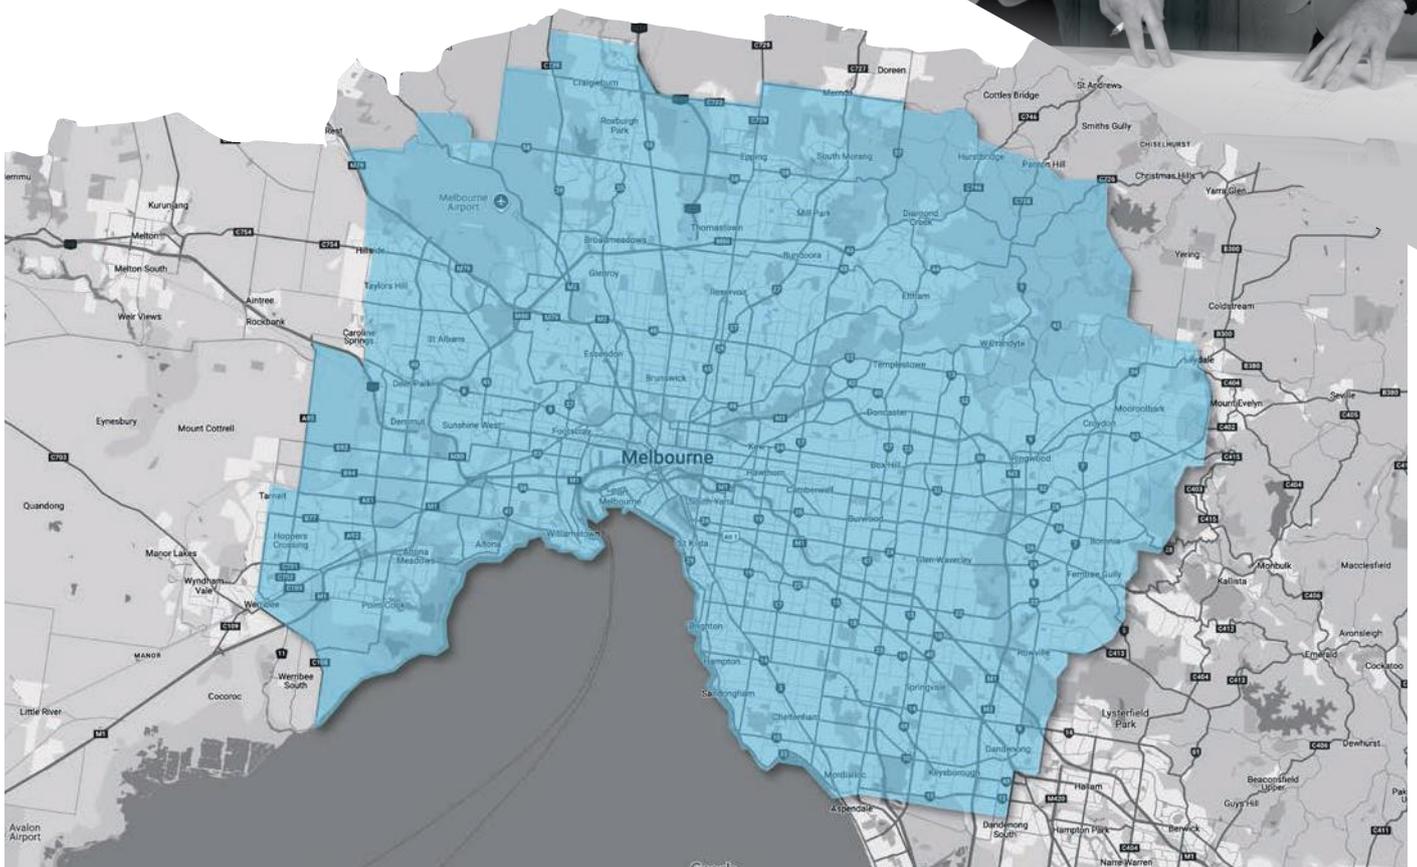

As part of the Express 2U offer, you get access to our free design service. Using the latest in 3D design technology, we provide you with detailed plans and renders.

Our qualified design team are knowledgeable in both local and international trends. We can help choose the most functional layout and the right style for you and your clients.

We design to the requirements of Australian Standards.

SERVICE REGION

The Express 2U offer is currently available in the following greater metro Melbourne area. If you have a project outside of this area then talk to us to see what's possible.

INTRODUCING EXPRESS 2U JOINERY

The Express 2U joinery range provides fully assembled cabinetry, in various sizes, surfaces and finishes, delivered to your site. Offering a delivery window of 72-hour dispatch from order, Express2U has one of the shortest lead times in the Australian Market.

A free design service is included in the offer - you choose from our selection of popular door colours and benchtop surfaces

and our expert design team come up with the perfect solution for your project. All cabinetry comes complete with Hettich Sensys soft close hinges and DragonPro double wall soft close metal sided drawers.

Get the job done faster with the shortest lead time, fully assembled cabinetry offer on the market. All backed by a 10-year warranty.

FREE DESIGN SERVICE

Provide us your plans and your specs and we'll get one of our expert designers to come up with a perfect solution. You'll receive a 3D render as well as all elevations.

WIDE RANGE AVAILABLE

Select from 2 popular kitchen heights; 2200mm and 2345mm. We have a wide range of cabinet sizes and styles. We also have a range of popular door and benchtop surfaces to choose from.

DESPATCHED WITHIN 72 HRS

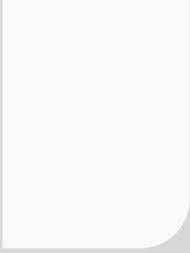

We stock all products, allowing us to provide fast turn-around times. We will dispatch within 72 hrs of order confirmation from our local DC.

DELIVERED TO THE ROOM

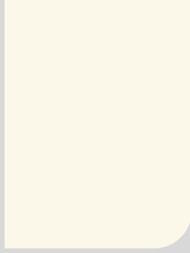

We'll deliver direct to site and in a ground floor room. Your cabinetry will turn up assembled and ready to install.

SENSYS SOFT CLOSE HINGES

Hinges from Hettich are the heart of good doors. Innovative, reliable and long lasting, they provide top quality as well as clever mounting and adjustment capabilities. The Sensys fast assembly hinges are particularly easy to fit and can be adjusted without any effort. The multiple award winning Sensys hinge has revolutionised the world of hinges with its invisibly integrated Silent System.

DTC DRAGONPRO DRAWER SYSTEM

The DTC Dragon Pro, available in silk white, is a slimline drawer system with perfect unity and functionality. The system, especially with the clean design on the double-wall profile and the dividing elements, creates space saving and practicality in your modern-day kitchen.
