Welcome from Kaarle McCulloch

Bowral Public School
Bowral & Endeavour Sports High School

Welcome to the NSWCHSSA Athletics Championships.

I am honoured to have had the opportunity to represent Australia in my chosen sport of Cycling at Olympic Games, Commonwealth Games and World Championships.

I'm also grateful for the sporting opportunities afforded me through the NSW public education system. That's where my journey started!

From participating in sport activities at the local level, I gradually progressed into competitive sporting events, including those offered by the NSW Primary Schools Sports Association (PSSA) and NSW Combined High Schools Sports Association (CHSSA).

Attending Bowral Public School, Bowral HS and Endeavour Sports High School, I was encouraged by many committed and supportive teachers. One of my fondest memories of school sport is winning the Australian All Schools Athletics Team event three times with my close friends from Endeavour Sports High School.

I played a range of sports, including Touch, Netball, Swimming, Cross Country, Athletics, Triathlon, Hockey and Soccer. Over time, I began to specialise more in Athletics. Despite having success on the track, by the time I had reached Year 12, a number of factors had drawn me toward the sport of Cycling. It became my passion and it has now taken me all around the world.

Sport provides a range of physical, social and other benefits. On top of that, if you work hard it can take you to places you might never have imagined. Sport is about having fun with team mates and enjoying training and playing. Enjoy your time at these the NSW All Schools Cross Country Championships; meet and participate in the spirit of sport. Be respectful of officials, team mates, opponents and spectators. They are all an important part of your journey.

Just like I did, you are sure to meet new friends and hopefully one day you will look back at your time in school sport and appreciate it as a valuable part of your development.

Good luck in your future sporting endeavours!

Editor's Note: Kaarle McCulloch is one of the most multi-talented sports people to have graduated from the nursery of NSW public school sport. Kaarle was the recipient of nine NSWCHSSA medals across three sports (Triathlon, Athletics, Cross-Country). Her achievements at a state, national and international level are outstanding and include:

- 3 World Championship Gold medals, 2 Silver and 1 Bronze (Team Sprint)
- 4 Commonwealth Games 2 Gold medals, 1 Silver and 1 Bronze (Team Sprint, 500m Time Trial, Keirin and Sprint)
- An Olympic Bronze medal at the 2012 London Olympic Games (Team Sprint)

NSW School Sport is extremely proud of Kaarle McCulloch!

Education

Welcome from the NSWCHSSA President

Sport continues to play a significant role in building the Australian character and that of the youth of today, not only in Athletics but also in all the sports that the NSWCHSSA conducts. The Association endeavours to provide a wide range of sporting activities and opportunities for all students in our public high schools. For over 130 years, competition has been provided at a variety of levels by willing and dedicated teachers to help the pupils in our schools reach their potential at their selected sport.

At this stage, I must thank all those principals, coaches, managers, parents, officials and participants who have strived so hard to make our championship successful. Much of this time is done on a voluntary basis and it is greatly appreciated. 2023 continues to pose numerous challenges, despite this, it is wonderful to see students participating on the sporting field. I would like to thank all the Association Executive Officers for their support of NSWCHSSA programs, thank you also to all parents and students in all programs.

Finally, I would ask all competitors to reflect on their achievement as reaching the NSWCHSSA level is an outstanding milestone and is not to be underestimated, well done. It is unlikely that you have got to this point on your own, so please take a moment to thank those around you who have supported you on this journey. Congratulations on reaching this elite level of competition and best of luck.

Simon Warren
President
NSW Combined High Schools Sports Association

Convener's message

It is my absolute pleasure to welcome our competitors, parents, team and event officials and supporters to the iconic Sydney Olympic Park for the 2023 annual NSW Combined High Schools Sports Associations Athletics Championship.

The NSWCHSSA Athletics championship has long been a breeding ground for excellence in track and field in Australia. From Olympic Gold medalists and former World Record Holders Betty Cuthbert and Marjorie Jackson, to the more recent heroics of 2009 World Champion Dani Stevens, the NSWCHSSA Championship has long been the start of very successful careers in track and field. I look forward to the next three days of competition to witness what I am sure will be some exceptional and exciting performances.

I am pleased to continue our partnership with Athletics NSW with their continued guidance and assistance in strengthening the knowledge and professionalism of our officials. I must thank all our officials in attendance this week for their time and professionalism. To our parents, team and event officials, and devoted supporters, your encouragement is a vital ingredient in our athletes' success. Your unwavering support provides the motivation that propels them forward.

As we embark on this journey of fierce competition and camaraderie, let us celebrate the incredible talent on display and the indomitable spirit of the athletes. Here's wishing every competitor at this year's athletics championship the very best of luck. May you forge unforgettable memories and leave a lasting legacy in the world of athletics.

History of School Sport

Prior to the establishment of the competitive school sport program in 1889, (which was prior to the commencement of the modern Olympic Games in 1896), most schools conducted games, dancing, gymnastics and rhythmic movement programs for students.

Schools also implemented both internal sporting programs and arranged competitive matches against other local schools. Many country schools travelled long distances to ensure young people experienced the challenges, benefits and enjoyment provided by competitive sporting opportunities.

In 1889, the NSW Public Schools Amateur Athletic Association was formed by a group of dedicated teachers to co-ordinate school sport in NSW. For the first 25 years the one single event that took pride of place on the calendar was the Annual Sports Carnival which took place at the Sydney Cricket Ground and the Sydney Showground (formerly Agricultural Grounds and now Fox Studios) at Moore Park.

Crowds of 40,000 – 50,000 spectators would gather to watch 12,000 students participating in events that included sprinting, walking, sack races and throwing a cricket ball, along with military type drill competitions. From these humble beginnings school sport has evolved into the current program that is organised by the NSW Primary Schools Sports Association and the NSW Combined HSs Sports Association. These organisations now offer over 60 state championships and 80 knockout competitions; involving over 300,000 students annually.

The timeline below reflects the place of school sport in the history of NSW and Australia and how public school sport graduates have progressed to represent their state and country in some of the major sporting events held globally over the past 130 years.

School Sport – For parents

Welcome and thank you for attending these championships and supporting your child. Parents, caregivers, coaches, teachers and volunteers play a significant role in the motivation and development of young people.

Due to the regularity of contact and the influence parents and caregivers have as role models for young people, they particularly have an opportunity to shape the behaviours, enthusiasm and respect young people demonstrate in their sporting endeavours.

Please find below some suggestions that might enhance the enjoyment of all those involved in the school sporting pathway.

1. Enjoy the journey.

- Sport is a journey that provides physical, social and emotional benefits for children. Enjoyment and having fun with friends is their greatest reward. You also share in this enjoyment.

2. It's better if the first question you ask your child is "did you enjoy it?" rather than "did you win?"

- Not every child is going to become a champion but every child has the opportunity to continue enjoying sport through coaching, managing or supporting.

3. Model good behaviours and never accept poor Sportsmanship from your child or their coach.

- Children learn more by seeing than hearing, particularly from people they care about. No matter what the circumstances, be someone they can admire and respect.
- Parents aren't judged on their child's accomplishments, however parents are often held responsible for their child's behaviour.

4. Your child's results should not affect your mood.

- Never get upset after an event where results don't go the way of your child.

5. Give your child space to grow and mature.

- All children are different. Accept your child for who they are. Fault finding makes the child question their self-worth. Letting a child know how much you care about them makes them proud and builds resilience.

6. Focus on the processes rather than the outcomes.

- Parents should understand that the best athletes focus on the process, because the result is often out of their control.
