# Series Synopsis

---

When glamorous brand icon Evelyn Moser is secretly replaced, professionally and privately, by her husband's new influencer muse, things spiral fast. Fired after 40 years and fooled by the myth of the Mosers' "perfect marriage", accountant Adam Lansky kidnaps Evelyn, expecting an easy ransom.

But Rob doesn't want her back. Evelyn flips the script, takes control, and teams up with her failed kidnapper to go after something far better than ransom: Rob's offshore millions.

# Evelyn Moser

## Brand Ambassador.

*Glamorous, sharp, empowering.*

---

She is the glamorous face of her husband's beauty empire: confident, elegant, and sharper than she looks. When she learns she's being replaced, a failed kidnapping and her husband's indifference spark her true strength.

Resourceful and fearless, she transforms from discarded trophy wife into the unexpected mastermind of a bold revenge plan.

# Rob Moser

## Cosmetic Surgeon.

*Ambitious and driven by ego more than emotion.*

# Adam Lansky

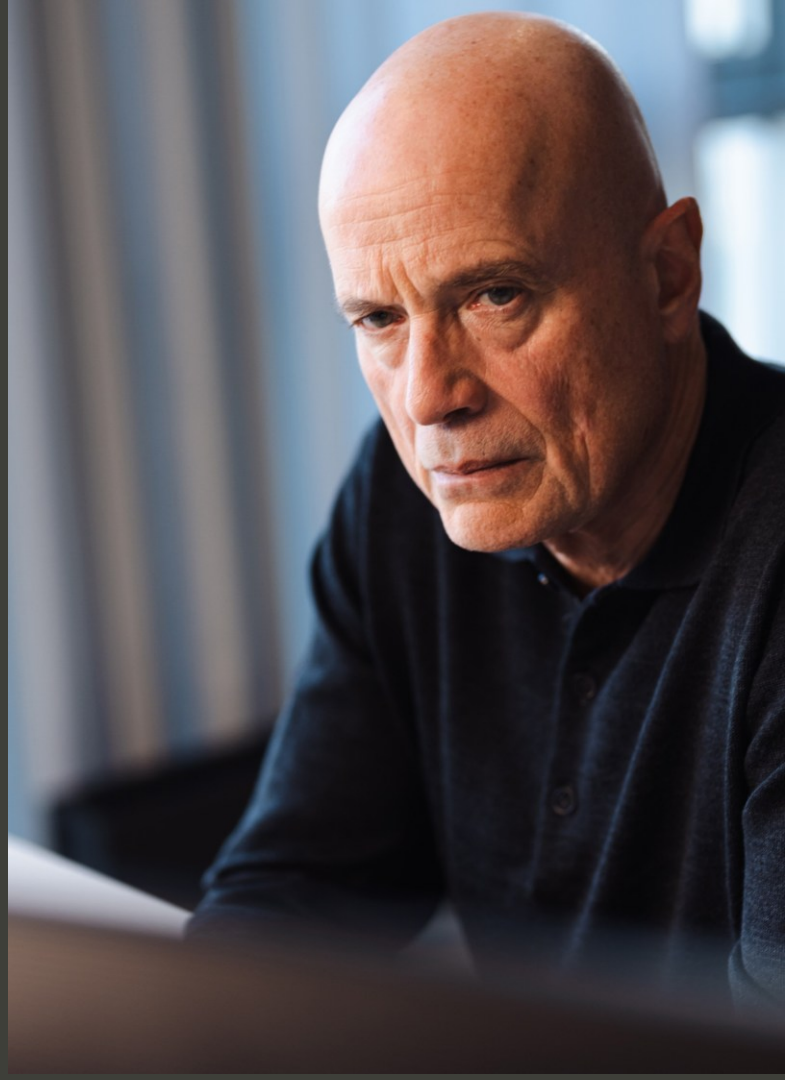

## Accountant.

*Loyal, clueless, and actually kind-hearted.*

He is loyal, old-fashioned and spent nearly 40 years keeping the Moser empire afloat – quiet, careful, and far from dangerous. When he’s abruptly replaced by AI, desperation drives him to a clumsy kidnapping he believes will earn quick ransom money.
