# **TASTE YOUR WAY AROUND BLACKSTONE VALLEY**

If you're looking for new dining experiences or you're a seasoned culinary traveler looking for a new place to explore, you will definitely appreciate the authentic food and drink that can be found here in Rhode Island's Blackstone Valley.

Because of its rich history, our small and humble region now boasts one of the most authentic food experiences in all of the United States. But don't take our word for it. Come and taste the abundant global flavors that cross 5 continents and over 40 countries.

We created this pocket-sized food passport to help document your mouth-watering journey across diverse cultures and savor the memories of these international flavors.

**Simply write in the establishment you visited or feel free to add in notes about your experience. Head to [TourBlackstone.com](http://TourBlackstone.com) for more info about places to visit along the trail.**
