CASAMONTE

INTRODUCTION

Casamonte was founded on the belief that true artistry is a collaborative journey. Inspired by the timeless interplay of texture and design, Casamonte partners with distinguished artists and designers to craft surfaces that are both transformative and enduring. Through these partnerships, we have crafted collections that transcend trends, standing as timeless testaments to the power of design to inspire and connect. With every collection, we invite our customers to see their spaces not just as places, but as canvases for self-expression and stories waiting to be told.

JACK LONETTO

Jack Lonetto approaches design as both architect and storyteller, weaving spaces that embody harmony and intention. His work bridges the dialogue between exterior and interior, embracing a holistic vision where every detail contributes to a larger narrative. Guided by the timeless principles of Frank Lloyd Wright and the Bauhaus, his aesthetic celebrates simplicity, balance, and precision. In collaboration with Casamonte, Lonetto translates these values into wallcoverings that surround interiors with quiet elegance and enduring expression.

BRUSH PURE COLLECTION

Designed to lay the groundwork for the more expressive patterns, the Pure Collection is the essential foundation of the Brush Collection. It is a curated group of coordinating textures and materials that embodies the fundamental essence of its counterpart. The collection's clean lines and nuanced feel offer a quiet, balanced aesthetic, ensuring each patterned piece has the perfect backdrop to shine.
