CUSTOM PRINTED SEEDED PRODUCTS

Custom printed seeded promotional items, custom printed with your message or logo. Plant them after use and watch wildflowers appear! Great for the environment and prolonging brand awareness with earth-friendly projects. Available in multiple styles at great price points!

Direct Print Seeded Paper Wristbands

- Printed on the smooth side of wildflower seeded paper. Hundreds of wild flower seeds are embedded in each sheet of seeded paper!
- Signature paper germination rate: 50-75% Economy: <5% germination rate
- Great for promotional events! (Not suitable for security purposes)
- Create wristbands that won't clog up landfills after your event is over
- Get your brand onto something useful, eco-friendly and a great talking point!

Sprout Pencil

- These awesome plantable sprout pencils can grow into plants once they're too short to use!
- Choose from basil, cherry tomato, daisy or forget-me-nots
- The seeds are embedded in the biodegradable end cap of the pencil
- Includes a full colour custom imprint on your choice of card stock or seed paper sleeve
- Upgrade to laser engraving on the pencil for even more personalization!
- Planting instructions are on the back-side of the sleeve for easy use

Basil

Promotional Seed Packets

- Pass along your information on something greener this season!
- Please note: Due the nature of this product we cannot guarantee germination & desired results
- Choose from: Honey Bee Mix, Tomato, Forget Me Not or Monarch Butterfly Mix
- Forget Me Not and Monarch Butterfly available from late January onwards
- Other choices may be available but at a longer lead time, please contact us for details
- A great option for promotional events, gardening swag and more!

CUSTOM LOGO ECO-FRIENDLY DRINKWARE

Greener drinkware options cut down on single-use materials, are better for the environment and provide convenient everyday items for your clients. Browse our range of earth-positive water bottles, recycled glassware and eco-friendly travel tumblers to find the perfect one for your next event.

Recycled Glass Collection

- This product is made from 100% recycled glass!
- Promote your business on something useful and reusable
- Enjoy recycled glassware's unique turquoise colour
- Recommended hand wash only
- Great for eco-positive marketing campaigns

SIGG Collection

- Includes options made from recycled materials or that can be recycled.
- A quality earth-friendly corporate gift option
- Options for hot and cold drinks
- Sturdy and durable, great for reusability

PROMOTIONAL ECO-FRIENDLY REUSABLE BAGS

Reusable bags provide an eco-positive solution for a promotional favourite. Going green could be as simple as getting your logo onto an eco-friendly tote. Browse our selection of jute and recycled cotton options, or give old plastic material a new life with recycled plastic bag options!

RPET Canvas Bags

- These eco-friendly bags are recycled PET canvas made from 100% post-consumer water bottles
- Create greener marketing campaign promotions for your upcoming event!
- A great option for eco-friendly marketing ideas and incentives

Cork Bags

- Cork is a biodegradable material, great for eco-positive products
- Cork is self regenerative, meaning responsible harvesting is possible
- Cork is sustainable, great for earth-friendly promotions

Jute Bags

- Jute is a renewable plant fibre that offers an eco-boost to marketing staples like bags
- Great for greener promotional events and eco-responsible marketing ideas

- Earbuds can be used in mono or stereo mode
- Earbuds feature a built-in microphone and a multi-function button

Recycled Wheat Wireless Speaker

- This eco-friendly speaker is made from 35% recycled wheat husk!
- This item supports wireless technology V5.1
- Features a multi-colored LED light and MSD card reader
- Also features control buttons for play/pause, volume control, and skip/previous songs
- Give your clients the gift of awesome custom branded tech with an eco-twist!

PROMOTIONAL SINGLE-USE ITEM ALTERNATIVES

Get your brand ahead with Canada's increasing dislike (and, in some cases, incoming ban) on single-use products that are so damaging to the environment. Provide convenient everyday items that can be reused again and again – keeping your important message close to hand.

Double Decker Bamboo Lunch Box

- This product is made from bamboo, wheat straw and polypropylene
- The bamboo is FSC certified, great for an additional eco-friendly touch
- The multi-function lid doubles up as a mini cutting board
- Convenient elastic strap design
- Features dual storage containers, a reusable fork, spoon and knife
- Not recommended for the freezer and hand wash only on this product

Stratosphere 9" Reusable Folding Straw

- Fits in your pocket, purse, backpack or briefcase
- Collapsible 9" straw that is easily portable and reusable
- Stores in black rubberized flip-open case with magnetic closure
- Made from stainless steel and silicone
- FDA compliant and handwash only
- Great for travel, home, and the office

Reusable Cutlery Set

- This reusable set contains a knife, fork and spoon.
- Attach this set to your belongings with the handy outside loop.
- Made from stainless steel with an RPET polyester storage case, making this is a perfect eco-friendly solution to one-use utensils.
- The interior pocket can carry napkins or extras.

Nimoy Bamboo Spork

- Great for everyday use at home, the office, camping and in your lunch
- Fitted with a spoon on one end and a fork on the other
- Strong and durable, yet lightweight and easy to care for (hand wash)
- Variations in colour and texture are normal, and add to the unique beauty of this product
- Made from eco-friendly bamboo, one of the fastest growing plants in the world

CUSTOM PRINTED TREE KITS

Thinking of growing your brand awareness? Grow with custom logo tree kits! Choose from a range of options, all conveniently listed. Provide an eco-activity for your clients to get their gardening on and remember your business as their tree or flowers grow over time.

Cloth Bag Grow Kit

- Kit contains 1 peat moss planting pot, 1 peat moss seed starter puck, 1 packet containing plantable seeds, 1 set of planting instructions
- A great option for eco-positive promotions
- Give your clients a fun project with your logo and custom branding involved!
