Memories are best when in plain view

Love is

*patient and kind,
never jealous,
boastful, proud, or rude.*

*Love isn't selfish
or quick tempered.
It doesn't keep a record
of wrongs
that others do.*

*Love rejoices
in the truth,
but not in evil.*

*Love is always supportive,
loyal, hopeful,
and trusting.
Love never fails!*

About D&B

HELLO!

We are Dan & Bonnie Burgess, and we love making memories! We are a family based small business that lives and works in the community. We work diligently for our authentic and reliable reputation.

YOUR STORY

Tell us your story - your vision - and what you value most. This enables us to craft your story into the artwork that you deserve. From the engagement session, getting ready, first look, the emotional embrace at the reception, to the last wave as you exit the venue, we want to capture each moment. We believe in the emotions from the "YES" to the "I DO" and beyond! Our job is to be the artful historians of your family. Your story, your legacy, starts now.

On your special day, you should have a team that you can trust - no stress or anxiety about what photos to get, or how many hours are left before your photographer leaves. D&B Forever Photography delivers your full service coverage in a beautiful craftful manner. You can trust in us.

TESTAMONIALS

Hiring D&B Forever Photography was by far the best decisions we made as far as vendors for our wedding. They went above and beyond to capture every moment and made an amazing night even better. Ashley and I will be eternally grateful for everything they did to make sure every stage of our engagement and wedding was captured. These guys are the best if you are looking for a photographer then you can stop you've found the best. - Richard H.

Hiring D&B Forever Photography was by far the best decisions we made as far as vendors for our wedding. They went above and beyond to capture every moment and I mean EVERY moment for Isaac and I. They made SURE that it was an amazing day. From the wedding rehearsal to the day of the wedding, Isaac and I are grateful for everything they did to make sure everything was in order. We were stressed about finding someone to take our pictures, until we found them. - Chasity W
