Welcome from Kaarle McCulloch

World Championship Track Cyclist & Medallist
Commonwealth Games Track Cyclist & Medallist
Bowral Public School
Bowral & Endeavour Sports High School

Welcome to the NSWCHSSA Athletics Championships.

I am honoured to have had the opportunity to represent Australia in my chosen sport of Cycling at Olympic Games, Commonwealth Games and World Championships.

I'm also grateful for the sporting opportunities afforded me through the NSW public education system. That's where my journey started!

From participating in sport activities at the local level, I gradually progressed into competitive sporting events, including those offered by the NSW Primary Schools Sports Association (PSSA) and NSW Combined High Schools Sports Association (CHSSA).

Attending Bowral Public School, Bowral HS and Endeavour Sports High School, I was encouraged by many committed and supportive teachers. One of my fondest memories of school sport is winning the Australian All Schools Athletics Team event three times with my close friends from Endeavour Sports High School.

I played a range of sports, including Touch, Netball, Swimming, Cross Country, Athletics, Triathlon, Hockey and Soccer. Over time, I began to specialise more in Athletics. Despite having success on the track, by the time I had reached Year 12, a number of factors had drawn me toward the sport of Cycling. It became my passion and it has now taken me all around the world.

Sport provides a range of physical, social and other benefits. On top of that, if you work hard it can take you to places you might never have imagined. Sport is about having fun with team mates and enjoying training and playing. Enjoy your time at these the NSW All Schools Cross Country Championships; meet and participate in the spirit of sport. Be respectful of officials, team mates, opponents and spectators. They are all an important part of your journey.

Just like I did, you are sure to meet new friends and hopefully one day you will look back at your time in school sport and appreciate it as a valuable part of your development.

Good luck in your future sporting endeavours!

Editor's Note: Kaarle McCulloch is one of the most multi-talented sports people to have graduated from the nursery of NSW public school sport. Kaarle was the recipient of nine NSWCHSSA medals across three sports (Triathlon, Athletics, Cross-Country). Her achievements at a state, national and international level are outstanding and include:

- 3 World Championship Gold medals, 2 Silver and 1 Bronze (Team Sprint)
- 4 Commonwealth Games 2 Gold medals, 1 Silver and 1 Bronze (Team Sprint, 500m Time Trial, Keirin and Sprint)
- An Olympic Bronze medal at the 2012 London Olympic Games (Team Sprint)

NSW School Sport is extremely proud of Kaarle McCulloch!

Education

Welcome from the NSWCHSSA President

Sport continues to play a pivotal role in shaping the Australian character, particularly among the youth of today. This influence extends beyond the realm of swimming to encompass all sporting disciplines coordinated by the New South Wales Combined High Schools Sports Association (NSWCHSSA). The Association remains steadfast in its commitment to offering a diverse array of sporting activities and opportunities to students enrolled in public high schools across the region.

For over 130 years, NSWCHSSA has been instrumental in providing competitive platforms across various levels, thank you to the dedication of passionate educators who tirelessly nurture the athletic potential of their students. I extend my sincere gratitude to the principals, coaches, managers, parents, officials, and participants whose unwavering efforts have contributed to the resounding success of our championships. Your contributions, often voluntary, are invaluable and deeply appreciated.

The year 2024 holds particular significance as it marks an Olympic Year, igniting aspirations among many of our athletes who aspire to pursue this prestigious pathway. To these athletes, I offer my heartfelt encouragement and best wishes as they pursue their dreams in both current and future endeavours.

It would be remiss of me not to acknowledge the tireless work of our Executive Officers whose commitment has elevated NSWCHSSA sport to its esteemed status as one of Australia's premier programs. My gratitude also extends to the parents and students whose continued engagement and participation enrich our sporting community.

To all competitors, I urge you to reflect on the significance of your achievements thus far. Qualifying for the NSWCHSSA level represents a remarkable milestone, underscoring your dedication and perseverance. It is essential to recognise the support network that has propelled you to this elite level of competition. Congratulations on your accomplishments, and I wish you continued success as you embark on the next chapter of your sporting journey.

Convener's message

It is my absolute pleasure to welcome our competitors, parents, team and event officials and supporters to the iconic Sydney Olympic Park for the 2024 annual NSW Combined High Schools Sports Associations Athletics Championship.

The NSWCHSSA Athletics championship has long been a breeding ground for excellence in track and field in Australia. From Olympic Gold medalists and former World Record Holders Betty Cuthbert and Marjorie Jackson, to the more recent heroics of 2009 World Champion Dani Stevens, the NSWCHSSA Championship has long been the start of very successful careers in track and field. I look forward to the next three days of competition to witness what I am sure will be some exceptional and exciting performances.

I am pleased to continue our partnership with Athletics NSW with their continued guidance and assistance in strengthening the knowledge and professionalism of our officials. I must thank all our officials in attendance this week for their time and professionalism. To our parents, team and event officials, and devoted supporters, your encouragement is a vital ingredient in our athletes' success. Your unwavering support provides the motivation that propels them forward.

As we embark on this journey of fierce competition and camaraderie, let us celebrate the incredible talent on display and the indomitable spirit of the athletes. Here's wishing every competitor at this year's athletics championship the very best of luck. May you forge unforgettable memories and leave a lasting legacy in the world of athletics.

History of School Sport

Prior to the establishment of the competitive school sport program in 1889, (which was prior to the commencement of the modern Olympic Games in 1896), most schools conducted games, dancing, gymnastics and rhythmic movement programs for students.

Schools also implemented both internal sporting programs and arranged competitive matches against other local schools. Many country schools travelled long distances to ensure young people experienced the challenges, benefits and enjoyment provided by competitive sporting opportunities.

In 1889, the NSW Public Schools Amateur Athletic Association was formed by a group of dedicated teachers to co-ordinate school sport in NSW. For the first 25 years the one single event that took pride of place on the calendar was the Annual Sports Carnival which took place at the Sydney Cricket Ground and the Sydney Showground (formerly Agricultural Grounds and now Fox Studios) at Moore Park.

Crowds of 40,000 – 50,000 spectators would gather to watch 12,000 students participating in events that included sprinting, walking, sack races and throwing a cricket ball, along with military type drill competitions. From these humble beginnings school sport has evolved into the current program that is organised by the NSW Primary Schools Sports Association and the NSW Combined HSs Sports Association. These organisations now offer over 60 state championships and 80 knockout competitions; involving over 300,000 students annually.

The timeline below reflects the place of school sport in the history of NSW and Australia and how public school sport graduates have progressed to represent their state and country in some of the major sporting events held globally over the past 130 years.

School Sport – For parents

Welcome and thank you for attending these championships and supporting your child. Parents, caregivers, coaches, teachers and volunteers play a significant role in the motivation and development of young people.

Due to the regularity of contact and the influence parents and caregivers have as role models for young people, they particularly have an opportunity to shape the behaviours, enthusiasm and respect young people demonstrate in their sporting endeavours.

Please find below some suggestions that might enhance the enjoyment of all those involved in the school sporting pathway.

1. Enjoy the journey.

- Sport is a journey that provides physical, social and emotional benefits for children. Enjoyment and having fun with friends is their greatest reward. You also share in this enjoyment.

2. It's better if the first question you ask your child is "did you enjoy it?" rather than "did you win?"

- Not every child is going to become a champion but every child has the opportunity to continue enjoying sport through coaching, managing or supporting.

3. Model good behaviours and never accept poor Sportsmanship from your child or their coach.

- Children learn more by seeing than hearing, particularly from people they care about. No matter what the circumstances, be someone they can admire and respect.
- Parents aren't judged on their child's accomplishments, however parents are often held responsible for their child's behaviour.

4. Your child's results should not affect your mood.

- Never get upset after an event where results don't go the way of your child.

5. Give your child space to grow and mature.

- All children are different. Accept your child for who they are. Fault finding makes the child question their self-worth. Letting a child know how much you care about them makes them proud and builds resilience.

6. Focus on the processes rather than the outcomes.

- Parents should understand that the best athletes focus on the process, because the result is often out of their control.

7. Avoid going over the top about your child's talent.

- Every sport has talented athletes, but for various reasons they do not always reach the pinnacle.

8. Encourage good attitudes.

- Good attitudes carry over into all aspects of life.

9. Support the coach, especially in public and in front of your child.

- If there is a disagreement, settle it privately.
- Negatively discussing other parents or coaches in front of your child can be detrimental
- No matter how private conversations are, they can become public very easily.

10. Build good relationships with other parents.

- Parents of your children's friends will often become your friends.

11. You should not compare your child's journey to another child's journey.

- Children mature at different rates. All children are different. Try to understand your child's views of the world around them.

12. If your child makes mistakes, let them experience the consequences of their actions.

- This is how they learn and grow and become independent, resourceful and confident.
