

Dear Valued Customer,

We want to keep you updated on some changes here at Oklahoma's *Choice* Weekly. For the time being, we will be delivering Oklahoma's *Choice* Weekly in digital format only.

This shift is temporary, and while we work through it, our mission remains the same: to connect you with the businesses, services, and opportunities that matter most.

What this means for you:

- You'll still receive the same weekly edition, now available on our website and our **NEW** mobile app.
- All ads and classifieds are included plus, our new digital format gives you more: Clickable ads that take readers straight to websites, social pages, etc.
- Video ads that bring businesses to life in a way print never could.

You can access Oklahoma's *Choice* Weekly anytime, anywhere, right from your phone, tablet, or computer.
