Braces & supports

ABOUT US

Founded in 2008 by Saeed Alqhatani in Jeddah, Anaya Orthopedic Industries specializes in high-quality prefabricated orthoses. With a 2,700 m² advanced facility in the Jeddah 2nd Industrial City and ISO 13485:2016 certification, the company aligns with Saudi Arabia's Vision 2030—delivering trusted orthopedic solutions across the region.

MISSION

To empower rehabilitation professionals in supporting individuals with physical disabilities on their journey to recovery.

VISION

To lead the orthopedic brace industry in Saudi Arabia through trusted manufacturing, clinical research, and strategic partnerships with rehabilitation centers nationwide.

TABLE OF CONTENT

PEDIATRIC	1-10
