

Bite

Specification

BISLEY

Bite, a clever twist on the standard pedestal.

Bite wraps neatly around a desk or workstation providing convenient storage – underdesk storage beneath, and flexible storage above. Every Bite comes with a postal slot and business card holder with the option of a cork bulletin board or whiteboard inside the lid.

Space-efficient and mobile, it's ideal for use in benching environments.

Features & Benefits

Available as a left or right-handed unit with many secure storage options customisable to suit your needs.

Mobile, so suitable for hot desking.

Postal slot and business card holder.

Reversible soft closing lid.

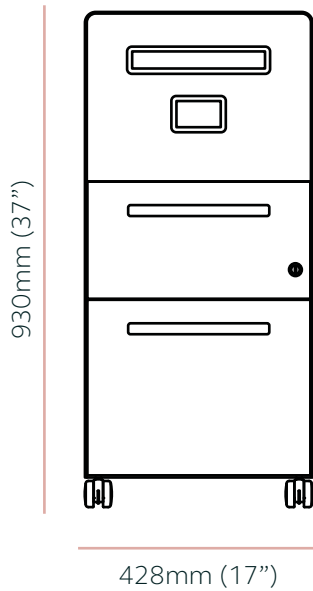

Bulletin board or whiteboard.

Minimum ten-year guarantee.

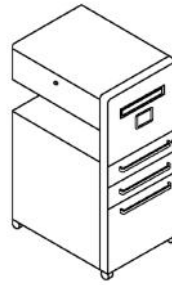

Range Overview

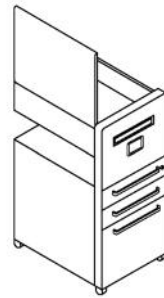

Both left hand and right hand Bite options are available.
Bite is 573mm (23") deep.

Right hand
