ABOUT GARB

Thank you for trusting Garb to meet your needs—it means the world to us.

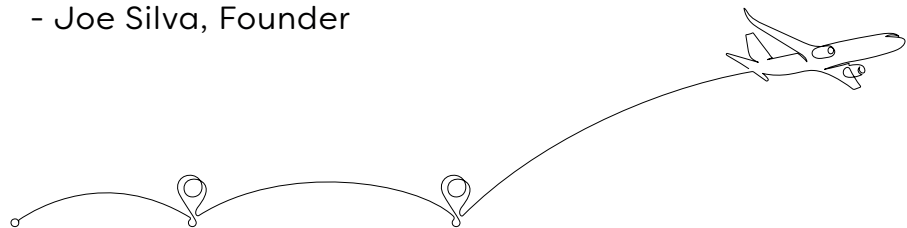

Twenty-eight years ago, I started Garb in the basement of my home in Evergreen, Colorado. That was also the year Tiger Woods turned pro. Back then, there was no such thing as kids' golf clothing.

Fast forward nearly three decades and Garb has grown into something truly special. Today, we proudly provide high-quality golf apparel for boys and girls of all ages, as well as top-notch Collegiate Apparel for over 600 colleges and universities across the country. Our reach has even expanded to the resort industry, where we offer the same exceptional designs and quality.

We're honored that the finest golf clubs and the biggest professional tournaments have chosen Garb as their preferred children's apparel supplier. It's a privilege to outfit the junior members of your club with stylish, comfortable, and great-fitting clothing.

Thank you for being a part of our journey. Your trust and support inspire us every day.

- Joe Silva, Founder

In Garb we Trust

Garb is trusted by some of the largest retailers in the Golf, Collegiate, and Resort markets. With over two decades of experience, we have proven ourselves as industry leaders who know what we are doing. When you choose Garb, you can trust that you are partnering with a company that is committed to excellence, reliability, and expertise in every aspect of our business.

One Stop Shop

Garb is your ultimate destination for kids' apparel, catering to sizes 0-14. We provide a wide variety of products, including fashion golf wear, tees, sweatshirts, and headwear. With Garb, you can simplify your sourcing process by obtaining a cohesive, well-merchandised assortment from one reliable vendor.

Our Capabilities

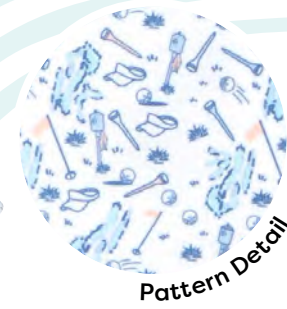

Garb decorates all of our products in-house in Denver, Colorado. We provide embroidery, screen print, sublimation, heat transfers, and patches of all types for you to choose from. Outside of decoration, Garb can provide other tools and services to help your business run smoother. This includes things like an art library, EDI connections, custom barcodes, hangers, poly bags, and more, just ask!

Sizing Made Easy

Kids sizing is hard, but we made it easy. With our age-equals-size system, every garment neck label lists the size and age range it fits. Now your shop employees become experts. Even dads and grandparents can pick the right size.

Superior Function Fashion Quality and Fit

At Garb, we pride ourselves on crafting clothing that is not only fashionable on the course but also made with superior quality and fit. Our garments are designed with performance in mind, using fabrics that keep kids cool, dry, and comfortable in all conditions. Whether it's a day on the golf course or any other activity, Garb ensures that kids can move freely and confidently.
