## IS COMPLETELY REMODELED

2399 Gause Blvd W. Slidell, LA 70460

## We've Upgraded!

### Check Out Our Remodeled Slidell Location

*Our Slidell location has received a major facelift, and we can't wait for you to see it! With a completely remodeled interior and exterior, we've created a more welcoming and efficient environment for all your trucking needs. Enjoy the benefits of our enhanced service areas, modern facilities, and dedicated staff ready to assist you with truck sales, leasing, rentals, parts, and maintenance.*

*Stop by 2399 Gause Blvd W. Slidell, LA 70460 or Call us: (800) 737-2931 to explore our new look and experience our top-notch service!*

*Founded in 2009 with the purchase of our original location in Lafayette, iTA Truck Sales & Service has grown into the largest international truck dealership in Louisiana. From these humble beginnings, we have expanded our footprint across the state, adding four more locations: Lake Charles, Slidell, New Orleans, and Baton Rouge.*

*At iTA Truck Sales & Service, we believe in the power of community and teamwork. While we now operate from five distinct locations, we don't see ourselves as separate entities.*

## The Story of iTA Truck Sales & Service

*We are united under a common mission: "One Team, One Goal." This philosophy drives everything we do and ensures that our customers receive consistent, top-notch service no matter which location they visit.*

# iTA TRUCK SALES & SERVICE

## “One Team, One Goal”

### Our Journey

#### Lafayette: The Beginning

Our journey started in Lafayette, where we set up our first dealership in 2009. This location quickly became a cornerstone of our operations, known for its exceptional customer service and a wide range of trucks.

#### Expansion Across Louisiana

Building on our success in Lafayette, we expanded to Lake Charles, Slidell, New Orleans, and Baton Rouge. Each new location was a strategic move to better serve the trucking community across Louisiana, bringing our comprehensive services closer to our customers.

At iTA Truck Sales & Service, our success is built on a foundation of teamwork and a unified vision. Our five locations work seamlessly together, sharing resources, expertise, and a commitment to excellence. Whether you're looking to buy a new truck, lease a vehicle, purchase parts, or get top-notch service, you can trust that our team will deliver.

Our goal is simple: to be the best truck dealership in Louisiana, offering unparalleled service and support to our customers. We are proud of our journey and excited about the future as we continue to grow and serve the trucking community across the state.

### Visit Us

Come visit any of our locations, experience the iTA difference and join our community of satisfied customers. Together, we are stronger. Together, we are one team with one goal.

#### Lake Charles

The Lake Charles location was our first step in expanding our reach. With its state-of-the-art facilities and dedicated team, it quickly established itself as a key player in the local trucking industry.

#### Slidell

In Slidell, we recently completed a full remodel of our dealership, enhancing our service capabilities and providing a more welcoming environment for our customers. This location exemplifies our commitment to continuous improvement and customer satisfaction.

#### New Orleans

Our New Orleans dealership brought iTA's high standards of service to one of Louisiana's busiest hubs. Here, we offer a full range of services, from truck sales and leasing to maintenance and parts.

#### Baton Rouge

Finally, our Baton Rouge location rounds out our network, ensuring that we can meet the needs of truck operators throughout the state. This location is known for its exceptional service and strong community ties.

## TOUGH, DURABLE, AND STRONG

### SHIFT ACTUATORS

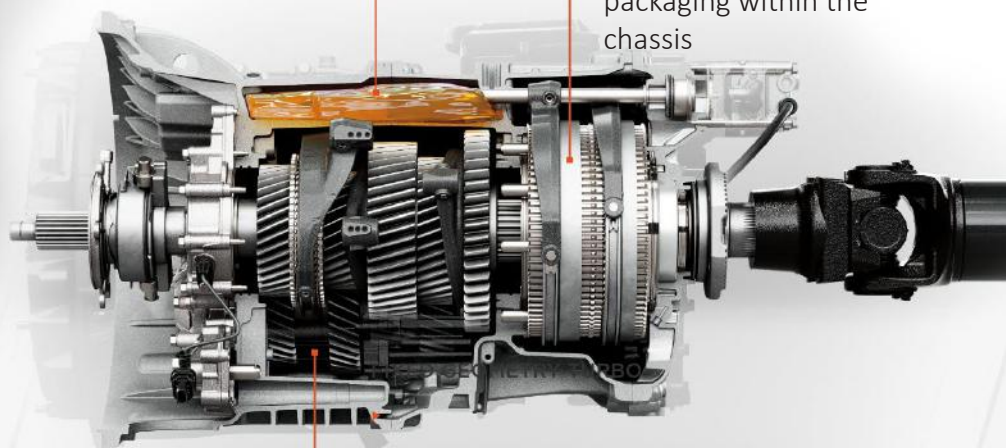

Shift actuator packaging was designed specifically for automated functionality (rather than adapted for a manual) allowing for more compact gearbox housing

### VARIABLE OIL LEVEL UPPER RESERVOIR

Oil is pumped to the reservoir under lower loads to reduce parasitic losses, allowing for the continuous lubrication of gears by the oil sprayers

### PLANETARY GEARS

The planetary gear set eliminates the need for a dedicated reverse gear, shortening the gearbox and allowing for better packaging within the chassis
