GALAPAGOS ISLANDS

Orbridge

Dear Alumni and Friends,

Imagine stepping onto the pristine shores of the enchanting Galapagos Islands, where each day offers a transformative experience. As you embark on numerous shore landings and various water excursions, you'll have the opportunity to experience the Galapagos' unique ecosystem up close, finding yourself surrounded by endemic wildlife in their natural habitat. The thrill of encountering blue-footed boobies, giant tortoises and the Galapagos penguin is unparalleled.

Snorkel through crystal-clear waters alongside playful sea lions, kaleidoscopes of colorful fish and graceful sea turtles. This is an opportunity to become part of their underwater world, a privilege granted to only a fortunate few.

As you venture into secluded inlets and stroll along sweeping white sand beaches, you'll feel a deep connection with the remarkable places that have captured the imaginations of explorers and naturalists for centuries.

Your expedition vessel for this voyage is the nimble, 40-guest *Isabela II*, designed to provide the ultimate in comfort and adventure. Relax on the spacious sun deck while admiring the panoramic landscape, take a dip in the hot tub, or re-energize with a workout in the fitness room.

This is a peak-season sailing for university and college alumni association travelers. With significant savings of more than \$1,000 per couple, we anticipate this program will fill quickly. To reserve, visit ku.orbridge.com or call (866) 639-0079.

Sincerely,
