Message

I would like to express my warmest greetings and congratulations to the graduating learners, faculty, school officials and staff for their Commencement Exercise for School Year 2020-2021.

On behalf of the Department of Education (DepEd), I am honored to be part of the accomplishments and milestones of this year's graduating batch. Despite being tested in an extraordinary time, our learners persevered and made valuable gains for their future.

While this historic season gave unprecedented challenges posed by the COVID-19 pandemic, I am confident that this new breed of Filipino nation-builders – one that has experienced unusual obstacles – will be vital in moving the country for the years to come.

Our heroes in the history of our country have faced many challenges without hesitation and fear to seek truth and freedom through education, and like those today who continue to go great lengths to assiduously provide support for our education, they stand firm in Jose Rizal's words, "Without education and liberty, which are the soil and the sun of man, no reform is possible, no measure can give the result desired."

Let this ceremony be a reminder that we can overcome anything through our concerted efforts. And with DepEd supporting you in every way possible, we will be able to respond to every challenge, especially in the basic education sector.

For our parents and teachers, we are greatly indebted to the dedication that you have given to your children during this crisis. Truly, your efforts have come to fruition as we celebrate this momentous day.

Let us continue to seek growth and opportunities for a safer, healthier, and kinder place to nurture our future leaders and nation-builders.

LEONOR MAGTOLIS BRIONES
Secretary

Warm greetings to all!

As School Year 2020-2021 draws closer to its end, you may look back to the many 'firsts' that took place during this school year. I hope that these unique experiences have taught you meaningful life lessons that you can bring with you wherever destiny leads you in the future.

I would like to congratulate you, dear graduates and completers for finishing your basic education, guided by the Basic Education-Learning Continuity Plan (BE-LCP) that was utilized by the Department of Education, in spite of the numerous unprecedented challenges brought about by the prevailing situation.

Despite inevitable threats, our resilient spirit will not allow the pandemic to cripple us and destroy our desire to deliver excellent education. This year's theme, "Strengthening the Quality of Education Amid the COVID-19 Pandemic" underscores our aim and reflects our collective efforts to sustain quality basic education that will produce holistic graduates, equipped with life-long skills, graduates who will help usher in a brighter future for the Philippines!

Likewise, I would like to congratulate all teachers and school heads for your support to the BE-LCP program of DepEd that education must continue despite restrictions on face-to-face conduct of classes in schools. It was very challenging on the part of teachers but also as challenging on the part of parents to ensure that their children would receive quality education in whatever modality was available and most appropriate.

Finally, to all parents and stakeholders who have continuously supported DepEd in all our programs and activities, my grateful appreciation for your unwavering support and commitment to the department.

Sa inyo mga giliw kong mag-aaral ng CALABARZON na magsisipagtapos, binabati ko kayo sa inyong matagumpay na pagtatapos! Kayo ang buhay na patunay na kayang magpatuloy ng edukasyon sa gitna ng pandemya.

Mabuhay!

Regional Director

Message

Good day Batangas!

I am deeply honored to witness this significant event in your lives.

To every graduating student, this day is a remarkable day to harvest the fruit of your labor. After all the endless battles brought by the challenges of the new normal which no one could ever imagine, we emerged victorious in this fight and this occasion is the most fitting climax to claim the victory.

To your parents, this is another milestone in their lives because, at the very instant, they became your teachers and eventually embraced the role, which was quite unfamiliar to many. Thank you, dear parents, for having your homes filled with so many stories of success and beautiful memories that you'll treasure for the rest of your lives.

This year's graduation theme "Strengthening the Quality of Education Amid the COVID-19 Pandemic" reflects every stunning struggle everyone has experienced, which made teaching and learning at home happen just as it was in the classroom. The pandemic times have been difficult, but your resilience, grit, and collaboration have brought you this far. Every school gave its best shot to create ways and means to continue learning amidst the shortages, threats, and difficulties of distance learning.

We can't underestimate the presence of our barangay officials and local government units for providing platforms to sustain our learning continuity plan. Everyone has taken his share in finding means to bring you here today.

You've gone through a lot of adjustments because of these changes. Vital concerns have been raised, such as the kind of instruction that will be provided at home, how your parents will manage learning at home and what class schedule will full-time working parents employ. How about your teachers? Do not forget how much they have gone through for your modules and worksheets, online and offline, before and after you have accomplished every page.

As your superintendent, I am so happy to share the excitement that you feel today. I wish you and your family enjoy all your triumphs ahead for the greatest glory.

Congratulations!

Masaya at mapagpalang araw sa ating lahat!

San Pascual Senior High School Uno! Dreaming Big! Doing Great! Soaring High!

Ang taong panuruan 2021-2021 ay sadyang kakaiba, natatangi at may kanyang kwentong dala sa bawat isa sa atin na bahagi ng pagsulong ng edukalidad. Sinubok man tayo ng panahon, hinamon ng sitwasyon at ginulat ng mga pagbabago, tayo sa Rehiyon 4A CALABARZON, Sangay ng Batangas, Purok ng San Pascual ay buong giting na naitawid at buong husay na napagtagumpayan ang maraming hamon na dulot ng pandemya.

Dear graduates, this year's theme, "Strengthening the Quality of Education amid the CoVid-19 Pandemic", tells us all how you have made it to this most challenging time. You were in the thunderstorm of uncertainties, but you gladly accepted the gift of history. Much has been added in your reservoir of knowledge yet your attitude remained a standout. You were not discouraged by the hurdles you had to endure. You embraced the demands of educational reforms with your ardent desire to make a difference to become worthwhile.

Congratulations for not giving up. Your perseverance and ineffable resilience brought you here today. I take pride in your most deserved achievement. The success of this memorable collective journey is indebted to our amazing parents, teachers, and stakeholders who were with us all throughout. Despite the lapses, shortcomings, and setbacks, you stayed. Thank you. Congratulations to you, too.

With all that has been, my admiration is yours. I salute you for this enormous leap. The best of luck in your future endeavors, Vanguard! Again, my warmest congratulations.

Message

Hail to you valorous Vanguarders!

Commencing through this educational arena for SY 2020-2021 was filled with cautious planning and mindful implementation. It gave rise to the development of the Basic Education Learning Continuity Plan (BE-LCP). It included the list of learning modality preferences and students' gadget availability to conceptualize the learning modality that best suits their needs. The deferment of the class opening did not deter DepEd from continuing education. Through the unified effort of the Department of Education and the external stakeholders, together, we emerged triumphantly. Now, we can look back and contemplate how far we have reached from that tough October 5- class opening. The hard work of your Alma Mater pays off as we see you march towards your next battles.

To our dear young Vanguarders, more than the academic and cognitive shift that this new learning modality has brought, we know that what had been more challenging were the moments of emotional breakdown, failure, hopelessness, and helplessness you endured. Similarly, we know that most of you have burnt the midnight oil to comprehend and grasp the lessons in your Self-Learning Modules to comply with the requirements. Meanwhile, others spent their days working and consumed the night catching up on the missed activities. Those sleepless nights were all worth it as you are now reaping the fruits of your labors. Let not the grades you attained validate who you are but use it as a driving force for you to propel higher towards your dream destination. The knowledge, skills, and values that this school year has equipped you with will serve as your armor and weapon as you stride through the real world.

We also would like to express our sincerest gratitude to the parents who never gave up despite the abrupt changes that the Covid-19 pandemic caused. Thank you for working with us hand in hand towards the realization of this dream. Your cooperation and commitment to this endeavor are manifestations of your love for your children. More so, the dedication of the Local Government Units and other private sectors as advocates of quality education strengthened this academic endeavor. Their continued support paved the way to push through quality education and imbibe the department's mantra, Sulong Edu-kalidad. Without our joint effort, things would have been more arduous.

These are testaments that through the orchestrated efforts and shared vision, nothing is impossible. Let us keep our hopes high and do not be discouraged. As we face the new chapter, let us be resilient and thrive through the pandemic. It is through education that we can combat the adversities in our lives. Education knows no boundaries. Let us continue dreaming big, doing great, and soaring high.

Congratulations, Batch 2020-2021!

Message of the Guest Speaker

To SDO Representatives who are with us today, To Dr. De Claro, the principal of this school, to all the teachers, parents, municipal officials, graduates, ladies and gentlemen, greetings of peace and safety everyone.

The most exciting part of being a student is yet to unfold. The ending of another chapter of your schooling and the beginning of the other. And every beginning sets excitement to all of us, until such time that excitement becomes challenge and challenge becomes struggle.

We are in this trying times but we are still committing excellence. We are in this pandemic but you still stayed positive and showed intense passion on doing the expected tasks from you. You, graduates experienced to fail but you never quit.

The journey was not as easy as the normal schooling like your previous years, but you stayed connected. You stayed with your goal of getting the diploma and the dream of giving a precious gift of brighter future to your parents.

They always say to never give up, but for me, it is never loss hope. Our strength has limitations but our vision is as wide as the horizon. We may get tired, its normal because we are human, but don't forget that you have your best weapon to achieve the goal you once made. That is the piece of paper that unfolds the many years of your basic education.

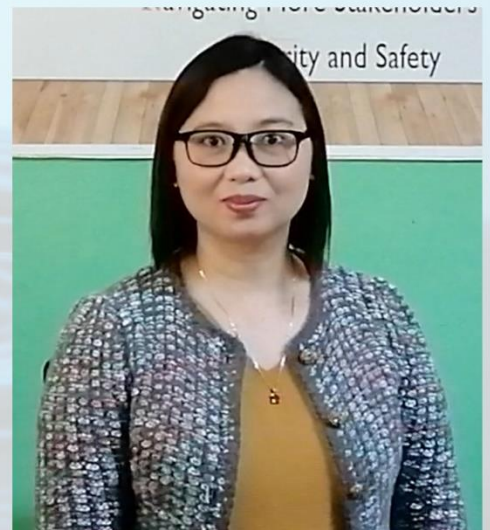

The experience we had as students of distance learning should be an experience of substance and relevance. We should value it, we should recognize the efforts of all the people who helped us in any way to just be here. There are many who lost hope and sometimes lost life during this pandemic but we are blessed with so much opportunity to live. Do not forget that.

This may be virtual but I know and I feel the sincerity of gratefulness among parents and graduates. This is the end of your basic education but the beginning of your chosen career. Strive even harder, live the values and the identity of being an SPSHS1 alumni.

Dream Bigger, Do greater and Soar higher !

Congratulations Batch 2021.

Go the Distance

Michael Bolton

I have often dreamed of a far off place
 Where a hero's welcome would be waiting for me
 Where the crowds would cheer, when they see my face
 And a voice keeps saying this is where I'm meant to be
 I'll be there someday, I can go the distance
 I will find my way if I can be strong
 I know every mile would be worth my while
 When I go the distance, I'll be right where I belong
 Down an unknown road to embrace my fate
 Though that road may wander, it will lead me to you
 And a thousand years would be worth the wait
 It might take a lifetime but somehow I'll see it through
 And I won't look back, I can go the distance
 And I'll stay on track, no I won't accept defeat
 It's an uphill slope
 But I won't lose hope, 'till I go the distance
 And my journey is complete, oh yeah
 But to look beyond the glory is the hardest part
 For a hero's strength is measured by his heart, oh
 Like a shooting star, I will go the distance
 I will search the world, I will face its harms
 I don't care how far, I can go the distance
 'Till I find my hero's welcome waiting in your arms
 I will search the world, I will face its harms
 'Till I find my hero's welcome waiting in your arms

Kanlungan

Noel Cabangon

Pana-panahon ang pagkakataon
Maibabalik ba ang kahapon?

Natatandaan mo pa ba
Nang tayong dal'wa ang unang nagkita?
Panahon ng kamusmusan
Sa piling ng mga bulaklak at halaman
Doon tayong nagsimulang
Mangarap at tumula

Natatandaan mo pa ba
Inukit kong puso sa punong mangga
At ang inalay kong gumamela
Magkahawak-kamay sa dalampasigan
Malayang tulad ng mga ibon
Ang gunita ng ating kahapon

Ang mga puno't halaman
Ay kabyak ng ating gunita
Sa paglipas ng panahon
Bakit kailangan ding lumisan?

Pana-panahon ang pagkakataon
Maibabalik ba ang kahapon?

Natatandaan mo pa ba
Nang tayong dal'wa ang unang nagkita?
Panahon ng kamusmusan
Sa piling ng mga bulaklak at halaman
Doon tayong nagsimulang
Mangarap at tumula

Natatandaan mo pa ba
Inukit kong puso sa punong mangga
At ang inalay kong gumamela
Magkahawak-kamay sa dalampasigan
Malayang tulad ng mga ibon
Ang gunita ng ating kahapon

Ngayon ikaw ay nagbalik
At tulad ko rin ang iyong pananabik
Makita ang dating kanlungan
Tahanan ng ating tula at pangarap
Ngayon ay naglaho na
Saan hahanapin pa?

Lumilipas ang panahon
Kabyak ng ating gunita
Ang mga puno't halaman
Bakit kailangang lumisan?

Pana-panahon ang pagkakataon
Maibabalik ba ang kahapon?

Natatandaan mo pa ba
Nang tayong dal'wa ang unang nagkita?
Panahon ng kamusmusan
Sa piling ng mga bulaklak at halaman
Doon tayong nagsimulang
Mangarap at tumula

Natatandaan mo pa ba
Inukit kong puso sa punong mangga
At ang inalay kong gumamela
Magkahawak-kamay sa dalampasigan
Malayang tulad ng mga ibon
Ang gunita ng ating kahapon

DREAM BIG. DO GREAT. SOAR HIGH.
