## The Spirit of the Scouting Movement

**A**s a young boy, I was always drawn to the Scouting Movement because of its activities such as camping, fire-building, knot-tying, tent-pitching, etc. It was always a good fun time filled with laughter, adventure, competition, dirt, mud, rain, and a few knicks and bruises.

These activities taught me the value of health and fitness, which is vital to perform well in these events. They also fostered the value of having presence of mind, which is critical for leveraging physical strength, endurance, and vitality.

However, the Spirit of the Scouting Movement cannot be encapsulated simply by the value of developing a sound mind and body. There is a purpose to the development of basic survival skills while being exposed to the elements of the outdoors. Scouting jamborees, where these activities are generally held, are the perfect breeding grounds for nurturing a life-changing lesson – INNOVATION.

Innovation is the ability to pivot from structured plans and adjust to evolving issues. It is the secret sauce that drives groundbreaking solutions and inventions. It is an integral life skill that pays dividends in our professions, businesses, and other endeavors.

On the other hand, it is also a source of anxiety because it urges us to try “a new way of doing things.” Change is unpredictable and often intimidating. The unknown, which is sought out by adventurous scouts, has lost its appeal for many for many cautious and calculating adults. But the truth is, the scale of our success (or failure) is proportional to our risk appetites.

The theme of our 33rd General Assembly is yet another reminder of our need to be daring and adapt to the changing times. It is already known that we are faced with recruitment challenges. Many have overemphasized that our organization cannot exist without our membership, that present methods of recruitment are no longer effective among the youth, more so in the new normal.

We must revive our sense of adventure and explore new tactics.

We are fortunate that our values are intertwined with the tenets of the Scouting Movement. Our lectures which have been deeply etched in our core, will always allow us to reconnect with the bold and tenacious scout within.

Find the young scout and channel that energy.

# MESSAGE

It is with distinct honor that I welcome you to our first GA since 2019.

Over the next three days, we will spend valuable time with each other. To be able to listen to voices we seldom hear but we value highly. Voices that have been drowned out by a pandemic and a contentious socio-political event. This assembly will now be all about you and our revered fraternity. About our scouting heritage while at the same time moving forward to our centennial and beyond.

Allow me first to clear our GA of the elephant in the room. Recent events brought upon us cracks in our society that crept into our organization. It has inflicted wounds so deep that it will take time even for families and friendships to heal. Fortunately, our Alpha Phi Omega bond allows us to heal faster than others.

In my travels around the country to attend APO events, I always leave with memories of warmth, solidarity and tight-knit brotherhood. Thus, I am confident that for both the politically and pandemically grieving and those who are rejoicing, we count on each other as we travel side by side into our future.

And now, for the order of business.

We must remain focused on our priority measures, among them, the huge task of revitalizing our membership through recruitment and activating as many members as we can. We endeavor to intensify our projects and sustain already nationally accredited ones dating back to previous NAO administrations. This includes our pipe dream of an apo building turning into reality.

Brothers and sisters, our ship has weathered yet another storm. I urge everyone to get on board as we sail into our great yonder and under one banner.

**SIS ATTY. NORMA SINGSON-DE LEON**

National President

DY 2021-2023

My dear brothers and sisters, welcome to our 33rd General Assembly!

I am very pleased that we are finally gathered for this occasion.

Without question, the COVID-19 pandemic has made a significant impact to our lives. Many jobs and businesses were affected. The economy was badly hit. And most of all, we sadly lost some of our brothers and sisters, family, relatives, and friends. Personally, I missed seeing all of you.

But even as we congregate with our masks on, the fact that we are together is a good sign. It gives me hope. We are in the new normal, but our trajectory is upward.

Also, I would like to thank the GA committee for successfully organizing this event which is themed "Balik Iskawting Ulit."

The theme, which means to revisit our roots, is very timely.

As we all know, we just concluded our national elections. Naturally, our country was torn by different political parties. Inevitably, these affiliations found their way into our organization, and we are affected to some degree.

I am hoping that in these coming days we will be reminded of our roots and that, despite our political beliefs, we will remember the values and principles that bind us together as Alpha Phi Omegans – brothers and sisters.

Thank you all for being here. Thank you for your unrelenting dedication to our great fraternity and sorority.

My firm left handshake to each and every one of you.

Sincerely,

**BRO. RICHARD MARK "ARCHIE" BUGARIN**

Chairman of the Board

DY 2021-2023

# MESSAGE

My dear brothers and sisters, it is my honor to welcome you all to our 33rd National General Assembly here at the Boy Scouts of the Philippines, Mt. Makiling, Los Baños, Laguna. This three-day event will be filled with activities that would bring us closer as an organization, and I encourage us all to participate in them. It is my fervent hope that the success of this event would pave the way for general assemblies with a similar concept in the future.

Perhaps the most highlighted of the Three Cardinal Principles of Alpha Phi Omega is Leadership and the most known by non-members is Service. Somehow along the way, we must have forgotten that first and foremost we are a fraternity and sorority, a group of men and women bound together by Friendship built on the commonality that is Scouting.

Respect is the foundation of our organization, and while respect for everyone is a part of the human social contract, mutual respect is easier with our unique fraternal bond. I believe that nothing is more worth pursuing than to strengthen this bond by looking back at what makes us who we are. As Alpha Phi Omega was founded on scouting principles, hence the thrust of this event is for us to go back to our scouting roots.

Amidst the backdrop of differences, political and otherwise, in and outside of APO, let us remember that we should stay true to our mission, which is to build bridges, break barriers, and uplift lives of our members and our fellowmen. We can do all this as one organization. A united APO is a stronger APO. Let us move forward by remembering that whatever divides us should not be stronger than what unites us.

Tara! Balik Iskawting...Ulit!

**BRO. CHARLIE "TSACK" B. CANADA**

Regional Director  
Region IV-A (CALABARZON)  
DY 2021-2023

Isang Mapagpalang pagbati sa ating kapatirang Alpha Phi Omega!

We are now in our 33rd National General Assembly, and as we participate in this very important activity of our organization, let us be reminded that this is the time that we deliberate, discuss, and decide on policies and direction that our beloved fraternity will embark on for the next few years, or perhaps, decades.

Let us be discerning, at the same time vigilant to what we believe will be the best course our membership, specially our leaders, should take for the betterment of our institution.

With utmost humility, let our cardinal principles of Leadership, Friendship, and Service, always guide us in the furtherance of our commitment to our beloved fraternity.

Let us "Break Barriers, Build Bridges, and Uplift Lives." May we always be!

Fraternally yours,

**BRO. EDGAR "EGAY" D. LLARENA**

ETA THETA-1986E-13844 Life  
Chairman, 33rd National General  
Assembly 2022 &  
Vice-Chairman National Board  
of Trustees DY 2021-2023

# APO ASSEMBLE, AS SCOUTS, UNITE

By Sis Maria Leonor R. Maulion, Kappa Omega

*“Brotherhood is the very price and condition of man’s survival”, -Bro Carlos P. Romulo*

A whole new concept for the National General Assembly was one of the platforms of then Regional Director candidate Bro. Charlie “Tsack” B. Canada (Delta Lambda '92) in 2019. While he did not secure the post that development year, the winning RD, Bro. Manolo “Lito” L. Arasa (Epsilon '81) took to his proposal and made it the central theme of the 2020 NGA. Balik Iskawting... Ulit was launched with an engaging video shot on the Boy Scouts of the Philippines grounds in Mt. Makiling, Los Baños, Laguna. Preparations were already underway then, but due to the pandemic, was shelved.

Fast-forward to 2021, Bro. Tsack is the Regional Director of Region IV-A (CALABARZON) with a refreshing set of platforms that include transparency and bringing

the regional leadership and administrative services closer to the members in the region. He started his administration by crafting the region’s Mission and Vision during the Induction and Strategic Planning in October 30, 2021. And then, as the non-election NGA was again awarded to the region, the Balik Iskawting...Ulit theme was revisited and relaunched.

The concept for this theme was taken from the very successful CAMPORAMA which Bro. Tsack was one of the pioneers. CAMPORAMA, which started in 1993, is a jamboree-style gathering of APO members which became one of the most successful and anticipated activities in the Bicol Administrative Region. This concept while new (as a general assembly theme) is not off-tangent, as APO is based on scouting, after all.

The BSP grounds is chosen specifically for the activities on the NGA program. It is most appropriate for the scouting preliminaries such as the campfire on the first night of the event. What used to be a typical reunion of chapmates will now be a chance to have activities characterized by inclusiveness. Everyone is encouraged to be involved in the activities set forth in the program. There is something for everyone.

A cultural night dubbed as the “Gabi ng Kulturang Filipino” and acoustic night will highlight the first day (Friday, June 3, 2022). A calisthenics activity headed by the collegiate members will start on the morning of second day (Saturday, June 4, 2022) to be followed by competitive scouting activities. Plenary is scheduled after the scouting activities, starting with entry of colors of all the regions; while

learning sessions and seminars are slated for the afternoon. Saturday evening is for the Chairman and President's Night, where there will be live band performance. And finally, a mega service will happen on the last day (Sunday, June 5, 2022). Collegiate members are highly encouraged to attend and participate, especially during the cultural night, the calisthenics, and the competitive scouting activities.

Collective effort brings this event into fruition. The committees for the NGA are nearly the same ones in the 2020 NGA; starting with NEVP Bro. Edgar D. Llarena (Eta Theta '86) as the NGA Overall Chairman; RD Bro. Tsack heads the Activity Committee; Bro. Ryan V. Penaflorida (Lambda Delta '97), the Ground Preparation Committee; Sis. Naelah May Amboy-Fernando (Theta '02), the Cultural Night Committee; Bro. Marc Sylvester P. Garcia (Eta Xi '05), the Scouting Activity Committee; Bro. Brent Thomas Villanueva (Epsilon '13), the Service Committee; Bro. Dick Erwin "Ricky" R. Battreal (Delta Xi '79), the Motorcade Committee; Bro. Jose Gregorio A. Lavapiey (Eta Theta '06), the

Logistics Committee; Sis. Hazel L. Gutierrez (Chi '81), the Food Committee; DRD Bro. Jose Magno C. Fortuna (Alpha Nu '99), the Security Committee; Sis. Marita Lapis-Barcia (Alpha Sigma '80), the Registration Committee; Bro. Apolinar L. Dimla (Lambda Psi '01) and Sis. Leny L. Gutierrez (Chi '83), the Accommodation Committee; Bro. Leonardo L. Cairo, Jr. (Zeta Theta '01), the Ways and Means Committee; and Sis. Reiniel Antonett B. Solleza (Eta Theta '13), the Public Relations Committee; Bro. John Martin L. Carandang (Mu Lambda '08) serves as the Secretary and Sis. Luz R. Jubay (Zeta Nu '84), the Treasurer. The participation and assistance of all the section chairmen as well as all the basic organizational units (BOUs)

in the region also cannot be discounted. The invaluable support coming from the micro-level makes a big difference in this endeavor.

Bro. Tsack hopes for a successful NGA with this theme, where APO members will do activities together as a group. A non-election national general assembly that when stripped down, will be remembered as a gathering of APO members in one place where we will have activities that will remind us of our scouting roots. As we go back to who we are, so shall we move forward as one.

*"All in all, it is a good life we are living, in a good world filled with good friends." - Bro. Carlos P. Romulo*

As we go back to who we are, so shall we move forward as one.

# Scouting Spirit Across Asia

It's not the number of meetings or activities that measures your scouting, but the way you live the principles of Leadership, Friendship, Service.

By Bro Al R. Dizon, Delta Alpha  
Regional Correspondent, Administrative Region of Asia (ARA)

**I**n the previous issue of Torch and Trefoil, I reported about the spirit of being home as one of the factors nudging the ARA-based alumni to move to live the principles of Leadership, Friendship and Service.

In this brief feature, I will highlight the other spirit: the scouting spirit in the context of the activities that transpired in ARA.

The scouting spirit, as we know it, are spelled out in the Scout Oath and Law, as well as motto and slogan. With the spirit moving among us, we are nudged to incorporate these ideals knowingly or unknowingly into our daily lives at home, at work, in our community, in our religious life, and even in our political life.

## Community Life

It was the scouting spirit that made possible APO's involvement in their host communities. Blood-letting continued to be a major activity by Hongkong, Singapore, Nagoya, and Siam AAs.

In addition to blood letting, beach clean up was also pursued actively across ARA. And there are signs that ARA will be increasing the scope of their "beach cleanup" commitments, to include parks, churches, and other facilities in the community that need cleaning.

An innovative community activity we noted was APO AA Siam's Valentine Activity in February that saw brethren distributing face masks and lucky bamboos. Good luck bamboos is part of Thai culture, and the service showed our brethren's understanding and appreciation of Thai culture.

APO AA Singapore's regular service of preparing food packets at the Willing Hands continues to attract brethren whenever it is held.

**“** Evaluating scouting spirit will always be a judgment call... **”**

## Religious Life

In Singapore, 15 APOAAS alumni members held their annual Visita Iglesia on Maundy Thursday by walking a 17-km odyssey under the Holy Week moon to visit and pray in eight iconic Catholic churches along the way.

They started the journey to the Church of Our Lady Queen of Peace before proceeding to the Church of St Stephen, Church of St. Michael, Church of St Alphonsus (aka Novena Church), Our Lady of Lourdes Church, St. Joseph's Church, Church of Sts Peter & Paul, and the Cathedral of the Good Shepherd.

They completed the journey before daybreak – just enough time to rest and fulfil their Good Friday obligations.

According to ARA Regional Director Paolo Ugale and APOASS President Malvin Jariel, the Visita Iglesia tradition in the Section started in 2016 to continue the practice of this beautiful Catholic Holy Week tradition.

Section 1 chairperson sis Joan Paula Cuya, said Covid-19 safety management protocols response prescribed a limited number of participants, group size and movement. "I am hoping it will be more relaxed next year so that more can participate."

## Politics

The scouting spirit was also evident by the way ARA members conducted their politics.

ARA RD Paolo Ugale is an Ilocano and a Bongbong Marcos supporter. A host of Bicolanos and known supporters of Leni Robredo hold responsible positions in the AAs under ARA's purview.

But their political partisanship do not hold sway over their APO life. As Bro Malvin said in a facebook posting:

*"Yes! Sa mga hindi pa po nakakaalam, pwedeng magusap ang isang Solid BBM at Kakampink nang hindi nagbabangayan. Lalo na kung ang pinaguusapan ay kung paano makakatulong sa kapatid na nasunugan at sa mga kababayan natin na naapektuhan ng bagyong Agaton. Unahin ang serbisyo bago pulitika."*

APOAAS brethren also came forward to support the absentee voting operations at the Philippine Embassy when overseas voting begins in April.

Under sun and rain, and in the true spirit of scouting and service, expect APOAAS volunteers to assist in perform crowd control, access control, yeoman duties, safety management and first aid, to support the operations of Embassy staff.

RD Paolo Ugale is obviously beaming, full of praise of the efforts of members in living their lives APO brethren around the region. "I thank the general membership on their continued support and services, despite the covid restrictions in our respective countries. This year, some countries are easing the restrictions, but may I remind everyone, that safety comes first. Our health is our utmost priority."

Evaluating scouting spirit will always be a judgment call, but our ARA officers have the feel for it. Members across the region know it. And we do not measure this scouting spirit by counting the number of meetings and outings attended. It is within us. We live it. And we manifest it by the way we live our lives in the foreign host communities we are currently a part of. -30.

# I AM AN APO, I AM A SCOUT

By Sis Maryam Padayao, Theta Zeta, APO Bahrain  
Regional Correspondent, Administrative Region of Middle East (ARME)

96 years since Alpha Phi Omega was founded, the spirit of the scouting movement continues to live within every brother and sister. Our identity as a scouting-based organization is carried into our program of service to our fellowmen, breathing soul into the motto leadership, friendship, and service.

As applicants we were taught to reflect on the importance of these values and as residents, to live by them. The primacy of the scout oath and law in our identity glosses over our commitment to go way and beyond in fulfilling our duties as men and women of service. Thus, not only does scouting aligns our actions and aspirations in becoming productive members of society, but it also allows us to make meaningful and purposeful interactions with everyone and everything around us.

Being an administrative region organized by OFWs and Filipino migrants, the scout oath and law is not just a promise but a challenge that our sense of duty shall always be summum bonum. A challenge that shall motivate us to push our services into newer and bolder heights. As a scouting-based organization, our services not only propel members to establish a constructive role in society but also allow us to fulfill our duties to the three pillars of the scouting movement.

## Duty to God

Alpha Phi Omega acknowledges the pivotal role of the divine in the formation of its members. Extending the same appreciation and love to His creations is among the requisites of this duty. Through services such as information and cleanup drives that aim to preserve and empower individuals to care for the environment as He had cared for us, does Alpha Phi Omega honors this duty.

“

*Our identity as a scouting-based organization is carried into our program of service to our fellowmen, breathing soul into the motto leadership, friendship, and service.*

**Duty to others**

As no one is an island, we must tend to others, especially those who cannot afford to care for themselves; readily provide service without reservations or prejudice, and be a helping hand when help is scarce. Providing services such as medical missions, community outreach programs, and blood donation drives which are otherwise not easily accessible to the beneficiary communities is what our duty to others entails and one we would gladly fulfill.

**Duty to self**

Self-improvement and development are also entwined to the notion of duty to self, to develop one's potential with the organization. As the intrinsic nature of duty to self is tied to other duties, we help ourselves grow by helping others grow. As scouts, the process of building and challenging oneself thus, apart from working individually in becoming a man/woman of character, is to take part in other people's development as well.

Individually or as a collective, we cannot hope to capture the impact of scouting our ways as APO in a few pages of paper. Doing so would mean writing every story and encounter of the hundreds of thousands of brothers and sisters whose growth has been guided by the scout oath and law. In the end, to fulfill these duties as a scout and member of Alpha Phi Omega is to be aware of one's capacity to touch lives in more ways than one. Like those before us and the ones that will come after.

# Baler Welcomes its 1st APO - Rover Scouts Circle

By Sis Jackiko Mascareñas, Epsilon Kappa

*Alpha Phi Omega is a collegiate service fraternity founded on Scouting principles. Our founder Frank Reed Horton's vision, "As scouting is worldwide, so should Alpha Phi Omega be worldwide"*

I recall having this conversation with residents of Mu Rho and PC-094 during the Collegiate Talk in Baler last December 2021. One of the issues they noted when applying for APO ID is the lack of requirements such as Rover scouting. We told them about our virtual Rover and the ANCOS

(Alpha Phi Omega National Committee on Scouting), which is actively striving to promote scouting in our fraternity. During our assessment meeting, I brought this up with the CLAR directorate. Baler's Section Chair, Brother Marco Guerrero, stated that they will make it happen. They began coordinating with the local BSP in Baler and the APO National Committee on Scouting a few weeks later.

The very first Rover Orientation, Vigil and Investiture Ceremony in Baler was held thanks to Bro. Marco's leadership and the cooperation of Sis Melissa, Mu Rho, PC-094, and the rest of the alumni and residents of CLAR Section 1.

It was held on April 9 and 10, 2022 at Villa Guerrero in Brgy. Buhangin. Mr. David Bannawi – OIC Council Scout Executive of BSP Aurora Provincial Council, led the Opening program. The activity was facilitated by Chairman Bro. John Tenchavez, Bro. Richard Ariston, Bro. Romel Marpuri and the rest of ANCOS team.

During the two-day event, the participants had the chance to learn new things and share their experiences and skills through the outdoor team building activities, group presentations, lectures, and discussions.

A total of 28 participants have successfully completed the Rover Orientation, Vigil and Investiture Ceremony. These participants aim to uphold the principles of Alpha Phi Omega throughout their lives by embedding the Scout Oath and Law principles in them.

Alpha Phi Omega  
Philippines Incorporated

# Congratulations!

TO THE

# 33RD NATIONAL GENERAL ASSEMBLY

## APO Ph Communication and Information Committee

Responsible for developing, updating and monitoring APO Philippines communications policies, social networking accounts, and electronic discussion groups, as well as to recommend new ways for APO Philippines to communicate with its members and to the public through alternative media.

Coordination with NED and NES for proper dissemination of new resolutions/policies, minutes of the meetings, and other pertinent documents thru our official newsletters and FB group accounts.

The office will be the one to finalize information content on issues that require member information and/or public information, and shall craft press releases for the quad-media.

### Projects & Services:

# DONATE BLOOD TODAY: BE A RECIPIENT TOMORROW

By Bro William M. Ay-Ay, Xi Xi

*"It is not just about giving blood, but it is an act of kindness that saves the lives of thousands of people. Be a hero, a real hero in someone's life."*

**S**trengthening the existing Blood Donation Services Networks of Alpha Phi Omega and improving the delivery of safe, adequate, accessible and affordable blood supply to health facilities are essential to improve the delivery of most needed quality blood to the community and to our fraternal beneficiaries.

Recognizing that the dependence on the paid blood donation system through commercial blood banks has unduly exposed the Filipino people to dreaded diseases and that the best ways to prevent further contagion of blood transmissible diseases is voluntary blood donation by removing monetary incentivization, the Alpha Phi Omega Philippines represented by our National President Atty. Sis. Norma Singson De Loen exchanged pens with the Department of Health,

Philippine Blood Center under the National Voluntary Blood Services Program represented by the head of the PBC, Dr. Dennis Dayao L. Ordoña, MD during the signing of another successful series of Memorandum of Agreement last May 19, 2022 at the PBC Building, Quezon Avenue, Quezon City.

Present during the event are the National Executive Director Sis. Evelyn Cañete, the Regional Director (EVAR) Sis. Gina Liza

the same thing since time immemorial. The signing is yet another level of recognition that we are in it together to hold a standardized mobility in blood donation drives nationwide.

With the memorandum of agreement, all supplies, technical equipment and all promotional material needed in every mobile blood donation shall be provided by the PBC. The promotion and awareness campaign prior to the scheduled dates of every blood donation drive will be arranged and done through joint efforts while all promotional material will be supplied by the PBC.

Jimenez, Regional Director (NCAR) Bro. Kevin Dy, Regional Director Collegiate (NCAR) Bro. William Ay-Ay, Deputy Regional Director (NCAR) Bro. Jayson Galimba, NCAR Secretary Sis Eloisa Balajonda, NCAR Sec. Chair. Sis. Joan Fortin, NCAR Sec. 3 Chair. Bro. Jansen Lim, National ID Officer Sis Ma. Cristina Badion, National Photographer Brod. Nick Macabeo, Bro. Pole Dimla, Bro. Ramon Villones, Bro. Arturo De Leon and Bro. Rali Diaz.

APO shall get a maximum of thirty percent (30%) of the total blood units collected as needed during the duration of the agreement. The blood will be provided by DOH-NVBSOP-PBS and will be available to the recipient of blood/blood products upon endorsement of the Kabalikat Partner Coordinator appointed by the APO National Office.

All Chapters having plans of conducting Blood Donation Drive services in the future can closely coordinate with the National Office for the needed support.

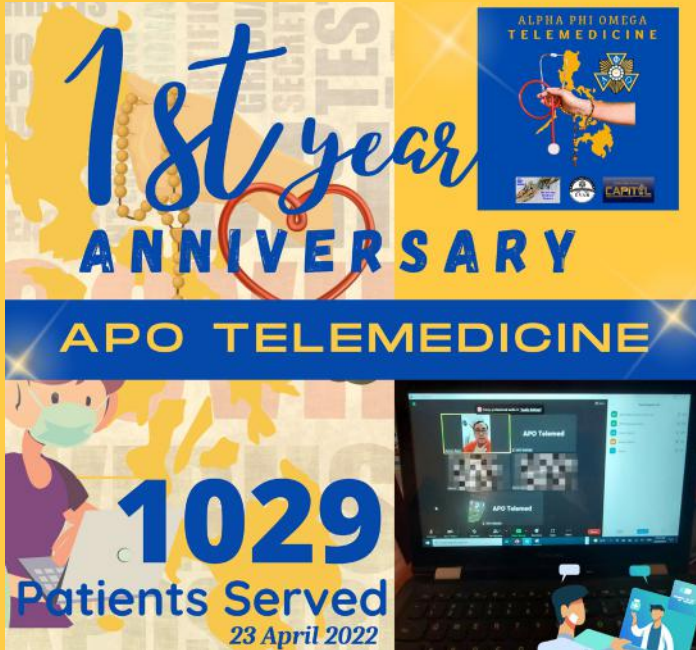

The parties envision by helping the Department of Health institutionalize voluntary donation activities in schools, churches, government and non-government organizations. We also acknowledged that collaboration and cooperation between government and non-government institutions are effective strategies towards the promotion of the people's health. Organizations such as ours are potential sources of blood and play an active role in the dissemination of benefits of voluntary blood donations.

We cannot deny the fact that blood donation has always been a list on the bucket of services. Every chapter has been doing

### HOW TO BE A DONOR & SAVE LIVES

All potential volunteer blood donors will be physically examined with hemoglobin determination prior to donation. Screening tests for Hepatitis B and C, Malaria, Syphilis and HIV will be done on all units of blood collected. In the event that a potential volunteer blood donor is found to be reactive for any of the above tests, PBC shall provide the concerned individual with free counselling on medical health issues that needs to be addressed. Donors should be between the age of 16-65 (with consent for minors) and acceptable weight is 50 kgs and above.

# One Heart: The APO Telemed Kind of Love

By Sis Chary A. Diño, Eta

When you have not just one or two but 5 people around you who have fallen ill with the Covid-19 virus, you realize there also needs to be 'more of you' to make sense of what is happening. That initial feeling of confusion sets in, «What am I supposed to do now? My whole family has been infected. And yes, that includes me now.» Those were the thoughts running inside the mind of my niece, let us call her by the name Melissa. She is the eldest daughter of my older sister, who is also a member of the Alpha Phi Omega.

Melissa has 2 children and together with her husband and members of their household they had Covid-19, all at the same time, on October 2021. She did not know yet about the APO Telemed but called me one Sunday afternoon to ask for my advice on what to do. That feeling of helplessness can overwhelm anyone who finds out that he or she is afflicted with this dreaded sickness. Hearing many deaths around you and having just experienced two deaths in their families (the uncle of my niece on her father side and the brother of her husband), it was the notorious Delta variant that caused the surge at that time and it was unforgiving for many. My niece, who had been given the run around by her HMO and did not know when their online appointment would be, was feeling desperate and afraid already. I quickly thought about the APO Telemed as I was at an APO event that day she called me.

Melissa was immediately given an appointment that evening to meet with an APO doctor the next day. But first, she had to fill up a google form for each of her family member. That is a very important part of the process. Through this form, the team of volunteers can easily process the request as it already gives a thorough background of the patient. What her family's HMO could not give her for several days, the APO Telemed was able to provide immediately. In no time, she and her family were meeting with the APO doctor and from there, many decisions were made right away. Melissa was so happy and thankful that the doctor was able to answer all her queries and because of this, she was able to make a plan of action for her whole household. They were given (for free) specific medicines that needed to be administered right away and a complete Covid kit. One cannot tell at the onset if their case would be mild, moderate or severe and so the next coming days were absolutely the most crucial ones. Her two boys, as it turned out, had two different cases, the younger one (9 years old) had it mild with very light symptoms but her older one (11 years old) was experiencing moderate symptoms already after a few days due to his comorbidity, his asthmatic condition.

What is the heart and soul of APO Telemed? It is the immediate action given to APO members and their families when Covid hits hard. Through the volunteer staff of APO members, it is giving their patients exactly what they need- the assistance, the attention and guidance in this very desperate time. Immediate action allows the symptoms to be arrested. With Covid, early detection is paramount for survival. The heart of Telemed is also found in the APO doctors who selflessly give their time, effort and dedication especially when every case is urgent and the patients are overwhelmed and at a loss on how to proceed with the recovery. Knowing you have someone to talk to right away pacifies the panic and distraught which is often caused by not knowing what to do next. And when the patients are completely informed and given all the necessary instructions on what to do, what medicines to take and how to track the illness, each patient can have the peace of mind to be able to focus on their recovery.

Melissa and her whole family survived their 2021 Covid ordeal. It was not without its challenges but when relatives and friends found out about their journey, they were all so overwhelmed by role that the APO Telemed had played. For a very minimum cost of P200 for non-members and free of charge for APO members, patients receive medical care that is optimum and at par with even the best HMOs. It has helped save close to 800 APO members, their families and household and continues to play a big role in giving health care through tele-consultation even to non-covid illnesses. And it is because of this service that the Alpha Phi Omega Philippines can truly say that it looks out not just for the wellness and care of its brothers and sisters, but it has become a pillar to lean on during the most difficult times.

# APO - MMDA PARTNERSHIP: MILESTONE FOR ALPHA PHI OMEGA CARDINAL PRINCIPLES OF SERVICE

By Sis Myline R. Valencia, Gamma Pi

**A**lpha Phi Omega Philippines Incorporated marks another history being the first ever fraternal organization partnered with Metropolitan Manila Development Authority (MMDA) in providing services, awareness and training that will be beneficial to the general public and the community.

Memorandum of Agreement was executed on March 16, 2022 between APO Ph National President Sis. Atty. Norma Singson-de Leon, APO Ph National Vice President for Alumni and Environmental Committee Chair. Sis. Nancy Go and MMDA Chairman Atty. Romando Artes with Usec. Cris San Juan at MMDA Chairman Atty. Romando Artes at the MMDA Headquarters EDSA cor. Orense St., Guadalupe Nuevo, Makati.

Other members and committee heads of APO Ph witnessed the MOA signing.

According to NP Sis. Norma, this partnership is a milestone for Alpha Phi Omega cardinal principles of service, aligned with government national services.

APO regularly extends community-oriented services and projects such as clean-up drives, disaster relief operations, urban renewal and environmental protection activities, among others.

This is a venue to build strong partnership between the government and private sector in implementing development programs and projects; create awareness on the programs of the government; and provide

private individuals and groups with volunteering opportunities in government.

MMDA performs planning, monitoring and coordinative functions, and in the process exercises regulatory and supervisory authority over the delivery of metro-wide services within Metro Manila without diminution of the autonomy of the local government units concerning purely local matters. It approves metro-wide plans, programs and projects and issues rules, regulations and resolutions deemed necessary by the MMDA.

MMDA admits that they need extra force multipliers due to their wide scope which covers the cities of Manila, Quezon City, Caloocan, Pasay, Mandaluyong, Makati, Pasig, Marikina, Muntinlupa, Las Piñas, Parañaque, Valenzuela, Malabon, Taguig, Navotas and San Juan and the municipality of Pateros.

In an interview of APO Ph Committee on Information and Communication, MMDA Chairman Atty. Artes said, »Kami ay nagpapasalamat sa Alpha Phi Omega sa pagbo-volunteer po at sa tie-up partnership na ito

malaking tulong po ito sa aming mga programa particularly sa aming clean-updrive sa atin pong rescue.»

Included in the MOA that APO and MMDA will collaborate and cooperate with each other in order to fulfill their respective objectives and mandates in serving the community and the country. The MMDA will provide APO the requisite training, materials, tools, and equipment in order to safely and efficiently conduct the latter's community-oriented services and projects. APO can provide manpower to support MMDA's projects.

Meanwhile, a month after MOA signing, the 1st Joint Clean-Up Drive of APO Ph and MMDA was successfully performed in Baseco - Tondo, Maynila on April 16, 2022, Saturday afternoon. Attended by MMDA staff and members of Alpha Phi Omega from different chapters and alumni associations.

This is just the beginning of a hand-on-hand public-private partnership in serving our fellowmen and our nation. There would be more join force APO-MMDA activities empowering everyone to support the act of volunteerism.

# ON NATIONAL SERVICE FOR HEALTH: PROVIDING HEALTHCARE SERVICES IN APO

By Sis Nadia Espanol, Omicron Alpha and  
Sis Dr. Edna Corpuz-Navallo, Eta (NSH Chairman)

**T**he Committee on National Service for Health continued to exhaust measures in providing utmost and newly designed services within and outside the circle of Alpha Phi Omega.

**HEALTH WEBINARS.** In celebration of the local founding anniversary, it has conducted its first Health Webinar for the Laymen with APO doctors as speakers on March 1, 2022 via Zoom teleconferencing with more than 170 attendees. Topics discussed were Mental Health: PTSD and Stress Management by Dr. Ronnie Lesaca, Eta (Psychiatrist); Women's Health: AyPinayOk ka ba? by Dr. Edna Corpuz-Navallo, Eta (Ob-Gyn); Men's Health: Tol! Prostata nAPO sila by Dr. Ed Vizmonte, Alpha Phi (Urologist); and Cardiac Health: Dr. Dodee Rigor, Alpha Phi (Cardiologist- Interventionist). The Webinar Service Team was manned by Dr. Ed Vizmonte, Dr. Kathleen Miranda, Dr. Ian Tristan Vergara, Dr. Cheantal Sunga, Sis Maryam Padayao, and Sis Nadia Espanol. Moderator for the Q & A was Dr. Ramon Reyes. The online event was hosted by Dr. Edward Allan Flores.

**HEALTHCARE ON WHEELS.** The Healthcare on Wheels Part 2 Anniversary Service was held on March 1, 2022 from 7am to 3pm at the Quezon City Circle with a total of 59 patients. Laboratory services through a mobile lab was rendered to APO members, families, and friends. Project leader was Sis Madel Camposano-Kho and she was assisted by brods and sis who, mostly, were nurses.

**BLOOD TYPING SERVICES.** Ang dugo mo ita-tyPe kO is a new advocacy project of NSH under the leadership of committee member Dr. Ferdinand «Ding» Abon. The first wave of service took place on April 2, 2022 at the Brgy. Hall of Sta. Rita, Guiguinto, Bulacan. They were able to blood type 105 patients, pediatric to geriatric, from APO families and friends. This service is a joint project of APO NSH, APO MAFI, APO Bulacan AA, and APO Greater Los Angeles. The 2nd wave Easter Sunday Service was held on April 17, 2022 - River View Farm on Marquez FamilyBrgy. San Roque, Angat, Bulacan with a total of 212 patients from 5 months old to 78 years old.

**MEDICAL MISSION COLLABORATIONS.** NSH services had also reached our brothers and sisters in Mindanao. Its first collaborative service (medical mission) and third partnership in the Mindanao regions (first and second during the typhoon last December) took place. NSH donated vitamins and medicines for ANDAA (Alpha Phi Omega ng Davao City Alumni Association) mega medical mission on May 14, 2022 where it catered more or less 500 patients (full article on the next issue of TNT).

**INCOMING PROJECTS.** The committee aims to extend more of its help thru resources in terms of donation of vitamins and medicines for NCAR's Isabela Medical Mission and the like in any other regions as necessary. Another significant step is the procurement of circumcision instruments that could be utilized in the different circumcision services. Its next and second Webinar will be held on June for the Kidney month c/o Dr. Ronnie Lesaca and Dr. John Paul de Leon and the third webinar (Dental) on July to be organized by incoming APO DAP President, Sis Janina Javier. The next wave for the blood typing «Ang dugo mo ita tyPe kO»

will be in Dona Remedios, Bulacan by the end of June 2022. NSH also was starting to build and unite healthcare professionals from different fields through organizing APO Allied Medical Professionals AA led Sis Nadia Espanol and Sis Madel Camposano-Kho. It aims to conveniently gather up nurses, physical therapists, medical technologists, occupational therapists, and other healthcare professionals in APO who could serve in any activities not only in the NCR areas but as deemed necessary for other regions. There will also be a Circumcision Workshop on the last quarter of 2022, to be organized and facilitated by APO NSH and APO MAFI. This will be for the non-medical brothers and sisters who are willing to volunteer during medical missions. NSH will issue a certificate of completion and can make this requirement for the non-doctors. The volunteers will be required to commit to join tuli missions at least three times a year. In its adherence to protocols and the drive to provide the best healthcare there is for APO, the three entities, NSH- APO MAFI- APO DAP established the Guidelines on Medical-Dental-Circumcision Mission which will be disseminated soonest.

# APO ACADEMY IN ACTION

**A**PO ACADEMY rendered its technical expertise were its members served as guest speakers or lecturers in the activities of the basic organizational units (BOUs).

One such engagement was during the GPAC Summit of the Eastern Visayas Administrative Region held on March 20, 2022 at the Price Mansion Hotel, Tacloban City. Bro. Alfonso Labrague talked about the tenets of leadership and how it can be used to promote member and organizational development.

Similarly, Bro. Aldridge Angelo Zablan represented the APO Academy and delivered a talk on the APO Pledgeship Program and Anti-Hazing during the virtual orientation of APO Epsilon Kappa Chapter on April 30, 2022 titled "Why APO? Breaking the Stigma on Fraternities".

## Scheduled of Activities:

- |                |   |
|----------------|---|
| May 28         | Alumni Congress Mindanao Leg  |
| June 7-8       | Basic Occupational Safety and Health Training Course for Safety Officer 1   |
| June 20        | Webinar about Internet Code of Conduct, Brand Guide, and How to Organize a chapter in partnership with APO Committee on Membership. |
| June 27-July 1 | Construction Occupational Safety and Health Training  |

Please like and follow our page for updates  
<https://www.facebook.com/apoacademy/>

# APO COLLEGIATE: SET THE SEAL ON GPAC SUMMIT 2022

By Bro William M. Ay-Ay, Xi Xi

Hope is created at the intersections of passion – a desire for something greater, perseverance – the need to prevail against great odds, and faith – the belief that there could be something greater beyond those odds. When a leader or organization is facing its darkest days, the crisis of the pandemic for instance, hope is what gets us through and that is what every APO should have in mind as future leaders of the community.

The crucial role of every resident member of Alpha Phi Omega Philippines towards growth and development through quality recruitment despite the hurdles we are taking is well acknowledged and one of the priorities of the newly elected National Officers headed by our National President Atty. Sis. Norma Singson De Leon.

The diminishing number of residents nationwide becomes a battle cry of the organization where limitations and the process of online recruitment and initiations are always a hot talked-about topic, which perhaps almost remain in question and unresolved.

In these trying times so to speak, it is important to not only keep our leaders' spirits up, but also the spirits of those frontliners who are somehow barefooted to the execution of APOs organizational goals.

One of the flagship programs of the National Collegiate officers which was successfully launched last development year and adopted by the current leadership- the APO Collegiate GPAC Summit 2022 was attended by almost 600 empowered Grand/ Grand Lady, Prime/ Prime Lady, Auxiliary/ Auxiliary Lady Chancellors nationwide.

The purpose of this program is to guide every chancellor towards understanding the course of change as far as recruitment is concerned, proper execution and assist them on how to deal with various challenges that they might encounter ahead. This also served as a venue to better understand each other despite demographic differences, meet their counterparts and promote usual friendship through fellowship.

Bro. Gil Paulo Gomez, National Vice-President for Fraternity Affairs- Trustee; Sis. Noreen Adino, National Vice-President for Sorority Affairs-Trustee; Sis. Quincy Claire Turiano- National Trustee for Sorority Affairs; Bro. Christian Santiago, National Trustee for Fraternity Affairs; together with Sis. Romerlin Kristi Garcia, Chairman-Committee on Membership headed the summit, divided the area by leg represented per region/s and was actively participated as follows;

# APOPH

COLLEGIATE  
GPAC SUMMIT 2022

<p>February 16-17, 2022</p> <p>February 19-20, 2022</p> <p>February 22-23, 2022</p> <p>February 26-27, 2022</p> <p>March 12, 2022</p> <p>March 19-20, 2022</p> <p>April 1-2, 2022</p> <p>April 3, 2022</p> <p>April 9, 2022</p> <p>April 10, 2022</p>	<ul style="list-style-type: none"> <li>• Region 10, 11 &amp; 13 - 39 Participants</li> <li>• Region 12 &amp; BARMM - 56 Participants</li> <li>• Region 9 - 47 Participants</li> <li>• Region 5 Bicol - 82 Participants</li> <li>• Region 6 - 31 Participants</li> <li>• Region 8 EVAR - 82 Participants</li> <li>• Region 1, 2 &amp; CAR - 64 Participants</li> <li>• Region 3 CLAR - 86 Participants</li> <li>• NCAR - 50 Participants</li> <li>• Region 4A - 33 Participants</li> </ul>
---	---

The event which was held for a day or two focused on the discussion and introduction of RA 11053- Anti-Hazing Law and its implementing rules, the Enhanced APO Pledge Program, the APO Pandemic response Recruitment Guidelines and Roles and Responsibilities of the Residents and Leadership Seminar/Workshop. Each participant was given the opportunity to express, understand and post related questions in an open forum or group discussion.

There was an evident sense of excitement, celebration and competitiveness to every preparation headed by the respective Regional Directors for Collegiate. That, with the added support of the regional alumni made the program even more remarkably a success.

...hope is what gets us through and that is what every APO should have in mind as future leaders of the community.

# NAVIGATING OPPORTUNITIES AMID UNCERTAINTY

**T**he Committee on Membership has, in line with the directive to break barriers, build bridges, and uplift lives during Development Year 2021-2023, sought to be a transformational leader in promoting the progressive development and expansion of membership in Alpha Phi Omega.

## **The Committee on Membership in 2021**

In its first four months of service, it has been the custodian of institutional integrity, ensuring that members and officers act with good conduct and compliance to existing laws. It has sought to go beyond promotion, and uprightly enforce our renunciation of violence in all forms in membership and recruitment. In cooperation with our Board of Trustees, regional officers, and other chapters and associations, it has promoted alternative practices in compliance with RA 11053, the Anti-Hazing Law of 2018, and apprehended and investigated any such acts tending to the opposite.

It has furthermore continued the good work of promoting the formation of new collegiate chapters and alumni associations. From our appointment to office in October 2021 to the the end of the year, CoMe has happily recommended the following organizational units for recognition, who have now become chartered institutional members of APO Philippines, Inc:

1. APO Beta Tau Sorority Chapter
2. APO Al-Ahsa Alumni Association

As such, at the close of 2021, we reported 360 recognized collegiate fraternity chapters, 161 recognized collegiate sorority chapters, 109 chapter-based alumni associations, and 294 community-based, institution-based, and professional alumni associations. We likewise commend the efforts of our brothers and sisters to promote lifelong membership, with 254 chapter-based alumni associations currently undergoing the recognition process.

## **The Committee on Membership in the first quarter of 2022**

The Committee's work continued unabated as Alpha Phi Omega welcomed yet another year. Four months hence, we have chartered six new basic organizational units into the fold:

1. APO Omicron Delta Chapter - Manila Law Colleges (Petitioned since 2003)
2. APO Omicron Epsilon Chapter - Aklan Catholic College (Petitioned since 2009)
3. APO Theta Nu Sorority Chapter - Mindoro College of Agriculture & Technology
4. APO Iota Phi Sorority Chapter - Rizal System University
5. APO Epsilon Psi Alumni Association
6. APO Viga Alumni Association

From January 20 to April 15, 2022, 33 more Alumni Associations submitted their Letter of Intent for charter recognition. Alongside this, four Fraternity basic organizational units (BOUs) filed their petition for recognition, and nine groups filed their Letter of Intent to organize petitioning chapters,

However, there remains much work to do. Even with seven petitioning collegiate fraternity units, 203 petitioning collegiate sorority units, 176 coded petitioning collegiate chapters, and twelve petitioning collegiate chapters, we have yet to break ground in the vast majority of higher education institutions (HEIs) in the country, which number 2,396, according to the 2020 Commission on Higher Education (CHED) report.

Despite this, the Committee on Membership remains optimistic. We see the trends and the conditions brought about by the coronavirus pandemic not as dangers, but opportunities. Much of our effort now is on navigating brotherhood and accountability amid a largely digital and fast-changing environment.

Alongside the development of our very own smartphone app, PO-APPS, which is now downloadable on Google Play, the Committee of Membership has successfully submitted amendments to the APO Internet Code of Conduct, an updated standard of decorum for our members online, which the National Board of Trustees approved in its Third Regular Meeting last April 24, 2022.

To promote our growth not only in quantity, but also in quality, we are likewise developing guidelines for residency requirements for admission, integrating charters for collegiate chapters, additional guidelines and policies for establishing alumni associations, organizing new chapters, and reviving defunct chapters, which we are putting forward to the committee for amendments to the APO Philippines By-Laws.

Additionally, we continue to participate in the editorial board of the Enhanced APO Pledge Process Manual in order to craft a pledge process that is at once consistent with existing laws in the country, reverent of our traditions and principles, and cognizant of developing social conditions in this time and the coming years.

We remain in faith to the cardinal principles of Leadership, Friendship, and Service, and strive to uphold continuity in line with social and cultural advancements, multiplicity with sustainability and quality, and universality of our brotherhood of Service, across gender, culture, creed, and different abilities.

The Committee on Membership looks forward to every Alpha Phi Omegan's continued support.

# AN ENDURING LOVE FOR APO & SCOUTING ...to Eradicate the World of Juvenile Delinquency

By Sis Doris Irene S. Pigon, Theta

This year's 33rd APO National General Assembly is themed "Balik Iskawting... Ulit! Who better to talk about in this issue other than our very own Bro John M. Tenchavez, the chairman of APO National Commission on Scouting (ANCOS).

Let's dig deeper and get to know the real person that he is.

Bro John, a Master Teacher, is a graduate of Bachelor of Science in Industrial Education major in Drafting Technology at the Technological University of the Philippines (TUP), the home of Alpha Epsilon chapter. He was accepted to our beloved APO fraternity in 1979. He continued his studies and earned a Master of Arts in Industrial Education, major in Administration and Supervision (MAIE-AS). He believed in continuous learning and earned Doctor of Education major in Industrial Education Management (Ed.D-IEM). Isn't he such an achiever?!

He and his wife, the former Dalisay Cleofas, were blessed with three lovely daughters, who have all carved their own names in their respective careers. Jackie Mary Lynne is a registered nurse, John Mary Therese is a medical doctor, and Jeanne Marie Gabrielle is a high school teacher.

In his elementary days his parents didn't allow him to join activities outside the school, he felt deprived of scouting in his younger years. This did not stop him from being a scout though. At the back of his mind, he always wanted to be a scout. The opportunity came when he started practicing his teaching profession in high school and was assigned as a unit leader in 1994. The fruits of his labor was very fulfilling. He wanted to serve mankind: the boys, the teachers, principals, etc... He thinks the best way to do it is through scouting.

He accompanied a lot of scouts to different jamboree sites both local and abroad, one he treasures in his memories were from Japan. He had produced several Eagle Scouts, the highest rank for high school students to reach as scouts. He is part of the National Training Team of the Boys Scouts of the Philippines (BSP). He may have retired from his profession as a teacher but remained active in training scouts at the BSP Jamboree in Makiling, Los Baños, Laguna.

Come to think of it, although he entered APO first before he got involved with Boy Scouts of the Philippines, APO may actually be considered as scouting in college. We all know that the foundation of APO is scouting. We abide by the same Scout Oath and Law, and other scout-related principles.

He became very active with APO Scouting way back the time of then APO Scouting Chairman Bro Rodolfo Tamani (Scouting Emeritus of APO Philippines) in 2005. He did not have any qualms in getting involved with APO Scouting. One very memorable moment he shared was the Presidential Service Award given to him on the 27th of May 2005 during the term of bro President Rodrigo Mapoy. The award was for being the proponent of the APO Pledge Program (APP). He proposed to have our neophytes seeking membership to undergo physical exercises while reciting the lectures of the fraternity. It's both physical and mental exercises done altogether, testing the "would be members" on how they can stay alert and with presence of mind at all times.

With scouting, it is honing young individuals to become a little better as the next generation. Just like the father of scouting, Lord Robert Stephenson Smyth Baden-Powell, he would love to eradicate the world of juvenile delinquency.

The very good thing that happened was he appreciated scouting better when he got so involved training kids. It was very fulfilling for him to witness young scouts turn into really good and responsible individuals after their trainings. In APO, he feels the same way when our new collegiate, and interested alumni members join the Rover Orientation, Vigil and Investiture Ceremony (ROVIC).

When asked what differs him from any other APO scouts? This he said: "I have more vision, values are strengthened, all things are considered and taken more seriously. The Scout Oath and Law had been analyzed thoroughly, that I live and practice them in all my dealings. As long as you focus on them, there are so many beautiful things which can be accomplished." He strongly believes that we should all, as APO, support and propagate scouting through ROVIC.

Truly an inspiration, by heart and soul, a SCOUT, and an APO! ANCOS Chairman, Bro John M. Tenchavez.

“ With scouting, it is honing young individuals to become a little better as the next generation.

# Scouting Until You've “Gone Home”

By Sis Doris Irene S. Pigon, Theta

Let me introduce you to a worthy brother who has dedicated his life to scouting. Meet the pride of APO from the Bicol Region! **BRO. EMMANUEL BERNABE S. MENDOZA**, better known as bro. McBhern. He was initiated and accepted to the fold in 1988 at Eta Epsilon chapter. He graduated with a degree of Bachelor of Science in Marine Transportation. He used to work as a Maintenance Supervisor at Madrigal Building in Ateneo De Naga University (ADNU) in Naga City, Camarines Sur. He is married to Arlene P. Mendoza, an elementary school teacher and a scouter too.

Bro. McBhern's journey as a scout started when his father, Scout Master Benito C. Mendoza, registered him and his siblings as Cub Scouts in their elementary days. He underwent the different stages of being a Boy Scout until his high school days. He is now a very dedicated trainer of scouts from different age groups. His love for scouting never waned that he left his job in ADNU, and took the Basic Training Course (BTC) for Troop Leaders last April 18, 2012 at Camp Rodriguez - Santos, Pili, Camarines Sur, which was conducted by the Boy Scouts of the Philippines (BSP) Camarines Sur Council. This training paved the way for him to start teaching Scout Skills. He became a resource speaker, a discussant, a demonstrator, and eventually, a councilor.

Teaching boys to learn scouting skills is what he loves most. There are always new adventures and journey to different places experienced by every participating scouts.

He basically imbibed the Scout Oath and practices the Scout Law which, as you all know are the 12 Jewels of APO. Truly, a true blue Scouter/APO.

When asked what the difference of being an APO from being a scouter, this is what he said: "Before, you are a leader, success is all about growing yourself. When you become a leader, success is all about growing others."

He plans to be a Scout until he has "Gone Home" to His Creator. He also believes that, once an APO always an APO.

APO's discipline is originally patterned from scouting and we know that APO is a partner of BSP, Scouter Bro McBhern thinks that as an APO, everyone should be encouraged to join the different scouting activities offered by BSP, and every APO should be part of the Scouting Movement. This 33rd APO General Assembly in Los Baños, Laguna is surely a good way for APO to relearn what our foundation is all about.

*Before, you are a leader, success is all about growing yourself. When you become a leader, success is all about growing others.*

Bro McBhern as a very dedicated scout, has many awards and commendations to his name. The most valuable was a Silver Service Award for his outstanding service rendered to the Boy Scouts of the Philippines in Camarines Sur Council on October 31, 2019. The latest was a Certificate of Commendation for being a resource speaker/discussant/facilitator during the Basic Course for Outfit Advisors given at San Antonio, Milaor, Camarines Sur on March 25-27, 2022.

Service is inherent to Bro McBhern. Affecting and influencing the lives of young

students and professional scouts, sharing his knowledge, showing survival techniques and imparting anything scouting-related will be his legacy. His parting words to those APO brothers and sisters who believe in continuing a life of service: "Try and leave this world a little better than you found it, and when your turn comes to die, you can die happy, with a feeling that at any rate, you have not wasted your time but have done your best."

This DY 2021-2023, he is the current Bicol Administrative Region's Chairman for Scouting Committee. Bro McBhern, not just a Scout; also an APO!

# ARP 100% ENGAGEMENT-WELFARE TO MEMBERS MASTER PLAN

By Sis Reiniel Antonett Solleza, Eta Theta

There is no time to waste, the Administrative Region of the Pacific, together with its seven (7) recognized Alumni Associations in Australia and New Zealand is facing Alpha Phi Omega Philippines, Incorporated's Development Year 2021-2023 head-on. Led by its newly elected Regional Director Bro. Raden Chavez (Eta Theta '85'), fearless and ready to calibrate the Pacific Region with a new master plan - 100% engagement and welfare to every member in the region. The objectives of the incumbent Regional Directorate are: to strengthen APO ARP by increasing communication, collaboration, and welfare of members; to unify the region; and to cooperate and align APO ARP to APO Philippines' national leadership.

A summarized road map called PDCA Board (Plan, Do, Check, Action) was introduced swiftly to the region and the national level, drawing an outline of what to do and how to achieve it within 21 months. This includes a concrete plan of putting into numbers and graphs: the active vs inactive constituents within the total of 455 members of the

ARP Team; to manifest the performance of all Alumni Associations comparing the previous development year to the current; to pin down and schedule projects, services, and fundraisers within 90 days; and lastly to put up scorecards in terms of communication, collaboration, projects, and services that will recognize the merits and efforts of everyone involved. All this does not end by a simple implementation thus evaluating every action point with a gap analysis is also established to know how to move forward and accomplish the master plan and its purpose.

Moreover, as ARP is already registered in Australia Securities & Investment Commission (ASIC), the Regional Directorate intends to have the Administrative Region of the Pacific registered also in the New Zealand Companies Office Incorporated Societies as an independent organization in New Zealand providing service to its fraternity and sorority, to the schools and universities, to the youth and community, and the nation. APO ARP in synergy to institutionalize its service projects by creating a year-round calendar focusing on environmental services and enjoining the movement of COP26 (26th Conference of the Parties) to make enhanced commitments towards mitigating climate change and a move to end coal power and fossil fuel subsidies.

*All this does not end by a simple implementation...*

APO ARP is also ready to embrace and empower a growing team, preparing and organizing the petition for charter of APO South Australia Alumni Association and APO Lower South Island New Zealand Alumni Association. Nevertheless, seek authorization from the International Council of Alpha Phi Omega (ICAPO) through its incumbent Chair Sis. Judge Alice C. Gutierrez (Alpha Eta '75) to expand and recruit collegiate members in New Zealand.

Despite the ongoing situation concerning Covid19, everyone is excited and onboard to a dynamic and innovative region. The Administrative Region of the Pacific trusts the strength in unity, the power in diversity, and heads on for a road to 100 years of Leadership, Service, and Service.

# EUROPE EMPOWERED AND READY FOR LFS

By Sis Arline Ascano-Rüther, Beta Psi

**D**etermined and eager with its comeback the Administrative Region of Europe is empowered and ready for LFS with its re-elected Regional Directorate led by its relentless Regional Director Sis. Brenda Manugan-Casiño (Alpha 87'). The vision is to have a united Alpha Phi Omega Alumni Associations dedicated to making a positive difference through charitable, social, and development services within and outside Europe.

The goals and objectives for this Development Year 2021-2023 are:

1. To strengthen and consolidate APO ARE as an organization conscious of its purpose in doing service to deprived and disadvantaged communities, and to in-need APO brothers and sisters;
2. To promote unity, trust, and camaraderie amongst Alumni Associations within the region, to ensure availability of resources for a smooth flow of services of the Administrative Region within and outside Europe; and
3. to promote a healthy competition among Alumni Associations (AA) in APO ARE in the name of service.

To make all these happen, APO ARE identified strategies and approaches that will empower the productivity and efficacy of each Alumni Association and elected and/or appointed Regional Officers. This includes a regular reminder to all Alumni Association in Europe regarding their duties, responsibilities, and obligation to update their membership as members of the ADMINISTRATIVE REGION OF EUROPE. Also, to create rules and regulations that maintain peace, harmony, camaraderie, and unity in our official social media account. Another is to carry out the new mandate to have an annual regional conference as prescribed by the revised By-laws of APO Philippines. Moreover, to promote a healthy competition among Alumni Associations (AA) in ARE in the name of SERVICE on an annual basis during the APO Friendship Day and APO Europe Conference. And to enforce and implement the institutional projects of APO ARE that we regularly perform every conference. In addition, to strengthen our ID campaign and encourage all members of APO Alumni Association in Europe to renew/update and secure their ID. And to come up with an improved and systematic fundraising campaign for ARE. And lastly, to strengthen and institutionalize the ARE Benevolence Committee as one of the pillars of ARE in doing Service and delivering assistance to victims of natural and manmade calamities most especially to Alpha Phi Omega.

# Social Responsibility: A Shared Value of APO

By Sis Ma. Jeazrielle Fernandez, Alpha Gamma

As the world embraced the change brought about by COVID-19, many people have found an awakening of their moral obligation and social responsibility manifested with all the mercenary deeds and charitable works posted on social media. Significantly, even celebrities shifted their fame-based act into activities that promote altruism and seriously took part to ease the burden of those drastically affected by this pandemic of the 21st century.

Alpha Phi Omega is a leading service-oriented organization that has long been practicing social responsibility—it is a shared value passed on from the founder to the past and present leaders and with all the members. Correspondingly, it became the organization's way of doing its moral duties and responsibilities towards society and is highly attributed to the lectures and principles passed on during pledgship and became the existing norm in the organization. In addition, other factors in the development of long-practiced values are strong leadership, genuine friendship, and dedicated service. Service projects and activities are the concrete manifestations of this shared value of social responsibility and how the organization connects with society and the people.

For this reason, Alpha Phi Omega Ladies Unified in Service (APO-PLUS) is up to living with its moral duties and obligations toward society through standing by the norm of engaging members to become socially responsible. Be the case, APO-PLUS carefully planned all service projects categorizing its target beneficiaries and maximizing its resources for broader coverage.

On January 2 and March 21, 2022, APO-PLUS conducted activities focused on children aged 5-10 at Brgy. Rabon, San Fabian and Bonuan Boquig, Dagupan City, Pangasinan. With the theme Cultivating the Spirit of Sharing, over 400 underprivileged children received new pairs of slippers, school supplies, essentials, and happy kiddie meals. It was indeed a fun-packed activity as there were

parlor games, prizes, and intermission numbers presented by the beneficiaries to the group. It also included free haircut and tons of schemes to entertain the children and their parents. The essence of the program aims to make the children feel that amidst all difficulties, there are a hundred reasons to be grateful, celebrate life, and always hope for a bright tomorrow.

After thorough planning, APO-PLUS spearheaded another project last February 12, 2022. The target beneficiaries of the service were the 37 elderly residents of Little Sisters of the Poor located at Brgy. Catubig, Bolinao, Pangasinan. The agency is a non-profit, non-government organization that caters to abandoned senior citizens. Food, facemasks, alcohol, and other essentials were delivered and warmly received by the management. While the visit was short-timed and limited due to existing protocols just the same, it was as rewarding as it should be. Substantially, the activity became an eye-opener for the attendees, realizing that even though Filipinos have close family ties, some people end up in a home for the aged and elderly institutions after serving their purpose with their respective families.

Last April 2, 2022, and in celebration of the women's month, APO-PLUS in cooperation with Alain Directorate of APO Emarat-121 AA with the Alpha Gamma AA conducted a special activity for the 75 Women in Conflict with the Law at BJMP Dagupan City. Provision of hygiene kits inclusive of sanitary pads, bath soap, and the like, facemasks, alcohol, and other goods were turned over to the management of BJMP for proper documentation and distribution. The service was focused and centered on cultivating change work for women. Also, the deep appreciatioion on the important role of women in nation-building. APO-PLUS as a sorority-based organization deemed it necessary to give due recognition to the women in conflict with the law for APO knows no boundaries when it comes to the welfare of the deprived sector of the society.

Social responsibility encapsulates the concept of doing what is morally right toward others and society. For Alpha Phi Omega, it is not just a concept but a way of life—a part of the system, a shared value, an established culture with which members clearly understand that makes APO distinct from other organizations.

# CLAR MEGA SERVICE HUMANITARIAN DRIVE IN CAPAS, TARLAC

By Bro Jerry T. Villanueva, Jr., CLAR Regional Director and  
Bro Aldrin Galang, CLAR Chairman of Planning and Implementation

**A**pril 30, 2022, Saturday, was a big day for the community residents, both young and old, of Barangay Cutcut 1st in Capas, Tarlac. It was the day where the APO Central Luzon Administrative Region, under the leadership of Regional Director, Brod Jerry T. Villanueva Jr., implemented the Mega Service Humanitarian Drive organized and coordinated by the Chairman and Members of the Committee on Planning and Implementation under the headship of Chairman Brod Aldrin Galang.

A triple treat (haircut, circumcision, and free slippers) for the young Capas homies plus another triple treat (reading glasses, cataract surgery, and chiropractic massage) for the old Capas residents, supported and attended by no other than the Advisor for Central Luzon Administrative Region Sis. Mel Alejo, Chairman and Members of the Committee on Ways and Means under the headship of Brod Dr. Edward Paraguison, Assistant National Treasurer Sis. Nette Flores Villanueva with her batch mate Sis Amy Violago, APO Academy Chairman Sis. Kaye Gonzales, CLAR Secretary, Brod. Philip Caluag, Committee on Solicitation Sis. Joseli Gaerlan, Section Chair for Tarlac Brod Roldan Luna, Section Chair for Collegiate Pampanga Brod Lorenzo Opiano, Section Chair for Collegiate Bataan Brod. John Kenneth Baringue, Section Chair for Pampanga AA Brod Napoleon Blas, Deputy Regional Director for Collegiate Neljayson Navarro, Regional Director for Collegiate Ulysses Ron Cruz and Officials and Members of Theta Delta Chapter, Theta Delta AA, APO TARAA, Zeta Delta AA, Xi chapter, Xi AA, Zeta Delta Chapter, Epsilon Psi Chapter, Epsilon Psi AA, Epsilon Iota Chapter, Mu Pi Chapter, Alpha Kappa Chapter, Nu Sigma Chapter, Lambda Chapter, Mt. Pinatubo AA, Conception Tarlac AA, Capas Tarlac AA, PC 206, PC 193, and PC 102.

A total of 202 Capas home boys were transformed into growing up young men through a synchronized coordinated surgical circumcision operation composed of (1) the Pre-Surgical Assessment and Screening Team, (2) the Surgical Team, (3) the Surgical Instrument Cleaning and Disinfection Team and (4) the Post-Surgical Operation Management Team.

Every boy who has undergone circumcision was given a MEDICATION KIT composed of 21 capsules of 250 mg Amoxicillin to be taken per orem (or orally) "ter in die" (or 3Xday) for 7 consecutive days to combat post-operative infection and 250 mg mefenamic acid to be taken "quaque die" (or 1Xday) for pain management. Plus, a HYGIENE KIT composed of

10 pieces of face masks, 1 bar of soap, a toothbrush and a tube of toothpaste, 1 bottled alcohol with spray, and a pair of new slippers of his own choice of size and color.

The free slippers were courtesy of the APO Tanod Baybayin AA Pet (Philippine Coast Guard) which donated 250 pairs of slippers for this occasion and was attended by Brod Ensign John Niko Anicete, Brod Ensign John Sebastian Anicete, and Brod Lieutenant Junior Grade Ariel Guiang.

A total of 85 Capas home boys were given a free haircut courtesy of the Section Chair for Tarlac AA, PNP Colonel Bro. Roldan Luna with his better half, Sis Zenaida Luna, who hired three (3) barbers to this part of the CLAR Mega Service Humanitarian Drive. This equated to about 17 minutes per head per barber from 8 AM to 5 PM working simultaneously side by side with a 1-hour lunch break.

A total of 190 correction reading glasses courtesy of the XI AA were fitted and given to the recipient Capas residents with the help of a team of ophthalmologist and optometrist from DRS Optical who also scheduled 23 cataract patients for surgical operations on May 1, 2022 and May 6, 2022 with an additional 12 Capas patients who were given a chiropractic corrective massage supported and attended by the officials and members of Barangay Villa de San Jose under the Chairmanship of Kap. Ruben S. Nolasco.

The sumptuous packed lunch to everyone who participated in the Mega Service was provided by the CAPAS AA under the leadership of president Brod Clod Gamboa. The distribution of the packed lunch and hydration fluids was attended and supervised by CAPAS AA OIC Brod Edward Cadiang.

After the Mega Service, everyone proceeded to the residence of Brod Henry Cruz in Barangay San Juan in Conception, Tarlac for dinner and fellowship. The evening event was officially ended with the awarding of the certificates of attendance to all participating APO units in Central Luzon.

The major sponsors of the CLAR Mega Service in Capas were (1) Brod Adel Catanes, (2) Sis Diana Melegrito, and (3) Sis Rose Castillo who donated P 10,000 each with a combined total of P 30,000 An additional P10,000 was also donated to the event from the combined generosity of APO Talavera, APO Guimba, and APO Quezon, Nueva Ecija through the effort of CLAR Advisor, (4) Sis Mel Alejo.

Sis Rose Castillo Castillo designed the publication materials for the CLAR Capas Mega Service Humanitarian Drive.

# CLAR Chapters and AAs Launch Simultaneous Activities for Holy Week 2022

By Sis Jackiko Mascareñas, Epsilon Kappa

*"The best way to find yourself is to lose yourself in the service of others"*  
-Mahatma Gandhi

This quote is so appropriate to us since Service is one of our three cardinal principles. During the pandemic, we were limited in rendering service to our community because of the lockdown and restrictions. Now that the pandemic restrictions have ease, we were able to resume the annual services that we missed while on lockdown.

**Nueva Ecija.** Dubbed as LAKBAY ALALAY 2022, Phi Alumni Association with partnership to the local agencies of Cabanatuan such as the Cabanatuan PNP, Bureau of Fire Protection and the Provincial DRRMO, this holy week tradition of providing road assistance to travelers was launched last April 11 to 16, 2022.

More vehicles are on the road for Holy Week vacation, and it is crucial to be extra cautious. Xi chapter began its week-long motorist assistance program "Ligtas Sumvac 2022", in cooperation with Xi AA 208, Science City Alpha Phi Omega Alumni Association 193 and SRB.

Gamma Eta chapter also mounted its booth in front of their campus (NEUST) at Sumacab Este, Cabanatuan City for their Oplan Sumvac

**Zambales.** Free bottled water and biscuits were given to riders and pedestrians at the Municipal Park in Castillejos last April 14. PC 102 Grand Chancellor Sultan Abdul Munem Baldo said this initiative of APO Mt. Pinatubo and PC 102 is in line with the Holy Week Community Service 2022 to provide basic human needs. Brothers and sisters from different chapters were also in attendance for this service.

Meanwhile, collegiate chapters and AAs in Olongapo City (Lambda Eta, Lambda Lambda, Epsilon Xi, Xi Lambda and APOAAA) joined hand in hand for their "panata" of repainting the grotto of Our Lady of Lourdes in Barangay Mabayan.

**Bataan.** Nu Theta chapter and APO-BEZ AA setup a booth for their "Drinking Station" in Mariveles, Bataan last April 15, 2022. This annual service was created to help individuals quench their thirst while participating in Holy Week events, especially during the hot summer season.

**Aurora.** Last April 16, 2022, APO National Disaster Risk Reduction and Management Committee held a Disaster Preparedness and Management Training at Villa Guerrero, Brgy. Buhangin, Baler, Aurora. Brod Nem Muyot, member of Committee on Disaster Assistance and Response & Risk Reduction Management facilitated the activity, attended by collegiate members and alumni from several chapters across the province.

# Visayas Leg GPAC Summit Hosted by EVAR

By Sis Camille D. Encarnacion, Theta Zeta

**T**ACLOBAN-- Eastern Visayas hosts the Grand, Prime, and Auxiliary Chancellors Summit for the Visayas Leg last March 19-20, 2022. The event which was held at the Price Mansion, Tacloban City was attended by over 21 collegiate BOUs and regional officers of the Eastern Visayas Administrative Region.

As a scout-based, national service fraternity and sorority, Alpha Phi Omega Philippines Incorporated strives to live up to its mission and vision of delivering a program of service to the country and humanity. Among these services are activities and events that aim to develop the skills and knowledge of resident brothers and sisters who will take the helm of leadership, friendship, and service in their respective chapters and communities.

The GPAC summit is a national collegiate-led initiative for the officers of Collegiate BOUs in every region of the Philippines. The two-day activity aims to

discuss topics and regulations governing officer responsibilities, roles, and newly introduced codes and recruitment guide. Leading the discussions were esteemed guests National Vice President for fraternity, Bro. Gil Paulo Gomez and Trustee for fraternity, Bro. Christian Santiago from the National office who tackled the RA 11053, Enhanced APP, Internet code of conduct, and APO Pandemic Response. Meanwhile, Bro. Alfonso Labrague from APO Academy and Bro. Atty. Richmond Longjas from APO - EVAR also led the discussion on organization and membership growth.

A leadership training seminar was also held, providing chancellors and chapters an opportunity to benchmark activities from the participants' proposed pledgship calendar in accordance with the Enhanced APO Pledge Program. For instance, interesting service activities that both residents and prospects can bond over the rush week or creative takes

on scouting-related activities designed to develop self-knowledge and leadership skills. It can be recalled that last year, the EAPP was introduced to augment the present recruitment process and commitment to anti-hazing law R.A. 11053. The said guide was approved in January this year after consultation with regional directors from all of the administrative regions.

The Summit also presented a chance for the attendees to ask questions about the anticipated changes and the transition towards the full implementation of the EAPP by all chapters in the Philippines.

The significance of the activity also pushed Regional Director for alumni, Sis. Gina Liza Jimenez and Regional Director for Collegiate, Bro. Earl Agner set the summit as a requisite for chapter recruitment in the region. In the meantime, recruitment has resumed for some collegiate chapters.

# APO-EVAR Celebrates with a Service-packed National Anniversary

By Sis Camille D. Encarnacion, Theta Zeta

**T**ACLOBAN CITY, Leyte - Residents and Alumni of EVAR BOUs celebrate the national anniversary with bloodletting and free medical and dental missions for select communities held last February 12 and 27, 2022 in various parts of Samar and Leyte.

APO-EVAR has partnered with its collegiate and alumni BOUs and partner organizations in bringing APO's program of service to our fellowmen. The service caravan included Free Pneumococcal vaccination, free dental checkups and operation, and Operation: Tuli which benefitted more than 200 beneficiaries. The list of services includes a nutrition and wellness program, delivery of 30 water filters to chosen barangays in Limasawa, Pintuyan, and St. Bernard, and synchronous relief operations to typhoon Odette-struck communities in Southern Leyte.

EVAR regional directors thank service teams and volunteers for their contribution, «we would like to extend our heartfelt gratitude to our volunteer brothers and sisters for sparing this activity your time, effort, and resources.» says Bro. Earl Agner, Regional Director for Collegiate. Regional Director for Alumni, Sis Gina Liza Jimenez highlights the spirit of the scouting movement in thanking organizers of relief and synchronous services, "this goes to show that together, we can achieve more than we've set to do. May we always be in the spirit of leadership, friendship, and service!", says the Regional Director in a Facebook post.

Aside from the coordinated services for the national anniversary celebration, environmental and social services were also held during the month.

“ This goes to show that together, we can achieve more than we’ve set to do...”

# GPAC SUMMIT AT THE BAR

By Sis Renderizzah A. Floralde, Zeta Nu

The GPAC Summit held at the Mayon View Garden in Rawis, Legazpi City was the first on the Luzon leg last February 26-27, 2022. It was attended by 55 fraternity members and 27 sorority members, a total of 82 collegiate members from the Bicol Administrative Region (BAR). Section 1 (Camarines Norte) sent 6 delegates from 2 chapters: Beta Omicron and Mu Kappa. Section 2 (Camarines Sur) sent 34 delegates

*...the bedrock of self-pride of an Alpha Phi Omegan.*

from 18 chapters: Alpha Nu, Beta Beta, Beta Kappa, Gamma Nu, Delta Omicron, Delta Pi, Delta Rho, Delta Psi, Eta Epsilon, Eta Eta, Theta Omega, Lambda Phi, Mu Eta, Nu Xi, Nu Omicron, CBSUA Pasacao Petitioning Chapter (PC), Pili Capital College Inc. PC and FAFC PC. Section 3 (Albay) sent 36 delegates from 14 chapters: Gamma Xi, Gamma Omicron, Delta Iota, Delta Lambda, Delta Upsilon, Zeta Iota, Eta Zeta, Mu Upsilon, Nu Upsilon, PC 138, PC 140, DCOMC PC, OCC PC, and PLT PC. Section 4 (Sorsogon) sent 4 delegates all from Mu Epsilon chapter. Section 6 (Catanduanes) sent 2 delegates from Zeta Nu chapter.

## Topics discussed during the GPAC Summit

1. R.A. 11053 or Anti-Hazing Law
2. Enhanced APO Pledge Program, designed as a comprehensive guide for collegiate chapters in the recruitment, orientation, training and education of Pledge Members. It focused on the ideals, principles, purposes and policies of Alpha Phi Omega Philippines Incorporated (APO Phils.) in accordance with its official rituals.
3. APO Pandemic Response
4. Chapters Duties and Responsibilities
5. APO Brand Guide
6. APO Internet Code of Conduct
  - APO Internet Code of Conduct as approved by the BOT last January 28, 2012 in the 3rd NEB Meeting held in Circon Businessman's Inn, Valencia St., Puerto Princesa, Palawan on January 27-28, 2012.

- These guidelines are to be observed in the conduct of our ALPHA PHI OMEGA PHILIPPINES, Inc. members on the Internet most especially but not limited to Facebook, Friendster, Twitter, Blogs and other social networks.

Every developmental year, top 3 dignitaries of our collegiate members from different chapters come together for a GPAC summit.

Regional Director for Collegiate of BAR, Sis. Renderizzah A. Floralde personally delivered her welcome message, stated that this was the first face-to-face regional activity two years into the pandemic and was very happy that Bicol Administrative Region got the highest number of participants among the other administrative regions.

This endeavor has contributed to the empowerment of collegiate members, the bedrock of self-pride of an Alpha Phi Omegan.

She's pleased to acknowledge that it was well executed; this summit was well worth the time, effort, and expense of the APO BAR Collegiate Officers. The GPAC Summit provided a chance to tap into our members' collective knowledge in order to create answers to problems and establish new strategies. This summit has the potential to be a strong catalyst for aligning leadership, fostering collaboration, and deepening friendships across the organization.

# APO-CARAGA Holds First Ever Regional Convention

By Sis Sis Neneng Daquipil, Alpha Rho

The APO-Caraga headed by its Regional Director, Bro Amorlino L. Cudillo, Alpha Beta '89-A, held its first ever regional convention last April 23, 2022 at the Lope A. Asis Memorial Gymnasium in Bayugan City, hosted by the Bayugan Alumni Association (APO-BAA #108) with the theme "Weaving the Fabric that is Blue and Gold, Fostering

Unity and Cooperation, Building One Caraga, One APO", participated in by the different Alumni Associations. Collegiate Chapters and Petitioning Chapters across the region.

The one-day Convention aims to establish the principle of "ONE CARAGA, ONE APO"; to identify service projects and leadership development programs of common interest among the Alumni Associations and Collegiate Chapters in the region and to formulate a unified regional strategic implementation plan thereof; to create a venue for fellowship and promote exchange of ideas in the discussion of matters pertaining to Chapter and Alumni operations and to treat other relevant issues and concerns.

The event, which started at as early as 7:00 o'clock in the morning with a motorcade around the city, had four parts namely, Opening Program; a series of talk on "Exploring Linkages and Opportunities For Expanded Service Projects", Plenary Session and Fellowship/Socials.

The Opening Program was highlighted by a Keynote Speech by Bro Franklin Calo, Alpha Beta '63, who gave impetus on brotherhood and unity, reminding everyone of the Fraternity seal which stands for the three cardinal principles namely, leadership, friendship and service, further saying that "Brotherhood is not winning together, rather, it is rising together."

The second part was a series of talks on “Exploring Linkages and Opportunities For Expanded Service Projects with several speakers from different agencies. Bro Dr. Jesus Antonio Deriije, Beta Theta '81, current President of Central Mindanao University, Musuan, Bukidnon, presented the university programs that may offer possible projects for APO-Caraga. The second speaker was Bro Col Michael Ponferrada, Sigma '91, Assistant Regional Director of the Bureau of Fire Protection, Caraga Region, also mentioned some possible training and voluntary services that APO-Caraga can do with their bureau. The third speaker was Bro Aquiles “Bong” Ebron from Theta Chapter, the present Provincial Environment and Natural Resources officer of Agusan del Norte who emphasized on their Program “R.I.V.E.R (Recognizing Individuals/Institutions towards Vibrant and Enhanced Rivers) for Life’ the rivers being the source of water supply, the most basic human need. He said that APO-Caraga can participate in this program.

The next speaker was Bro Buenaventura Maata, Gamma '76 and D\ Executive Director of PhilGrassroots International, an NGO engaging in community Development. He talked about the opportunity for APO-Caraga to become an active people’s organization that will contribute to community development in the region through service and livelihood projects.

Another speaker, Bro PCol Martin Gamba, Zeta PHi '90 and Chief, Regional Investigation and Detective Management Division of Police Regional Office 13, PNP, mentioned a number of opportunities for APO-Caraga to be an effective group for peace keeping in the different communities around the region. One is by volunteering in the Peace Keeping Councils in their respective local communities, among others.

The Plenary Session included RD’s hour, with the Regional Director, Bro Amorlino L. Cudillo, giving updates on the different projects, policies and other concerns of Alpha Phi Omega, Philippines

Inc.; reports by each Alumni Association and Collegiate Chapters and other relevant issues and concerns. Such issues and concerns will be treated in the follow-up quarterly meetings of the RDC and representatives of each Alumni Association and Collegiate Chapter in the region.

Caraga Administrative Region is a relatively young region established in 2029. Caraga used to be a part of the larger Southern Mindanao Administrative Region (SMAR). Hence the said convention was still its first ever, The host, APO-Bayugan Alumni Association (APO-BAA) was headed by Bro Napoleon Z. Montejo. APO-BAA has very few members, but with the unwavering support of brothers and sisters throughout the region and even of non-APO friends, especially of the City Mayor, the Hon. Kirk A. Asis, hosting was made possible.

The event started well and ended well with everybody saying it was a beautiful, meaningful, and enjoyable experience!

# SECTION 1 - BATANGAS

## CONTINUITY. SUSTAINABILITY. LEGACY.

By Sis. Naelah Amboy (Secretary, Section 1 - Batangas)

November 6, 2021 - after several attempts over the years, **APO Ala Eh Federation** was finally born after well-attended meeting of officers and members of different alumni associations in Batangas was completed. The primary goal of the federation is to serve as an extended arm and support with Section 1 officers. The federation aims to unite, collaborate and leads over-all and major projects across the province.

Officers of the Federation represents all alumni associations in Batangas to serve the same development years as section officers. Each alumni association has a position in the federation to ensure that all decision-makings are voices heard from our alumni associations as well as communication and cascade of updates are streamlined. In all elections after, the same premise of being well-represented and ensuring of continuity of projects are followed.

Alongside projects of all alumni associations and synchronized activities led by our National Administrative Office, Section 1 and Federation Officers focus on efforts for major and sustainable projects. These are projects minimal in count, but higher on impact to the community in Batangas. Some

**"Plant a Tree, Save the Earth"** was the first sustainable and legacy project launched and completed by Section 1 and APO Ala Eh Federation upon its charter last November 2021. The project adopts a specific area in the Mangrove Forest in Brgy. Lagadlarin, Lobo, Batangas and conduct at least semi-annual tree planting activity participated by all alumni/chapters in Batangas.

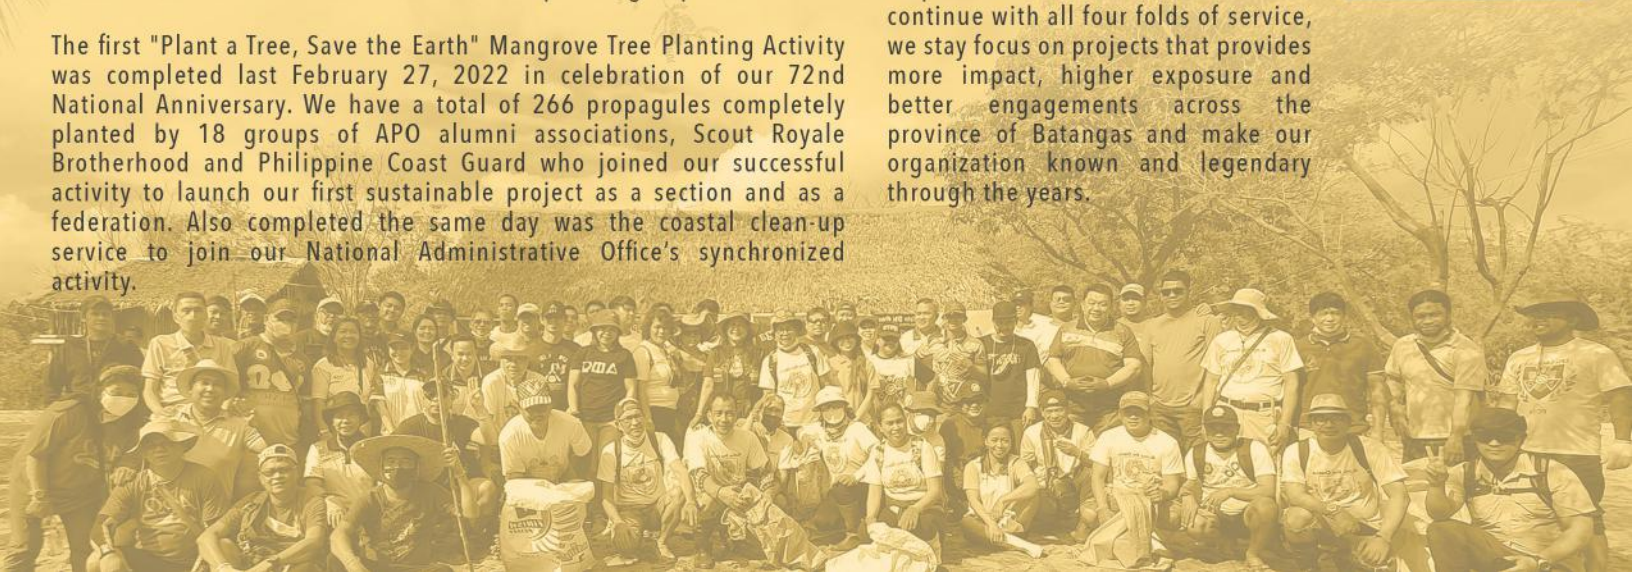

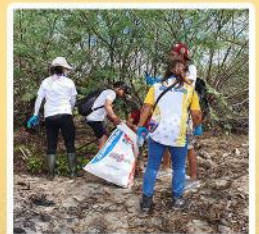

We are in one with Municipality of Lobo's aim to intensify programs on reforestation on mangrove for the benefits of extending the area for mangrove forest located at Brgy Lagadlarin.

Both parties entered and signed the Memorandum of Understanding (MOU) last January 10, 2022 for a structured long-term project towards sustainable environmental service to the community and the nation. The agreement includes activity of at least semi-annual tree planting activity and a monthly reporting of status of all propagules to be cascaded across all alumni associations and private groups involved.

The first "Plant a Tree, Save the Earth" Mangrove Tree Planting Activity was completed last February 27, 2022 in celebration of our 72nd National Anniversary. We have a total of 266 propagules completely planted by 18 groups of APO alumni associations, Scout Royale Brotherhood and Philippine Coast Guard who joined our successful activity to launch our first sustainable project as a section and as a federation. Also completed the same day was the coastal clean-up service to join our National Administrative Office's synchronized activity.

**Tulongan nAPO Tayo** is the second sustainable project launched last January 15, 2022. The goal is to echo and provide additional support in communicating help needed by fellow brothers and sisters in the organization as service to our fraternity particularly immediate member/s of any alumni association in Batangas. Also, this is to streamline communications and transparency of donations provided by alumni associations and/or individual member of the organization to our fellow brother/sister or their family. Donations are directly given / deposited to the brother/sister in need. Since the launch, the project already provided total of Php 50,300.00 financial support to three brothers for their immediate family members. (Bro Jayson Abayan's wife and new born child, Jan 18, 2022 - Total Cash Donated: Php 13,900.00; Bro Alvin Diaz's mother, Feb 13, 2022 - Total Cash Donated: Php 10,050.00; and Bro Theody Segarra's wife, Feb 17, 2022 - Total Cash Donated: Php 26,350.00).

As we focus on continuity and sustainable projects, section officers and the Federation are looking forward on ironing out implementations of initial plans for the second half of our term. As we empower our alumni associations to continue with all four folds of service, we stay focus on projects that provides more impact, higher exposure and better engagements across the province of Batangas and make our organization known and legendary through the years.

# SECTION II - CAVITE

Section II- Cavite of Alpha Phi Omega Philippines is composed of 3 Collegiate Chapters, 9 Alumni Associations, 4 Petitioning Collegiate Chapters, 3 Petitioning Alumni Associations and 1 group of APO who loves adventures.

## DELTA KAPPA OPERATION TULE

Tule is the Filipino term for circumcision - the action or practice of cutting off the foreskin of a boy's genitalia. In the Philippine culture, circumcision is mostly done on adolescents to signify the culmination of their manhood.

The Delta Kappa Alumni Association prides itself with its own Delta Kappa Medical Team - a group of selected Delta Kappans who does voluntary work and dedicates their time and effort to attend and provide circumcision services in different parts of Luzon week after week.

This medical team was the brainchild of the late Bro. Edmund "Bim" Mineque. His passion for this service is still being carried on by the Chapter. Today, Bro. Michael Malinay, Service Chairman along with the other key players Bro. Pyke Bonilla, Bro. Dave Faminiano and Bro. Dr. Roy Operana are spearheading the Medical Team.

From as early as December and up to date, "Operation Tule" services were successfully executed in partnership with various collegiate chapters, alumni associations, local government units and other non-government organizations.

The Medical Team uses a cautery machine used to burn and seal blood vessels. This helps reduce or stop bleeding during surgery or after an injury. It is a safe procedure.

To help facilitate the healing and prevent any complications, free medications were also prescribed and given to right after the operation. The parents and guardians accompanying the patients were given instructions on the prescribed dosage of the medication together with instructions on post-circumcision care.

The beneficiaries of the services rendered by the chapter are 5,139 boys and running, as the chapter still has upcoming operations Tuli scheduled for this summer.

The Delta Kappa Medical Team has institutionalized this service as the main event every summer and will continue for the many summers to come. This is the chapter's good turn daily, realized

-Sis. Yazmin Trixia Tadeo, DEKAALAS Secretary, 0410-2010-47884

# The APO Laguna

By Sis. Reiniel Antonett B. Solleza, Eta Theta '13

APO Region IV-A Section 3: The Province of Laguna is composed of 38 Chartered Basic Organizational Units, and 18 recorded Petitioning and Provisional Collegiate Chapters & Alumni Associations. This Development Year 2021-2023 APO Laguna is focused on 2 main objectives: first is **to boost the level of engagement** of each APO member in the Province of Laguna, **that will heighten the efficacy of each BOU**; and to **amplify the collegiate recruitment within the context of APP, EAPP & RA 11053**.

Through the leadership of its Section Chairman for Alumni Bro. Joey Lavapiez (Eta Theta, 2006), supported by its Section Chairman for Collegiate Bro. Erwin Dimapilis (Alpha Sigma, 2012), together with its Team of Officers, Service Committee, and Alumni Presidents, this great province is committed to pursue its **key goals, which are: to establish a system and evaluation procedure** specifically for reportorial requirements, policies, and processes mandated by the national organization; and **to formulate programs and projects that will aid and train Collegiate Chapters in recruitment**.

The total number of BOUs as follows:

- **13 Fraternity Collegiate Chapters** with a total of 42 active residents (based on the section's initial census);
- **10 Sorority Collegiate Chapters** with a total of 22 active residents (based on the section's initial census);

- **10 Registered and Recorded Petitioning and Provisional Collegiate Chapters** with a total of 13 active residents (based on the section's initial census);
- **15 Chartred Alumni Associations**; and
- **8 Petitioning Alumni Associations**

Moreover, here are the long term projects and program this Federation of BOUs currently focusing on:

- **Membership Development Modules** - Refreshing and upskilling members within Laguna regarding national policies and procedures.
- **Strict implementation of Mandatory Pledge Registration** - To monitor the compliance of each Collegiate Chapter with our Bylaws, APP, and RA11053 while utilizing google forms. This includes the submission of school registration forms and medical certificates; and
- **BOU Quarterly and Development Year-End Reports** - A close supervision of each submission and aligning all reportorial requirements to standard templates and criteria provided by Gawad Gintong Bayanihan Awards.

Being the site of the upcoming 33rd National General Assembly 2022, APO Region IV-A's Section 3 is tasked to lead its admin and logistics management, and communication and public relation team. Resolved to provide exceptional service to expected brothers and sisters who will delegate in the plenary session.

PHILIPPINES, INCORPORATED

Sis Joanna Marie "Joanne" Fortin  
0107-2008-44435  
NCAR Section 1 Chairwoman

It is always a privilege to greet my brothers and sisters in Alpha Phi Omega. Since I became an APO member, from 2008 until now, from my own chapter, Alpha Eta to NCAR officer. I am truly thankful for putting your love and trust in me, to lead and to serve for what I can do to our fraternity.

NCAR Section 1 will not be completed without the help of our Chapter/AA Presidents and members who have embraced the legacy of what an Alpha Phi Omega is. Your loyalty and respect has been my source of inspiration. "We stand as one in Section 1" is my official motto. As we stand as one will only be the beginning of everything, that we will stay together in progress and we will work together in success. Let's build towards longevity in Leadership, Friendship, and Service.

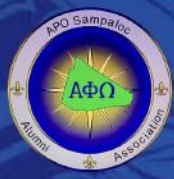

May We Always Be and Strong The Circle We! ☐☐☐☐

0001-2008-44438  
NCAR Section 1 Deputy Chairwoman

A true APO is like a light house; it doesn't ring bells & fire guns to call attention to its luminance... it simply shines. Just like every APO here in NCAR Section 1 and across the Philippines.

May we Stand as One in Leadership, Friendship, and Service.  
☐☐☐☐

We Stand as ONE

# SECTION 1 - City of MANILA

NATIONAL CAPITAL ADMINISTRATIVE REGION

Sis Ayen Casiño  
0016-2020-55677  
NCAR Section 1 Chairwoman

Leadership, Friendship, and Service, these are the three cardinal principles that was taught to us ever since we pledged to our beloved fraternity and sorority. It is truly amazing to see these principles very alive and evident to each and every brother or sister I meet anywhere. But I won't have the chance to see such beauty without the support of each and everyone of our brothers and sisters, may it be from my chapter, Pi Chapter, or the residents of each chapter or alumni associations in NCAR Section 1.

Without this support, I won't be able to see how our services build a new tomorrow. To this I would like to tell all of my brothers and sisters thank you and MAY WE ALWAYS BE!

Bro. John Gabriel Santarina  
0016-2018-54707  
NCAR Section 1 Deputy Chairman

Despite the adversities brought by the pandemic, we were still able to show the principles of Leadership, Friendship, and Service. We were able to serve our countrymen because of these. Most importantly, we stood as ONE in NCAR Section 1, and may we continue to do so. Let's strengthen our bond and become better examples for the next generation of Alpha Phi Omegas.

Maraming salamat mga kapatid. May we always be!

in SECTION 1

# APO COAST MIMAROPA

## (Region IVB – APO MIMAROPA)

APO Philippines is composed of administrative regions based on the official administrative regions of the country. Each Region has Sections to facilitate its administration and operations. Region IVB – MIMAROPA is one of those administrative regions.

APO Philippines designated provinces of administrative regions as Sections. Hence, in Alpha Phi Omega Region IVB – MIMAROPA, there are 5 Sections, as follows:

- Section 1 – Marinduque
- Section 2 – Occidental Mindoro
- Section 3 – Oriental Mindoro
- Section 4 – Palawan
- Section 5 – Romblon

Photo Credits:  
Google Photos

In October 2021, we, in Alpha Phi Omega Region IVB – MIMAROPA Regional Directorate identified our flagship programs considering the region's landscape. For the main strategy and intended areas, we have APO-COAST or Cooperation for the Oceans, Seas and Territories. For main results, we have APO-PREN or Protection and Restoration of Environment and Natural Resources.

APO-COAST and APO-PREN enjoin the Basic Organization Units (BOUs) of the region identify, adopt, and sustain areas for implementation of projects and activities. They will forge Memoranda of Agreement with concerned government agencies, local government units, and other organizations who can be cooperators. Conduct of undertakings will hold synchronized activities when possible; climate and sea level conditions considered.

Our region will be referred to as APO COAST MIMAROPA.

We have a total of 33 BOUs, composed of 15 Fraternity Collegiate Chapters (FCCs), 5 Sorority Collegiate Chapters (SCCs), and 13 Alumni Associations (AAs). Also, we have about 28 petitioning groups, collegiate and alumni.

Councilor - Elect Charles Osel Caratihan  
Municipality of Calauan  
Province of Laguna

Batch 2017A  
Justice College of the Philippines  
Petitioning Chapter 208

**BRO RODOLFO "AGIMAT" VELASCO Jr.** is a member of XI-CLEC Chapter GALLEGO FOUNDATION COLLEGES, Batch 1982 with I.D. No. 36321. He has been an active member of our organization since then and continuously helps in various activities of the fraternity. Since 2015, Bro Agimat is the president of APO San Isidro Alumni Association (APO SIAA). He was the one who gathered all brothers & sisters in San Isidro, Nueva Ecija to come up with an organized and full functioning Alumni Association that conducts various projects/activities since 2015.

In year 2012, Bro Agimat and Sis Agua met in an event and on that same year they became a couple.

**SIS SHERADY "AGUA" DE RAMOS** is a member of PHI CHAPTER, Batch 2010 with I.D. No. 49285. She is an active member since then and last December 16, 2021 she was inducted as the President of APO PHI AA (Pet.) for this DY 2021-2023. Sis Agua is unstoppable in organizing and heading various projects and activities as she is very eager to achieve one of her goals, to make APO PHI PETITIONING AA be recognized during her term.

Today Bro Agimat and Sis Agua are back to back in helping the organization be more productive most specially in terms of services that helps many people in the scope of their AA's. With the help of their AA members, they know all of their hard work will soon pay off.

*Ever since I became a member of this organization, I've always aim to become an asset member and not a liability. Being the AA President is a challenging role but it gave me a lot of opportunities to embody everything that I have learned since my pledge days. Today, my vision is to unselfishly give time and energy to conduct services that will not only benefit our brothers and sisters but will also greatly affect the lives of the non-members who are in need.*

*I know that all of these are possible as I carry the light of leadership friendship and service to guide me all the way.*

## ARNA REPORT for TNT

Administrative Region of North America (ARNA) has twenty-four (24) chartered alumni associations under its jurisdiction; another thirteen alumni associations still not chartered and is humbly serving more than 1600 APO Philippine individual members.

### Services and Actions:

1. Submitted a draft of the revised ARNA/ACNA Proposal, under review.
2. Rendered assistance to 41 members' renewal of APO Ids (payment of dues)
3. ARNA Charter Dues Schedule

Alumni Associations that are up to date

- a. APO Midwest AA
- b. APO Toronto AA
- c. APO Nevada State AA
- d. APO Central Valley of California AA
- e. APO Greater New York AA
- f. APO Manitoba AA
- g. APO Virginia Beach AA

Note: Will continue to follow up and aim that all AAs settle all duties and assessments.

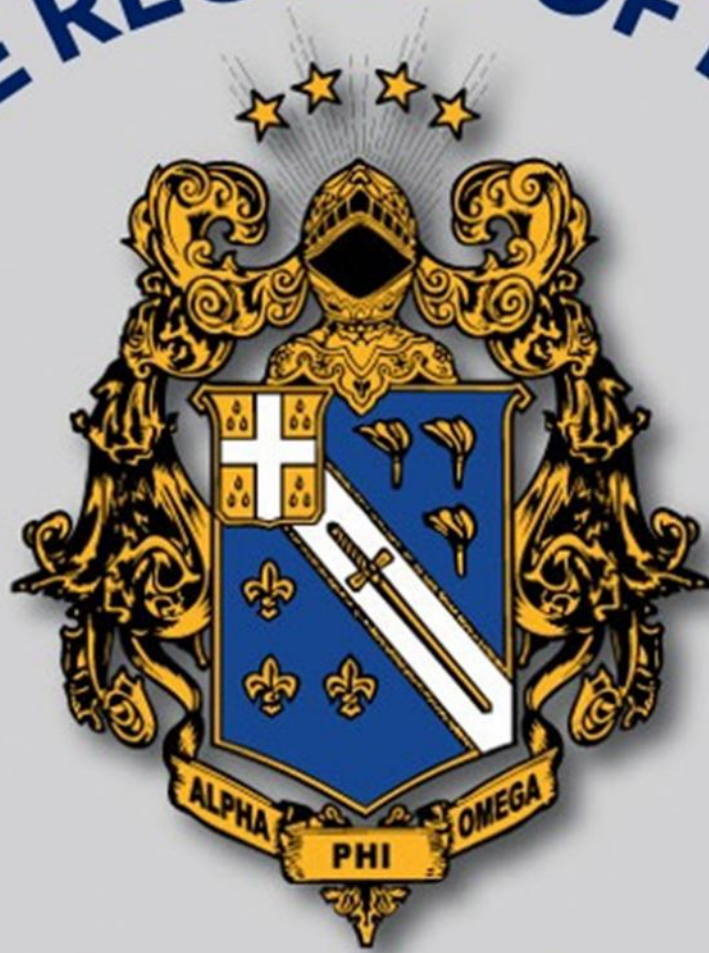

4. Promoted the APO Building Fund Raising Project
5. Provided endorsement to the Greater Winnipeg Alpha Phi Omega Canada Alumni Association (GWAPOCAA) for their alumni association charter application.
6. TNT ads, 1 page
7. ARNA as one of the special host of the 2022 APO GA
8. Attended the 1<sup>st</sup> ACNA Council meeting in Houston, Texas on April 29, 2022 and presented to the ACNA Board and Council a new Proposal.
9. Drafted an endorsement for 2 APO Philippines Life Membership applicants

# APO PHILIPPINES' SEMI-SESQUICENTENNIAL ANNIVERSARY

On March 2, 2025, Filipino APOs shall embark on a groundbreaking milestone, celebrating its 75 years of existence in the Philippines. Today, on March 2, 2022, we are currently 3 years ahead in planning such a phenomenal celebration.

This vast project proposed and chaired by Sis. Zarah Alunday-Escueta co-chaired with Alpha Chapter, endeavors to organize programs and activities that are in line with Alpha Phi Omega Philippines, Inc. 75th Anniversary celebration (Diamond Jubilee Celebration), history, grown culture and heritage, nevertheless, to put into the light the life and works of Bro. Dr. Librado Ureta.

SIS ZARAH

APO PH @75 CHAIRWOMAN

**Sis. Nette Villanueva**  
Assistant National Treasurer  
Editorial Staff, Torch N Trefoil

"Goodbye to our dear sister and friend.  
Thank you for your leadership, friendship & service.  
May we always be."

**PO-APPS** is an innovation to bring old traditions of APO Philippines to new dimensions. With PO-APPS, APO Philippines is now future proof. As an old oak tree, the organization will persevere and continue to be strong. With PO-APPS, the organization's services, ways, and means shall be transparent, efficient, seamless, realtime, paperless, contactless, cashless, and accessible anytime, anywhere. The app aims to provide and maintain reliable membership database, bring members closer and be well informed of all the important events and projects of the organization, a boundless venue for APO leaders to continue to serve and implement their plans and aspirations, and a platform for membership and other dues payments among others.

---

Now Available in **Google Play Store**, and very soon in **Apple App Store**.

---

## **START USING PO-APPS IN JUST 4 SIMPLE STEPS**

- **Download, Install and Open PO-APPS**
- **Create Account**
- **Log-In and Complete Profile**
- **Wait for approval and get Fully Verified!**

And you're all set!
