

Tenants Guidance Notes

Making an offer

Once you make an offer it will be put to the Landlord. The offer will have several components such as the monthly rent offered, proposed moving in date, the length of Tenancy, break clause details and any other requirements you may have. As the Landlords acceptance of any offer is dependant not merely on price but **ALL** elements of your offer, it is crucial that they are put forward at this stage.

Tenancy application

When you have found a property you would like to rent, you will be required to complete an application form. A holding deposit equivalent to one week's rent will be required on application. Holding deposits are non-refundable should your application be unsuccessful by way of failed reference and/or right to rent check or the application is withdrawn by you. Holding deposits are held for a period of 15 days in order to allow for the relevant checks to be carried out. In the event this needs to be extended you will be notified in writing.

Please be aware that if you are on a temporary contract of employment or on a probationary period, you may be required to provide a guarantor. Please check with a member of staff prior to making payment of the holding deposit, as this may not be refundable once references are started.

If a Tenancy is to be entered into by a limited company, partnership or charity, a company search will be carried out on completion of the relevant application form and on receipt of an administration charge of £350 + VAT (£420 inclusive of VAT).

Right to rent - ID

Any persons over the age of 18 coming from inside the EU, EEA or Swiss citizens are required to produce a passport and a share code to prove their right to rent. Any person coming from outside the EU will be required to show their VISA or Permit Card to accompany their passport.

All applicants will also be required to produce a recent copy of official correspondence i.e. a utility bill or bank statement at your most recently stated address. These will be required at time of application.

Tenancy Agreement & payments

Once we have satisfactory references we will agree a move in date that is suitable for yourself and the Landlord. You will then be required to sign a Tenancy Agreement outlining the Landlord and Tenant obligations. It is extremely important that you read the Tenancy Agreement carefully and make sure you understand the clauses. If there is anything you do not understand or would like clarified, you should initially speak to a member of our lettings staff. You should also seek independent legal advice to satisfy yourself that you understand all aspects of the document.

To enable you to take possession of your rental property you will need to pay:

- Your first month's rent in advance.
- Watsons request a standard deposit of five weeks' rent.

The money must be paid in some form of cleared funds i.e. bankers draft, building society cheque, cash or bank transfer. Bankers drafts and building society cheques must be made payable to Watsons.

VERY IMPORTANT: FAILURE TO ENSURE THIS PAYMENT IS RECEIVED IN CLEARED FUNDS PRIOR TO OR ON THE DAY OF YOUR MOVE WILL RESULT IN YOUR TENANCY COMMENCING BUT YOU BEING UNABLE TO TAKE UP OCCUPANCY UNTIL THE FUNDS ARE CLEARED.

Our bank details are NatWest; Sort Code 53-70-11; Account Number 72674369 using the first line of the property address as a reference. Please note that transfers can take up to 5 working days to clear, please check with your bank.

Inventory and schedule of condition

An inventory and schedule of condition of the property will be prepared and paid for by the Landlord. At this stage you will agree the present condition of the property and sign to confirm.

At the end of the Tenancy a check out will be carried out by an independent inventory company to verify the condition of the property.

Managed property

We manage a large proportion of the properties we let on behalf of our clients. This means that we are your point of contact for all maintenance and repairs or for any other issues in relation to the property or the Tenancy. For example these include; rent processing, quarterly inspections, Tenancy renewals and the move out procedure.

Non-managed property

Where the property is not managed your point of contact will usually be your Landlord or their appointed representatives. We will provide you with all their necessary contact details.

Rent payments

After the initial payment, your rent should be paid by Standing Order leaving your account three days prior to the due date each month. You must therefore have a bank or building society account capable of supporting payments by this method. It is a contractual obligation that the rent is paid on time by standing order.

Rent arrears

Non-payment of rent is a breach of contract. Please inform your agent or Landlord if for any reason the rent payment will be late or if you are experiencing any difficulty in paying the rent.

Utilities

You are responsible for the payment of all utilities (for example gas, electricity, telephone, council tax and water) during your Tenancy. You must notify all utility companies of your contact details and meter readings. You will also be responsible for notifying them of your departure at the end of the Tenancy. If you have a television you will need to purchase a TV Licence.

Insurance

We strongly advise that you arrange your own contents insurance to cover your belongings and valuables. Any insurance the Landlord may have would not cover the Tenant's belongings. As accidents can happen, we would also insist that you have a form of 'Tenant Liability Insurance' to cover you for accidental damage. We can provide information for an insurance company at your request.

Periodic inspections

For managed properties Watsons will visit the property on a quarterly basis to ensure it is being kept in good order. We will always endeavour to arrange these visits well in advance to minimise any inconvenience, and to give you the option to be present if you wish to be. For non-managed properties, your Landlord may also wish to carry out inspections but these will also be done by prior arrangement to suit both parties.

Renewal

At the end of the initial period of your Tenancy, if your Tenancy is renewed on either another fixed term or a Statutory Periodic (month by month) basis, we will draw up all the relevant paperwork to confirm this.

Early termination

When you enter into a Tenancy you are legally bound by its terms, including the fixed period of Tenancy.

If however you wish to end the Tenancy earlier than the fixed term, in some circumstances the Landlord may agree to release you from the Tenancy early. If the Landlord agrees to an early release it will be solely at their discretion, and subject to conditions. By ending the Tenancy early you would be responsible for the Landlords reletting costs to include, remarketing fees, any rent and utility bills until the start of the new Tenancy and all inventory related costs.

Vacating the property

At the end of your Tenancy you will be asked to leave the property in a clean and tidy condition. A checkout will be carried out once you have finished in the property and keys returned direct to Watsons office.

You will be responsible for cancelling your standing order for the payment of rent once the Tenancy has ended.

Any post should be redirected to your new address. Watsons will not be responsible for forwarding or holding post in the office for you.

Deposit return

Once the checkout has been done, all parties will receive a copy of the report. This will state if anything is needed to be done which is Tenant responsibility, i.e. cleaning etc.

We will always try to reach an agreement between yourself and the Landlord regarding any deductions, however if this is not possible Watsons/the Landlord/yourself will be asked to forward all evidence, i.e. check in and checkout reports and any quotes for works etc, to the Deposit Protection Service who will make the final decision and distribute the deposit appropriately.
