## Coloured Linbins

Is there an industry anywhere in the world not using Linbins? We don't know one! Order Linbins and you get a better bin. It's the original and it's still the best. It comes in a bigger range of sizes; it's stronger and lasts far longer. There are many advantages to coloured Linbins. They brighten up your business and can help with speedy stock location

- Manufactured from tough polypropylene for long life - the toughest bin available
- Reinforcing ribs - stack without distortion
- Full width lip - secure fixing to louvre panel

Code	Linbin Size	Height (mm)	Width (mm)	Depth (mm)	LBU	Pack Quantity	Load (kg)

Note: packs are in quantities stated - one colour per pack

## LINBIN

## Black Linbins

Our range of Black Linbins are made from 100% recycled plastic. They use the same moulds and so have the same high quality you expect from the Linbin brand. The savings are available due to the cost of recycled raw material being lower.

- Manufactured from recycled tough polypropylene for long life
- Still the toughest bin available
- All the same features as the standard Linbins

Code	Linbin Size	Height (mm)	Width (mm)	Depth (mm)	LBU	Pack Quantity	Load (kg)
VPK01BLK	Size 1	105	105	50	1/2	40	2.3
VPK02BLK	Size 2	75	105	135	1	20	13.5
VPK03BLK	Size 3	75	105	190	1	20	13.5
VPK04BLK	Size 4	130	140	210	2	10	27
VPK05BLK	Size 5	130	140	280	2	10	27
VPK06BLK	Size 6	180	210	280	4	10	27
VPK07BLK	Size 7	180	210	375	4	10	36
VPK08BLK	Size 8	180	420	375	8	5	54
VPK09BLK	Size 9	230	455	210	5	5	54
VPK10BLK	Size 10	295	420	455	12	3	68

### Linbin Divider Packs

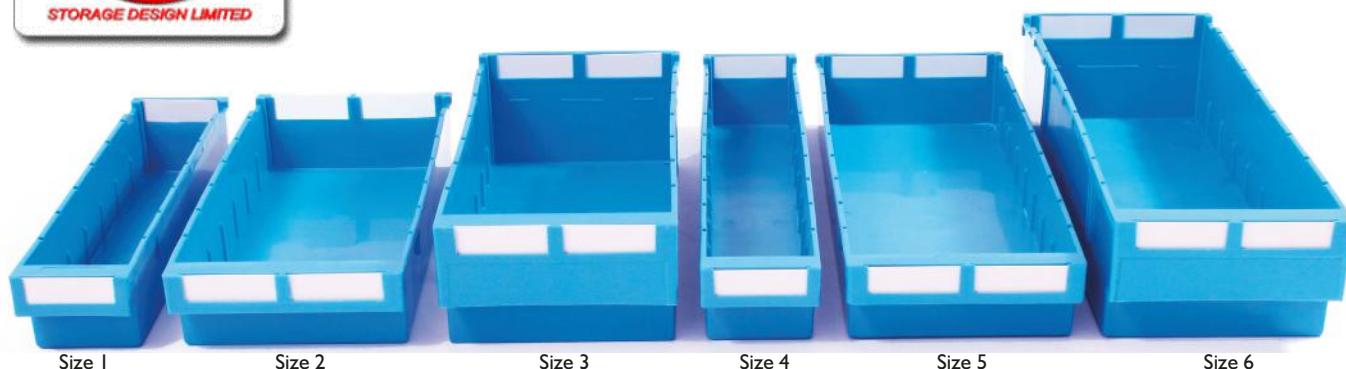

Linbin Dividers are ideal to segregate your Linbins to create even more picking space for multiple items while still using the same space.

- Dividers will fit into most Linbins - some will accept two

**Linbin Trays**

Our Linbin trays have all of the star quality of the famous Linbins plus a few of their own, like the ingenious end stop preventing travel beyond the shelf edge. These features can save a lot of wasted time, help with quicker access to stock and aid safety.

- Designed to fit automated carousel machines or close picking shelves
- Manufactured from tough polypropylene for long life
- Optional wire end stops to prevent travel beyond shelf edge

Code	Height (mm)	Width (mm)	Length (mm)	Pack Quantity
VTOPK1	80	94	400	20
VTOPK2	80	188	400	10
VTOPK3	115	188	400	10
VTOPK4	80	94	500	20
VTOPK5	80	188	500	10
VTOPK6	115	188	500	10

Each pack supplied with 40 labels

**Linbin Tray Dividers**

Linbin Tray Dividers - Make better use of space. Linbin trays give more storage for a given space. The 400mm deep trays have provision for 6 dividers giving up to 7 separate storage compartments and the 500mm trays can be divided into as many as 9 individual compartments.

- Designed to fit Linbin trays. Each pack is supplied with 40 labels.

Code	Type	Pack Quantity
VTPART1	Fits VTOPK1/VTOPK4	20
VTPART2	Fits VTOPK2/VTOPK5	10
VTPART3	Fits VTOPK3/VTOPK6	10

**Linbin Tray End Stops**

Flat Head Nail end stops hold the tray at a convenient angle for order picking and prevent the tray moving beyond the shelf edge.
