ABOUT US

NEEL PRABHA EXIM ENTERPRISES is a dynamic Indian export company specializing in high-quality organic, dehydrated, and agricultural products. Established in 2025, we are committed to delivering premium natural ingredients to global markets with consistent quality, competitive pricing, and reliable service.

Our product range includes Organic Moringa Leaf Powder, Dehydrated Garlic Powder, Dehydrated Onion Powder, Potato Starch, Egg Powder, Neem Powder, and Cocopeat for agricultural use. All products are carefully sourced from trusted farms and processed under hygienic conditions to preserve natural nutrients, flavor, and shelf life. We follow strict quality standards to meet international requirements.

We provide export-grade packaging, typically in durable 3-layer HDPE bags of 25 kg, along with customized packaging options based on client specifications. With a minimum order quantity of 500 kg, we efficiently handle bulk orders and ensure safe, timely delivery worldwide through reliable logistics partners.

Led by Proprietor Mr. Shailesh Prabhakar Agharkar, our company focuses on building long-term business relationships based on trust, transparency, and customer satisfaction. Our goal is to become a dependable global supplier of organic and dehydrated products while maintaining the highest standards of quality and service.

OUR PRODUCTS

Regular Moringa Powder

Organic Moringa Leaf Powder

Dehydrated Garlic Powder

Dehydrated Onion Powder

Potato Starch

Egg Powder

Coco Peat

Neem Powder

Regular Moringa Powder

Premium-grade moringa leaf powder processed under hygienic conditions to retain nutritional value and natural color.

KEY FEATURES
