### **Voxie Tactics Debuts Grumblers Attack! PvE Training Ground for New Players**

AlwaysGeeky Games presents Voxies Tactics: "Grumblers Attack!", the studio's highly anticipated PvE (Player vs. Environment) experience! The debut chapter represents a sprawling new narrative dimension of the world of Voxies, offering players a structured, mission-based way to master the game's deep tactical mechanics. Voxie Tactics is officially expanding its "Player-First" onboarding strategy designed to convert traditional gamers into Web3 enthusiasts.

### **Gaming Without the "Gear Gap"**

The biggest hurdle in Web3 gaming has historically been the "barrier to entry." By allowing players to face off against relentless AI-controlled enemies, AlwaysGeeky Games is removing the intimidation factor of competitive PvP.

### **A New Gateway to Adventure**

The launch of PvE transforms Voxie Tactics into the ultimate destination for tactical RPG fans. Players can now dive head-first into a rich, mission-based narrative without delay. Whether you are a tactical veteran or a first-time explorer, "Grumblers Attack!" provides the perfect stage to

By providing a structured, story-driven experience, Voxie Tactics ensures that every player's journey starts with excitement and ends with a sense of accomplishment.

### Strategy Without Limits

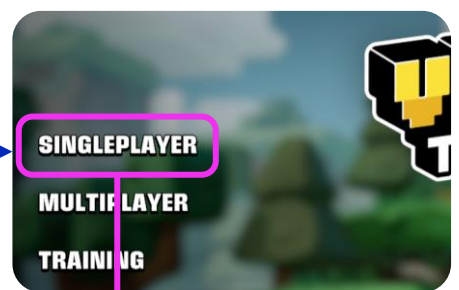

"Grumblers Attack!" features four handcrafted missions with escalating complexity. With the introduction of **Normal, Hard, and Titan** difficulty settings, players are empowered to choose their own challenge level.

- **Pick Up and Play:** Missions are optimized for short play-sessions.
- **Scalable Challenge:** With Normal, Hard, and Titan settings, players can progress from casual "snackable" gameplay to high-stakes strategy as their skills grow.
- **Deep Strategy, Low Friction:** The mode emphasizes the "Fun-First" aspect of the game, proving that Web3 gaming can be as intuitive and polished as any mainstream mobile title.

### A Bridge to the Future

Our goal is to make Voxie Tactics the most accessible tactical RPG on the market, period. By launching PvE, we're giving players a playground where they can fall in love with the world of Voxies, the characters, and the strategy before they ever have to worry about the complexities of a blockchain economy. We're building a game people want to play, with the added benefit of digital ownership.

AGG Head of Game Design

### What's Next for Voxies?

The fun doesn't stop with the release of "Grumblers Attack!" – AlwaysGeeky Games is also developing exciting new games: **Voxie Quests** and **Voxie Survivor**! The 14-day tournament **started on March 31<sup>st</sup>, 4PM UTC** and **will end on April 14<sup>th</sup>, 4PM UTC**. The **20,000 VOXEL prize pool** will be shared by players based on each player's Points relative to the total points earned by all qualifying players:

$$\text{Player's VOXEL Reward} = \frac{\text{Player's Points}}{\text{Total Points of ALL Players}} \times \text{🏆 20,000}$$

For example, if a player earns 10 points and the community reaches 200, the player contributed 5% of the total. That means he'd receive 5% of the prize pool.

### Tournament Details

- Eligible Arenas: Extreme and Titan Arenas
- All 21 unique Voxie Titans are unlocked for a limited time
- In Titan Arena, players can bid with any range from 100 to 1M Voxite (= 1 to 10,000 \$VOXEL) to automatically match across 10 layered pools; the system will assign players to the ideal pool based on their ELO.

## About The Author

**Moonscaper** here! I'm a Voxies and Voxie Tactics Items NFT holder and I've been a part of the Voxies community since June 2021.

I can't believe I've been delivering the monthly Voxies newsletter for more than 3 years! Sadly, this month's issue is the final newsletter from me, but it was one hell of a ride that started from a whim of posting the weekly Voxies news on Twitter in 2021 up to this month's newsletter. Thanks for sticking with me!
