THIS WEEK IN A PICTURE

SHE JUST LOVES CRICKET

Holly Stride, 13, smashed her first century with an unbeaten 104 for Yorkshire Girls U13s against Northumberland on 27 May. The King Edward VII School student, who's played for Hallam CC since age 7, batted the full 40 overs, facing 131 balls in 153 minutes. Remarkably, it was not only her first hundred—but also her first fifty, eclipsing a previous best of 44. Holly also plays for Yorkshire U15s and friendly games with Sheffield University Staff.

Hallam secretary, Richard Storer said about Holly: "It's great to see the progress she's made since she first came to All Stars seven years ago. She's got great focus and determination. I always remember walking past her house during covid and seeing her dad, Chris, running up and bowling into their garage where Holly was batting. Excellent social distancing, excellent batting practice!"

Barnsley FC Women Withdraw Abruptly

By Julian Barker

@julianbarker111

Yesterday afternoon (4th June), The FA revealed its confirmation of the Women's Football Pyramid (WFP) club allocations for Tiers 1-6 for the 2025-26 season.

Several hours earlier Barnsley FC posted that it was withdrawing its Women's team - Barnsley FC Women - from the FA Women's National League where it had finished eighth in its debut season at tier four.

In a letter on the club website, Chairman Neerav Parekh stated: "Despite our Men's Academy teams being able to play competitive League fixtures on both our Showcase and 4G pitches, under EFL and Premier League regulations, we have been informed by the FA that these facilities do not meet the criteria for the fourth tier of the Women's game and therefore the full operation would need to be moved either onto Oakwell Stadium or a local grass-roots club, both are financially and logistically not possible with resources available."

"It may have been possible to obtain temporary dispensation from The FA, however this would only delay the inevitable decision around the additional costs of playing at a different venue."

How much the Barnsley FC players knew about this is not known, but the tim-

ing of the club's announcement hints that it may well have come to them as a bombshell similar to that of recent events at Blackburn Rovers and Wolverhampton Wanderers where announcements surrounding the future of their women's outfits were released much later than what many would term to be in the best interests of the players.

While the exact nature of why "these facilities do not meet the criteria for the fourth tier of the Women's game" is not stated and without knowing what criteria the FAWNL were considering, it is plausible to attribute the distance between the viewing area and toilets and also the absence of a recognised physical turnstile as being most likely.

Barnsley played several games on the main pitch at Oakwell last season drawing some healthy crowds. The Women's team were well served by the media team home and away on match days.

So, the 2025-26

Women's pyramid for tiers 1 to 6 for local teams is as follows.

Tier 2 - Barclays Women's Super League
2. Sheffield United, who finished in 11th and bottom position last season, have been reprieved and will be hoping for much better fortunes in the year ahead.

Tier 4 - FAWNL. The independent (of Oakwell) Barnsley Women's FC will continue in Division One Midlands where they are joined by Sheffield FC (promoted as East Midlands Premier Division champions. Doncaster Rovers Belles, who finished in the higher of the Division One North's two relegation places have also been reprieved from relegation. A last day of the season win over Huddersfield Town ultimately proved crucial and enabled Belles to finish three points clear of AFC Fylde. So, Fylde suffered relegation for a second successive season. They began 2024-25 with a 2-2 draw at Barnsley.

East Midlands (all

four divisions starting with ten teams).

Tier 5 - Chesterfield Ladies (independent of Chesterfield men), Rotherham United and SJR Work-sop continue in the Premier Division to which Lincoln City have been relegated.

Tier 6 - Chesterfield Women (connected to Chesterfield men) and Dronfield Town continue in Division One North.

North East (all three divisions starting with twelve teams)

Tier 5 - Brunsmead Athletic, promoted as Southern Division champions, are the most southerly of the division's dozen teams.

Tier 6 - Handsworth, Kiveton Park and Sheffield Wednesday are joined in the Southern Division by the promoted duo of Millmoor Juniors and Rossington Main (both from Sheffield & Hallam Women and Girls League)

Both the East Midlands and North East Regional Leagues suffered from teams withdrawing over the past year.

County Football Rankings

Lee Hickman, coach at Kiveton Park, has compiled and shared a comprehensive ranking of football clubs within the Sheffield & Hallamshire County FA region, based on their performance in the 2024/25 season. The list, published on social media platform X, orders clubs by merit according to their final league positions.

The ranking system prioritises the level each club occupies within the English football pyramid. For clubs competing at the same step level but in different leagues, Hickman used points-per-game (PPG) as the deciding metric to determine their relative standing.

This initiative offers a unique snapshot of the regional football landscape, highlighting the achievements of local teams across various tiers and providing fans with a clear view of where their clubs stand in comparison to others.

Housley departs Swallownest

Swallownest FC have confirmed that following their imposed lateral move to the United Counties League from the Northern Counties East League, manager Jamie Housley and his management team have left the club.

Chair Louise Pink said: "I understand his perspective and everything is amicable. I think Jamie had an inkling that some of the players were moving on. On top of that it is a busy role, a volunteer role, and it takes a lot of your time and he has a young family.

"We are very sad to lose Jamie. It's also a shame because he had done a great job and we were building on something quite strong. He was a good fit for Swallownest."

Club Thorne Calls for Unity

By Steve Birch

@southyorkshiresport

Club Thorne has issued a public statement addressing growing concerns and speculation surrounding the proposed new community facility in Thorne and Moorends. The statement, released in response to a wave of social media discussion over the weekend, aims to clarify the club's position and encourage constructive dialogue with local authorities and residents.

The club emphasised that its intention is not to criticise Thorne & Moorends Town Council or any of its members, but rather to provide transparency and foster cooperation. “We strongly discourage any form of negative or inappropriate actions or commentary,” the statement read. “Our goal remains to work collaboratively with all stakeholders to ensure that the new facility best serves the entire community.”

As of Sunday, 1st June, the club confirmed that the Town Council has voted against adjusting the proposed location of the new community building by 50 feet—a change the club says is necessary to

meet Football Association ground grading requirements. No alternative solution has yet been formally proposed or offered to the club.

During a council meeting held on 20th May, several reasons were cited for the decision not to relocate the building. These included potential delays to the overall project timeline, significant costs associated with revising the floor plan—estimated to possibly reach six figures—and the need to remove the existing Multi-Use Games Area (MUGA) to create additional parking. Club Thorne clarified that it has never requested the removal or relocation of the MUGA.

The statement also addressed the £166,000 insurance payout related

to the project. According to the council, these funds are being earmarked for the operational costs of the new Levelling Up Fund (LUF)-supported Community Hub. However, the club noted that, as of 1st June, the official minutes from the 20th May council meeting have not been made publicly available.

Local residents have voiced a mix of concern and support. “It’s frustrating to see what feels like a lack of flexibility,” said Sarah Jennings, a parent of two young players. “This facility could be a real asset for the whole town, but only if it meets the needs of the people who’ll use it most.”

Others urged caution. “We have to consider the bigger picture,” said

Alan Morris, a long-time resident. “Delays and extra costs could jeopardise the entire project. I just hope both sides can find a compromise.”

Club Thorne reiterated its commitment to transparency and open communication with its players, parents, coaches, volunteers, supporters, and the wider community. “We are committed to transparency and wanted to share all currently available information with our community,” the board stated.

As discussions continue, the club has expressed hope that a mutually agreeable solution can still be found—one that supports both the development of local sport and the broader needs of the community.

Want to help us on South Yorkshire Sport

South Yorkshire Sport is entirely organized by volunteers, including the various organizations, leagues, and clubs that contribute, as well as those involved in compiling and publishing. Our readership has expanded significantly, with over 1,400 individuals having read the magazines, totaling more than 5,500 reads.

We are currently seeking a couple of volunteers to assist in the magazine's production.

****Role 1**:** We are looking for someone with experience in Desktop Publishing. While we primarily use Quark, familiarity with InDesign is also acceptable as the two are quite similar. This role involves compiling the magazine each week and taking on full publishing duties during holiday periods.

****Role 2**:** This position involves creating feature articles for the magazine. Contributions do not need to be weekly, but ideally, we would like at least one article every two weeks.

Both roles are expected to require no more than four hours of work per week, with the possibility of a few additional hours during holiday times. These positions would be excellent for anyone looking to enhance their CV with relevant experience.

Volunteers will need to have their own PC or Mac, but we will provide full licenses for the necessary software.

For more information or to express your interest in volunteering, please contact Steve at enquiries@southyorkshiresport.co.uk.

Thrillers, Gaps, and Glory in Showdowns

WORDS: Mark Simmerson

Glorious weather last Wednesday meant a full slate of action across the South Yorkshire Alliance Works Midweek Cricket League, with drama, dominance, and nail-biters lighting up the scorecards.

Division North

In Division North, **Thorpe Hesley and High Green** managed just 97-7 at **Barnsley Woolley Miners**, but thanks to miserly bowling and sharp fielding, kept the home side to 88-6 (C Fisher 3-24).

Shelley scored a handy 131-3 (N Moorhouse 43* B Fonquerne-Fisher 32*), however **Higham's** batters made light work of the target, running out winners by a comfortable 9 wickets (H Kendrick 60* G Naylor 60*).

Higham stay second, but already there's a considerable gap growing in the wake of leaders **Oughtibridge**. They notched up a daunting 154-8 (H Ilyas 53 J Clarke 4-42), the **Thorncliffe & Wentworth** reply stuttered to 116-8 (T Dawn 3-28).

Division South A

Moving down, geographically at least, to Division South A, **Whiston Forge** made 129-4 (H

Struggles 40* S Cooper 33) against **Holmesfield**, who had to work hard, but ran out winners in the penultimate over with 3 wickets standing (S Kasaraneni 47).

Waverley only mustered 117-9 (N Kizhakkekara Nizamudeen 31 M Lambert 4-20), but despite having wickets in hand **Outokumpo Stainless** could not quite get there, ending 8 shy on 109-3 (W Scott 58 J Lund 32).

Seemingly perpetual leaders of this division, **Sheffield Collegiate** rattled along to 151-5 (R Matthewson 55* M Tyas 36 M Krauss 3-20). In their innings **Sheffield Waterworks** fell well sort to close on 113-9 (D Clayden 49 M Krauss 30 G Bartlett 5-27).

Division South B

Finally, turning to Division South B, **Sheffield Transport** hit up a useful 149-7 (Y Kote 59) and despite the best efforts of **Baslow's** batters, the home team finished their inning on 132-3 (R Patel 58 I Hoverd 51*).

Match of the day in this division was at **Brookhouse**, where visitors **Brincliffe** scored 121-6 (I Garratt 35 C Bennett 33). Brookhouse appeared to be cruising to an easy win after 10 of their 12 8-ball overs, when they were 14 runs from victory with only 3 wickets down.

However a parsimonious penultimate from Tom Harrison yielded just 4 fours.

This left Brookhouse needing 10 from the last over, bowled by Ashok Nagamanickam. A dot, then a wicket. The next three balls yielded 4 runs.

Six needed from 3 balls. Another wicket! Six from 2! A boundary from the seventh ball! Two needed, one ball remaining! Wicket!

Brincliffe win by one run!

Woodhouse romped to 173-6 (T Trower 74), **De La Salle** staggered to 59-9 (Andrew Bagley 3-14). Woodhouse are second, level with Sheffield Transport, three point off the leaders.

Division top team **Hollinsend Methodists** totalled 126-8 (T Evans 44 S Bin Khurram 3-33) and then **HSBC** despatched for 80 all out.

Nail-Biters and Blowouts

WORDS: Afraz Khan

Match Day Two of the Allama Iqbal Sunday Cricket League brought a thrilling mix of last-over drama, dominant displays, and heartwarming moments as teams battled for early momentum in the competition

The standout fixture of the day saw **Pakistan XI** edge out **Royal Strikers** in a tense, last-over finish. Batting first, Royal Strikers posted a competitive 157 all out in 27.4 overs. Subhaan H led the charge with a brisk 41, supported by Zahid A (29) and Rashid K (28). Pakistan XI's bowlers kept things tight, with Waqar M (2-18) and Zahid A (2-29) applying consistent pressure. In response, Pakistan XI chased down the target in 24.4 overs, finishing on 161/7. Haider S anchored the innings with a composed 46, while Muhammad A's explosive 27 off 16 balls proved decisive. Despite Usman A's impressive 4-49, Royal Strikers fell just short in a match that went down to the wire.

Elsewhere, **Kotli CC** delivered a commanding performance to defeat **Sharrow CC** by 32 runs. Opting to bat first, Kotli posted a formidable 199/9 in their 30 overs, thanks to a scintillating 83 off 58 balls from Hussnain H. Sharrow's Shadab B fought back with 4-45, but their chase faltered. Afroz F's 43 was the only notable resistance as Sharrow were bowled out for 167 in 24 overs. Kotli's bowlers, led by Shadab A (4-45) and Haider A (3-25), ensured their side remained in control throughout.

Alison Law also impressed, cruising to a five-wicket win over **Kashmir CC**. Kashmir posted a solid 188/9 from their 25 overs, with Shahrukh K top-scoring with

a composed 72. However, Alison Law's response was swift and clinical. Mohammed R (60) and Raja A (56 off 31) led the charge, guiding their team to 191/5 in just 19.2 overs. Hisham A's 4-23 was a highlight for Kashmir, but it wasn't enough to halt Alison Law's momentum.

In the most one-sided contest of the day, **Sehnsa CC** crushed **Old Madras CC** by a massive 127 runs. Rabnawaz K stole the show with a blistering 103 off 64 balls, powering Sehnsa to 243 in 28.1 overs. Old Madras never recovered from the onslaught, bowled out for just 116. Despite a fighting 30 from Jude A and a tidy 3-27 from Vigneshwar R, Sehnsa's Azhar K (4-24) and Saqib S (3-22) ensured a ruthless finish.

With the league heating up, fans can expect more fireworks and family moments in the weeks ahead.

Narmando CC's three-wicket win over **Seven Hills** provided the day's most touching moment.

Chasing 154, Narmando were guided home by a father-son duo (pictured left).

Haydar Ikrar scored a vital 32, while his father, Ikrar Khan, added a rapid 27 off 18 balls.

Amjid T's 4-33 and Amaar B's 4-13 rounded off a memorable team effort.

Sheffield Breaks Win Drought

WORDS: Peter York

On a day marked by sunshine and intermittent showers, Sheffield Croquet Club welcomed York Croquet Club for the second fixture of the Yorkshire Croquet Federation Full Lawn (FL) League last Sunday.

Despite the unpredictable weather, the lawn—slowed slightly by recent spring rain—provided a fair and playable surface for a full day of competitive croquet.

The format followed the usual structure: two singles and two doubles matches spread across the day.

In the morning session, Sheffield's Mags Crossland (handicap 14) and Mark Simmerson (3.5) teamed up against York's James Moir and John Crompton (both 12).

Mags got off to a flying start, running six hoops early on. With Mark contributing steadily, the Sheffield pair built a commanding lead.

York struggled to find rhythm, and when time was called, Sheffield

had secured a comfortable 22-11 victory.

The morning singles featured Sheffield's Trevor Billard (3) against York's Tom Oulton (18).

With a significant handicap difference, Tom was awarded 15 bisques—extra turns that can be used at the player's discretion.

Despite this advantage, Trevor's tactical play and tight defence gradually wore down his opponent.

He edged ahead and held on to win 20-16 on time, giving Sheffield a 2-0 lead heading into lunch.

The afternoon brought renewed tension.

In the singles, Sheffield captain Mark Simmerson faced James Moir. James used his 8.5 bisques wisely, establishing a strong early lead.

It took over an hour before

Mark managed to score, but he began to claw back ground as James ran out of bisques. Despite a spirited comeback, Mark couldn't close the gap, and James held on for a 23-15 win, putting York back in contention at 2-1.

With the match result hanging in the balance, all eyes turned to the final doubles match.

Sheffield's Mags Crossland and Trevor Billard faced John Crompton and Tom Oulton, who had 6.5 bisques between them.

York started brightly, taking an early lead, but the Sheffield duo responded with determination.

Once they overtook their opponents, they never looked back, closing out a convincing 23-10 win.

The 3-1 result marked Sheffield's first outright victory since 2023, following a string of drawn matches last season.

The win also propelled them to the top of the league table with three points from two games, edging ahead of Beverley, who sit on two points from their two fixtures.

It was a well-earned triumph, reflecting the team's growing cohesion and tactical maturity.

Sheffield's next challenge comes on Sunday, 15th June, when they travel to York for a Short Lawn League encounter.

With momentum on their side and confidence growing, the team will be eager to build on this breakthrough performance and continue their push for league honours.

All about South Yorkshire Sport

Thousands of people in South Yorkshire partake and watch local and grassroots sport each week. Our aim is to report and promote all local sports - that is all local sports. We would love as many local and grassroots sports to reach out to us - it does not have to be a weekly article - although if you have weekly competitive leagues it would be great to report outstanding achievements, results, tables and fixtures. It can be less regular or adhoc. All contributions are free (each of the contributors do so on behalf of their organisations) and we are completely free to read and download. And if you are here just to read what is happening - that is absolutely perfect!

You can follow us on our social media accounts, let us have your views - we would love to know how we are doing!
