ONS - A driving force for the energy future

The ONS Foundation is a non-profit organisation facilitating discussions and collaboration on geopolitics, energy and climate issues.

The ONS event, our global energy forum in Stavanger, Norway, has been a meeting place for governmental representatives, high-ranking politicians, global thinkers and industry executives for over 50 years.

Building on this history, we aim to be a driving force for the energy future and an advocate for sustainable solutions.

What's in it for you?

ONS gives you a wealth of opportunities to do business, build networks and lay the grounds for future agreements and contracts.

Through our exhibition, partnerships and advertising options, you will reach the international energy industry:

- All the main global players are represented with stands at the exhibition.
- Industry leaders and technical experts attract wide and various audiences to our many conference stages

ONS offers a variety of promotional opportunities before and during the event to enhance your company's presence.

Exhibition

Eight exhibition halls filled with companies from the broader energy industry.

- Operators and suppliers
- Traditional energy and renewables
- Established players and startups

Conferences

Several conferences located throughout the ONS area.

- ONS Strategic Conference
- Energy Society at Centre Court
- Net Zero Markets
- Technical Sessions
- Young
- Scale-ups
- International Markets
- Summit (by invitation only)

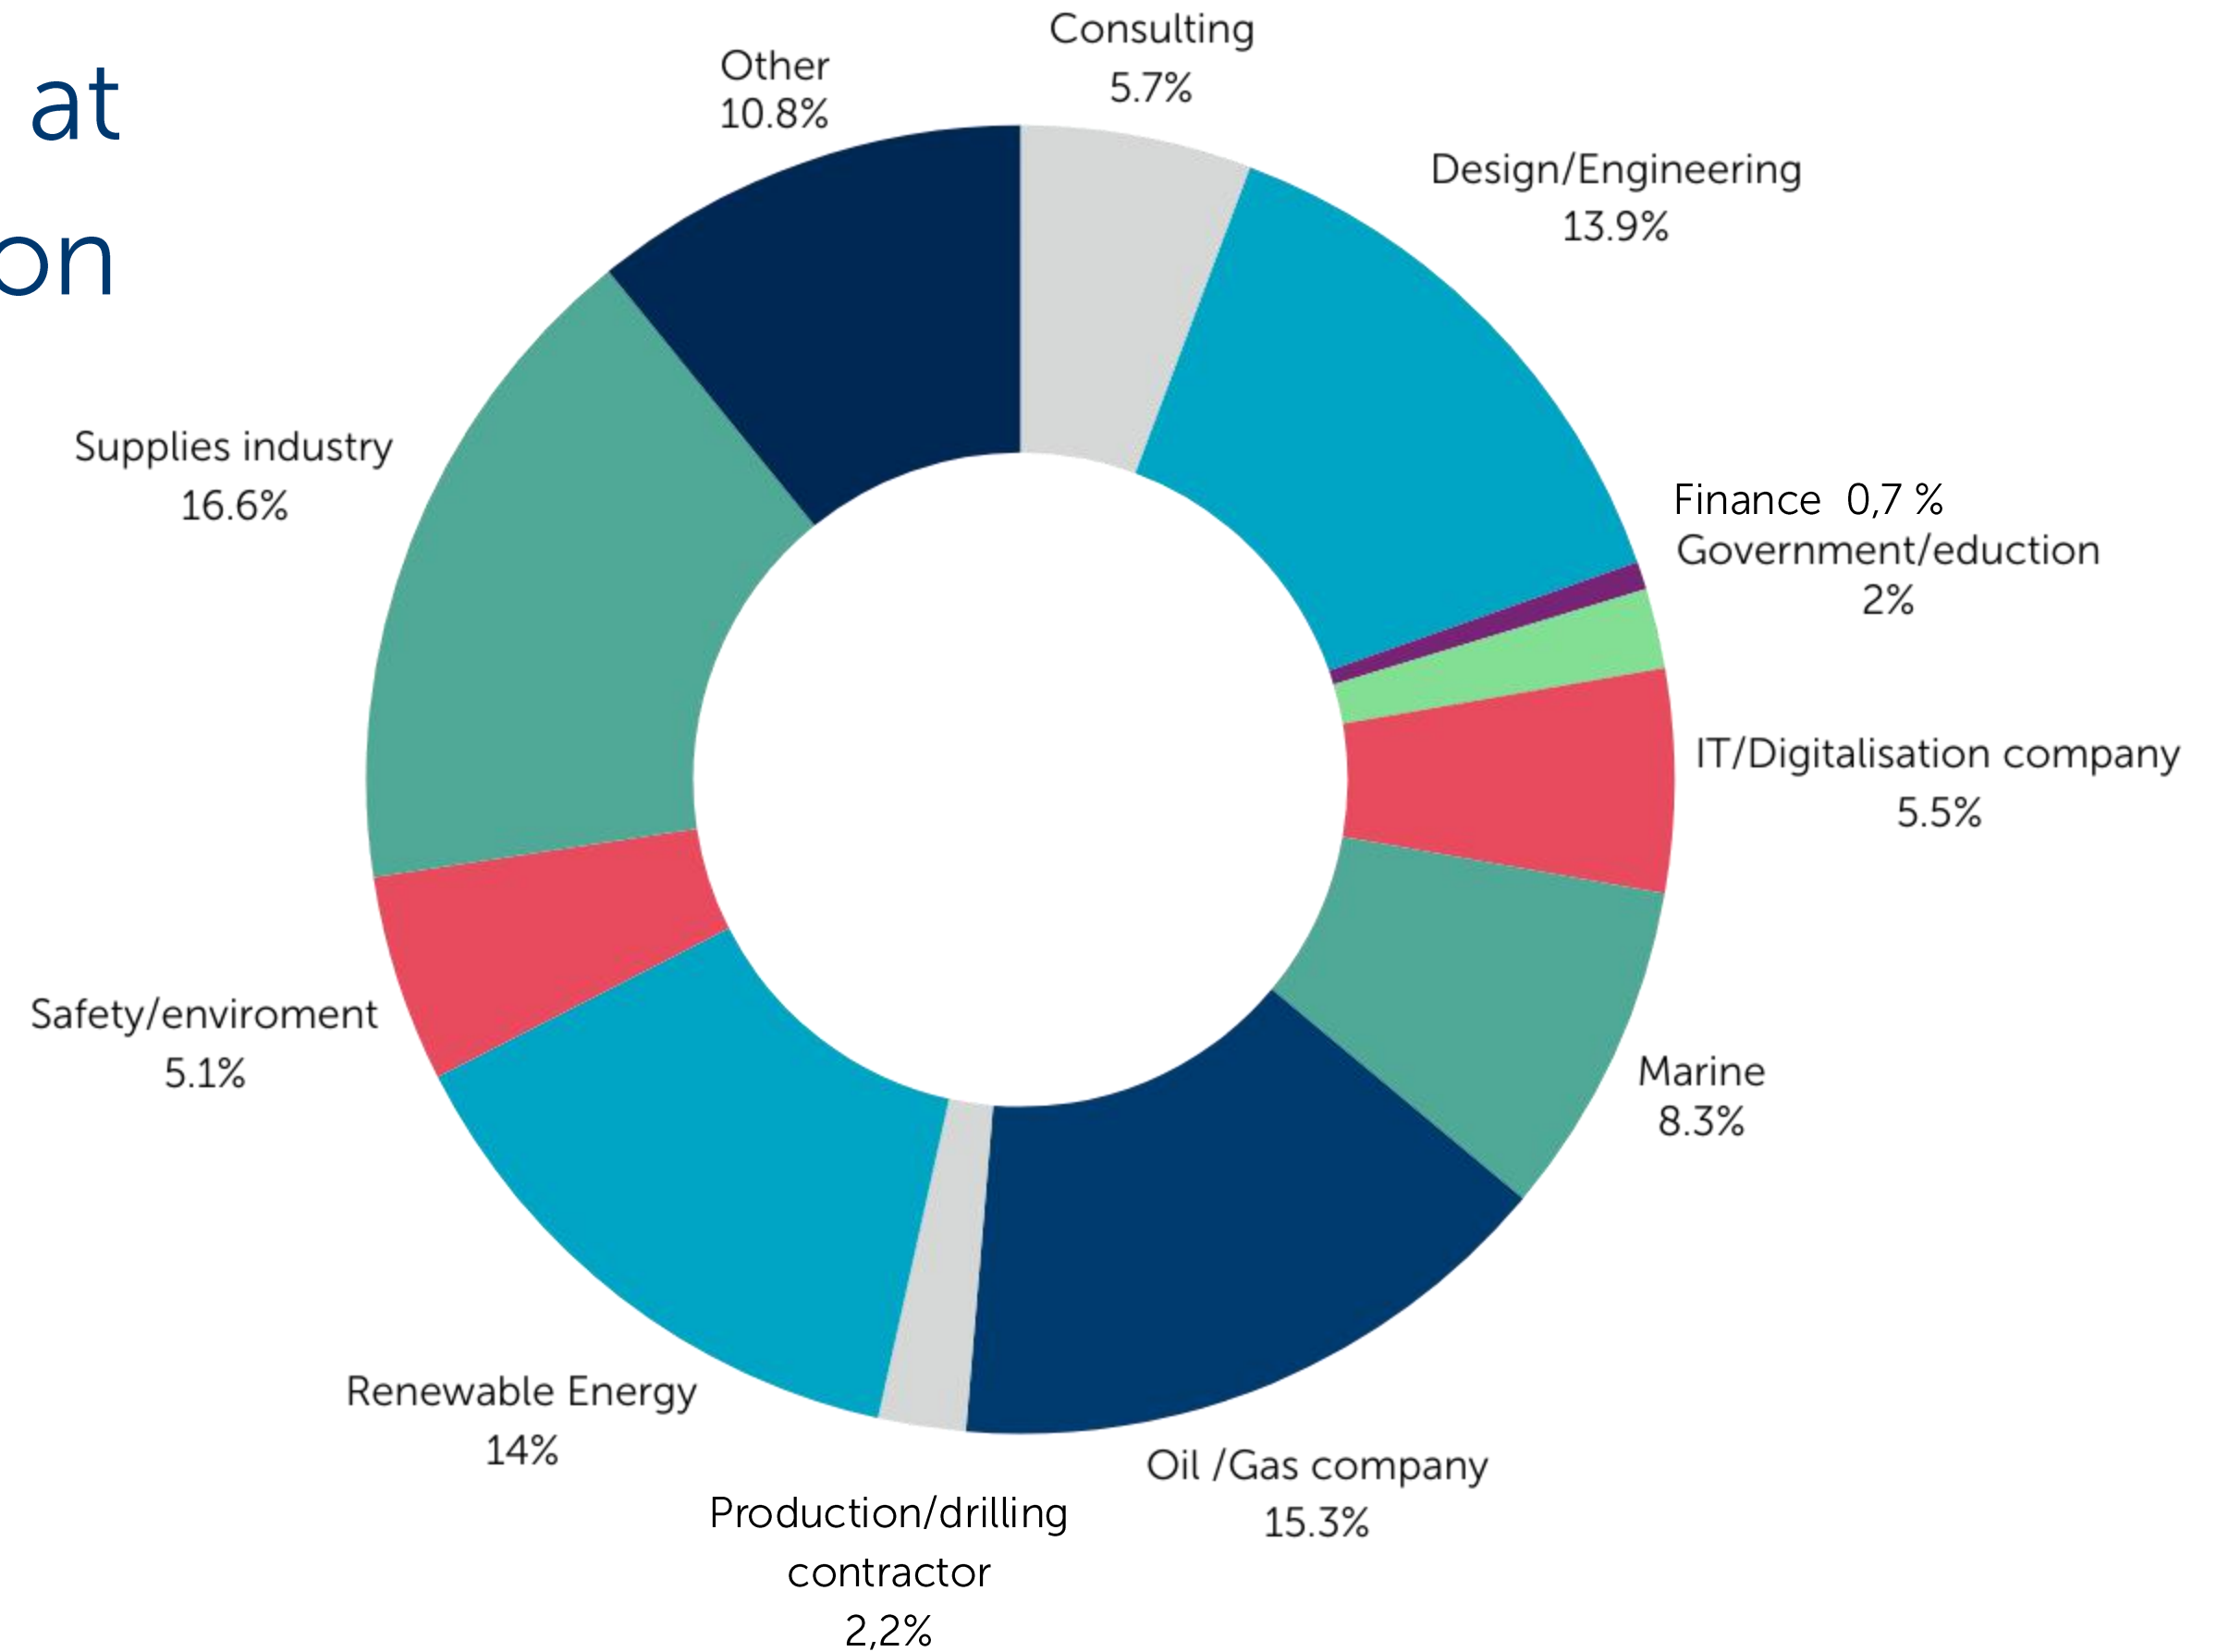

ONS+

Evening arena downtown Stavanger.
Free of charge and open to all!

- Debates
- Networking
- Food and music

Exhibit at the leading energy venue

Exhibition

ONS is a global energy meeting place, connecting international suppliers and energy companies.

With over 1,200 exhibitors and senior executives from across the global energy sector, ONS stands as one of the world's premier events and a key reference point for the transition to cleaner, renewable energy solutions.

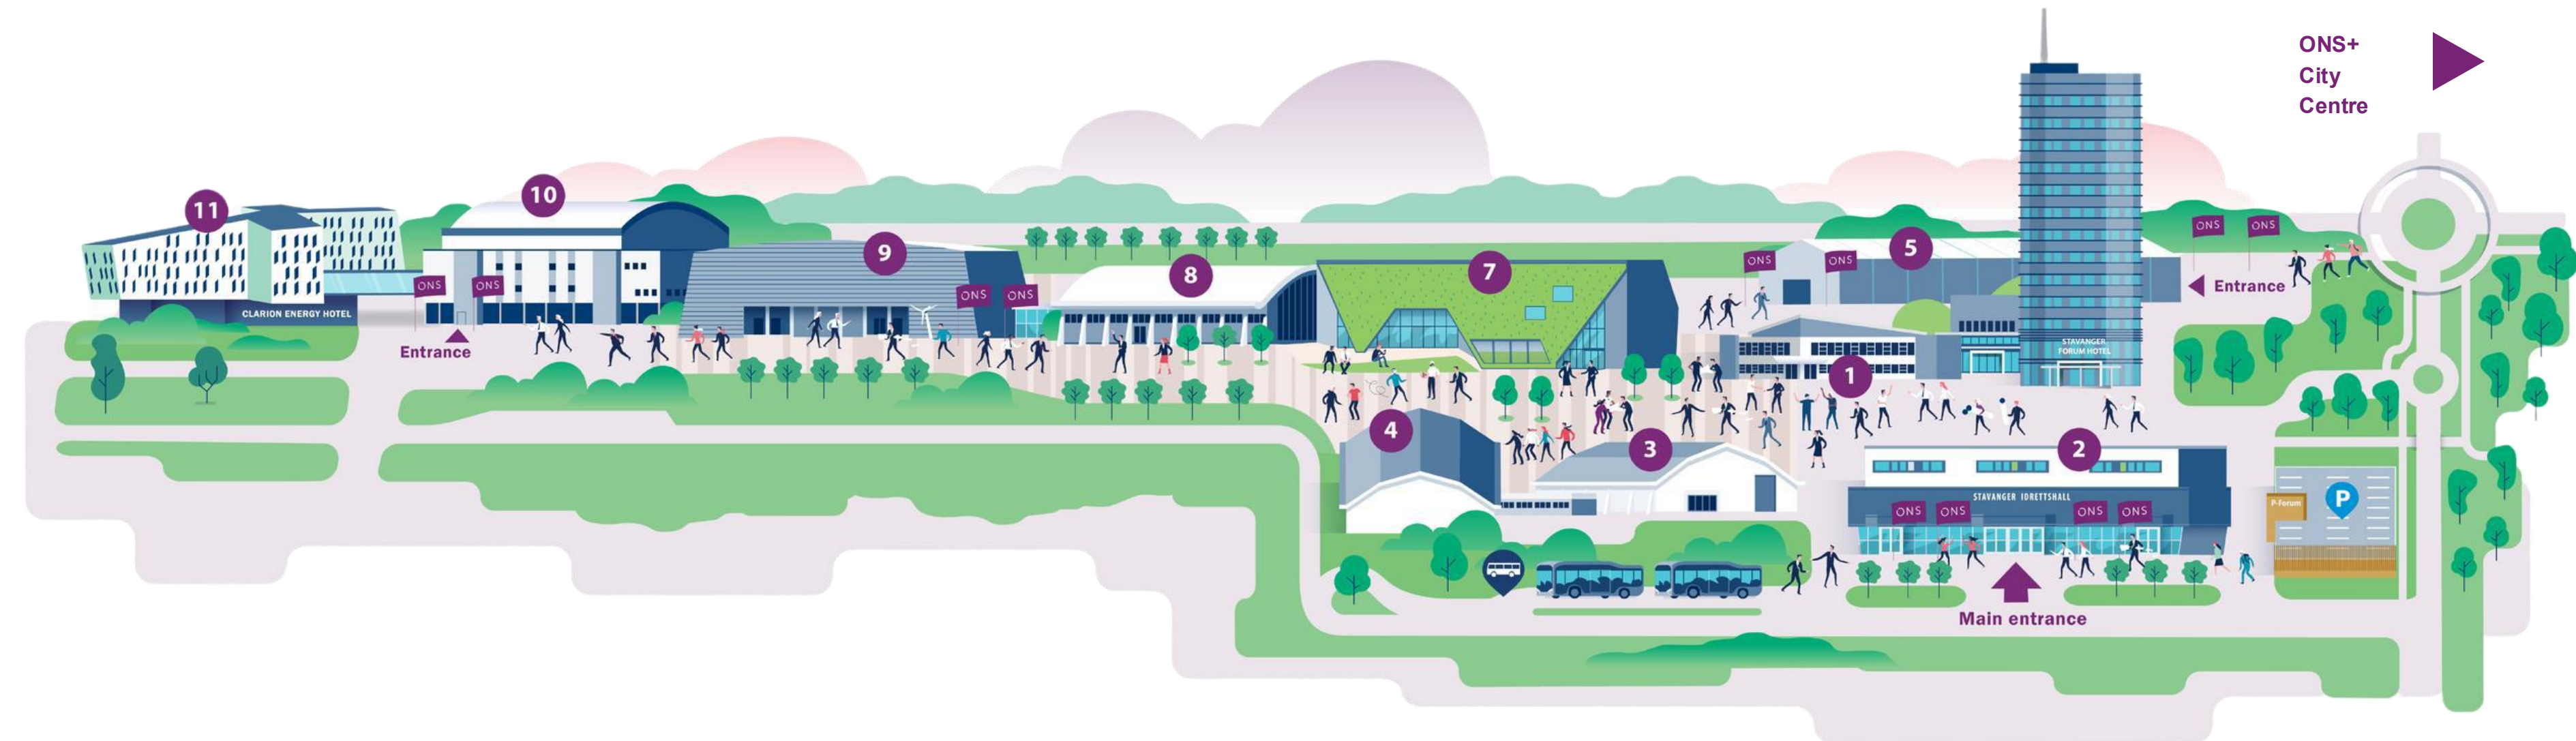

Engage with industry decision-makers, expand your business opportunities, gain valuable insights, and forge new connections with potential clients and partners.

Exhibit in Hall 3 and 4

The hub for ONS Net Zero Markets

As an exhibitor in Hall 3 and 4, you will have the chance to reach a highly relevant and targeted audience with a special interest in renewable energy, hydrogen, battery, CCUS, offshore wind, solar and more.

The audience is particularly relevant since the Net Zero Markets Conference is also hosted in Hall 3 and Hall 4, attracting world's leading innovators, policymakers, business leaders and energy professionals – practically to your stand!

Here you can showcase your products, services and solutions playing a vital role in the transition to clean and affordable new energy, and take advantage of the market opportunities in the net zero segment.

– and be part of the transition to a sustainable, net-zero future!

Showcase - Network - Finance

Get a unique base for pitching, input and network.

Where young and exciting companies in the energy sector go to network for their next fundraising event or pitch their next game-changing products and services, where corporates sign their next major client, recruit their future employees, and discover their next strategic partners.

Exhibitors are selected by the ONS Scale-Ups Committee.

Application Portal opens spring 2026.

If selected:

- A scale-up stand with screen and a small table to work as your base
- Access to pitching, mock board meeting, networking and interesting input
- A unique place to meet large corporate ventures and other investors

Company station

Showcase your company and invite new clients to your own hub located in Hall 3 & 4

The Company Stations are approx. 3.5 meters wide with an exhibitor on each side.

Price from NOK 72,500 includes a fully assembled stand for the entire ONS week.

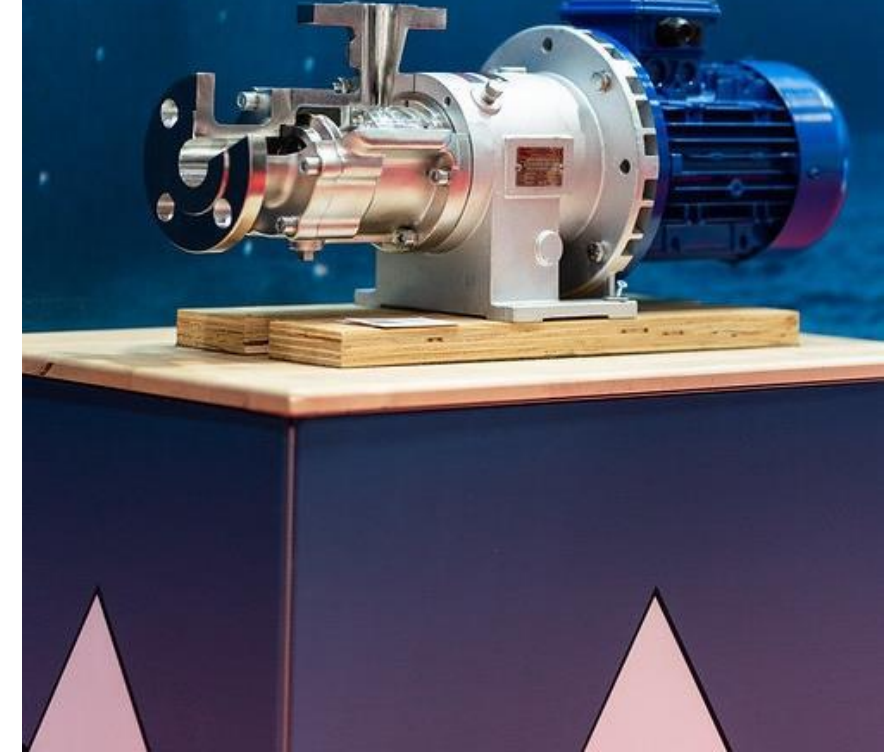

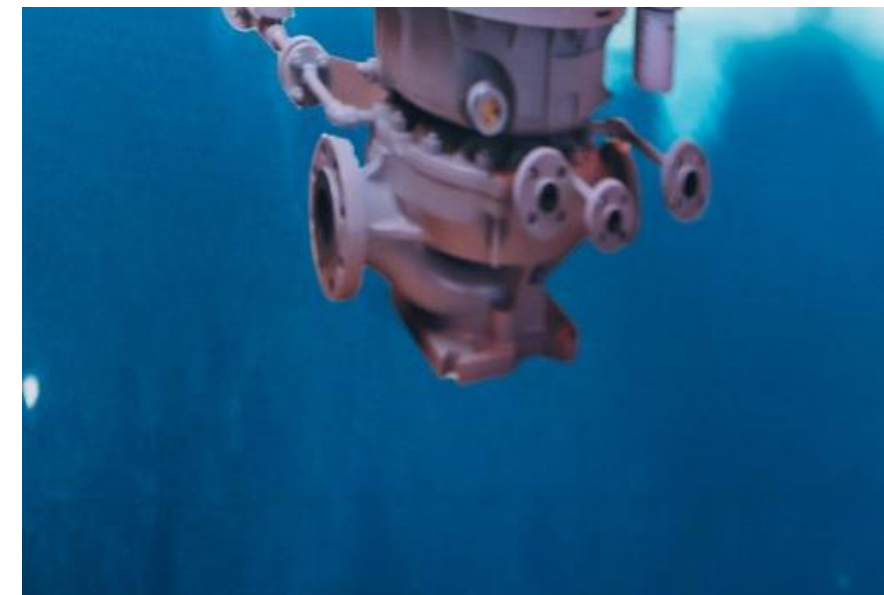

- 43" TV screen
- Power outlet
- 3x posters 80 x 100 cm (design not incl.)
- 1x high table
- 2x high stools
- Logo lightbox
- 1x lockable cabinet
- 4x exhibitor tickets
- Plants

Partnerships

How to make the most of ONS

Partnerships

Conferences

Nine different conference arenas with quality content for everyone, regardless of level or discipline. All the current topics are covered at the many stages.

Summit

ONS Summit is a forum where top government leaders, thinkers and senior executives discuss geopolitical energy and environmental issues under the Chatham House Rule. Co-organised with Munich Security Conference. By invitation only.

Energy Society

At the Centre Court in the exhibition area, you get a unique perspective and new insight to how energy affects us all – as individuals, as a small community or as a society.

ONS Strategic Conference

A global energy forum addressing the important questions on geopolitics, energy security and climate issues. The conference gathers world-leading experts, business leaders and decision-makers

Net Zero Markets

Global meeting place for updates on business opportunities, market perspectives, technology and innovation within Net Zero Markets. Five core areas: hydrogen, CCUS, offshore wind, solar energy and battery, as well as topics around geothermal, nuclear and hydro power.

Scale-ups

A dedicated meeting place for Scale-Ups in the energy industry. We gather innovators, technologists, and venture capitalists that shape the next generation super-growth companies within energy.

International Markets

Key individuals from the industry introduce you to business opportunities in each market. A unique place for prearranged B2B meetings. In cooperation with and presented by Norwegian Energy Partners (NORWEP).

Young

An extensive full-week programme made for and by young people – where we explain energy and challenge the industry.

Technical Sessions

At the Technical Sessions we search for solutions to the unsolved problems of the energy industry. A unique arena where the challenges find solutions, knowledge finds a home and experts find each other.

ONS+

A mix of energy discussions, debates and informal talks downtown Stavanger. Facilitated by ONS, different companies, NGOs and others interested in setting the energy agenda. A networking arena for discussions and talks on energy for everyone to attend

Summit Main Partner

Stand out at one of the world's most influential meeting places

The ONS Summit is organised in exclusive collaboration with the Munich Security Conference (MSC).

A forum where top government leaders, influential thinkers, and senior executives come together to discuss critical geopolitical energy and environmental issues under the Chatham House Rule. As a Main Partner, you will align your brand with high-level discussions that shape the future of global energy.

Influence top level decision-makers and connect with those who are shaping energy policies and strategies. The main partner is provided with elite visibility and exposure among a select audience of top-tier global decision-makers.

Participation at the ONS Summit is by invitation only, ensuring a focused and impactful exchange of ideas. As a main partner, you'll receive unparalleled access to networking opportunities and prominent brand visibility throughout the event.

Ready to grab the spotlight? Contact our sponsorship team today to explore partner opportunities at the ONS Summit.

Net Zero Markets Main Partner

The world's leading conference and exhibition for Net Zero technologies, markets and value chain.

Hosted across three stages in exhibition Hall 3 and 4, ONS Net Zero Markets is your gateway to the future of energy. This is where global leaders, innovators, and decision-makers come together to shape a sustainable, net-zero world.

Five core areas are covered: hydrogen, battery, offshore wind, solar energy, and carbon capture utilisation and storage (CCUS) – but also topics on geothermal, nuclear and hydropower.

Our committees of industry experts ensure the most relevant, cutting-edge topics. Business opportunities are explored, offering your brand a front-row seat to the latest market insights.

As a Main Partner, you will position your company as a driving force in the energy transition and as a leader in renewable and low-carbon energy solutions. Get unmatched exposure and visibility to decision-makers, energy experts, and potential partners. This is your moment to stand out and grow your business in the rapidly evolving energy landscape.

Contact our sponsorship team today to secure your partnership and be a part of the Net Zero Markets experience at ONS.

Net Zero Markets Supporter

The world's leading conference and exhibition for Net Zero technologies, markets and value chain.

Hosted across three stages in Hall 3 and 4, ONS Net Zero Markets is your gateway to the future of energy. Here, global leaders, innovators, and decision-makers come together to shape a sustainable, net-zero world.

Energy Society at Centre Court

Main Partner

Energy Society at ONS Centre Court is a unique and engaging venue at the heart of the ONS exhibition where energy meets society. Here, the audience gets new perspectives on how energy impacts individuals, communities, and society as a whole..

We give the floor to industry leaders and representatives, entrepreneurs, experts, environmental agencies and policy makers, facilitating an open discussion on the most relevant issues.

What's in it for you?

Take the lead as Main Partner at this vibrant conference arena and position your brand as a key voice in the dialogue on the societal impacts of energy. Increase your visibility to stakeholders, engage with a broad audience and connect with policymakers, industry leaders, entrepreneurs, experts, and the general public.

As Main Partner of ONS Centre Court, you will benefit from premium brand exposure in the middle of the bustling ONS exhibition area.

Contact our sponsorship team to explore how your brand can take centre stage at ONS Centre Court.

ONS Young Partner

The #1 meeting place for young people interested in energy

ONS Young is a vibrant conference arena with a full-week programme designed for and by young people.

With exciting events catering to various age groups — from middle and high school pupils to university students, young professionals, and teachers — this is the ultimate platform to engage with and inspire the next generation.

As a Partner at ONS Young you will position yourself as a serious player to the next generation and support young voices as they explore energy, climate change, and technology. It is a great opportunity to promote your company's plans and showcase the broad opportunities in the energy sector and beyond.

Connect with the brightest young minds exploring careers in the sector and establish your brand as a supporter of young innovators and game changers.

Ready to invest in the future? Contact our sponsorship team to explore tailored opportunities and become a key Partner of ONS Young.

Innovation Awards

"Winning meant everything" It was maybe the happiest moment of them all when Ruden won the ONS Innovation Award in 2022. Now we are gearing up towards this year's award season and ONS 2024.

ONS 2024 IMAGINE

In hall 5 we combine networking opportunities, new formats and a set of new stages, where we aim to give speakers, audience and exhibitors the best possible value.

Exhibit right in the middle of hall 5, among the tech pioneers with groundbreaking ideas presenting at the Technical Sessions stages.

- ONS+ advertisements, programme and print/web

As a partner at ONS+ you have the following right:

- 10 tickets Opening Concert
- Option to host debates/social events at ONS+

Be visible at ONS+

We are eager to give you a place to invest in the value of business after hours.

Host a pavilion for network, debates and receptions or host your own boat in the harbour.

Host your own pavilion

We offer a ready-to-use pavilion where all the basic infrastructure is set up in advance. This includes tent, flooring, lighting, water, electricity, heating, and garden area. The pavilion should be open to all during the official opening hours of ONS+.

- The whole week
- One evening

Host a boat

Dock your boat in the Stavanger harbour. Choose to have either closed events onboard or open up your boat to the public and organise energy debates. If your boat is open to the public, your events can be listed in ONS' official programme.

Mooring locations depends on the size and type of vessel.

INFO

Energy Lounge

Your own hub to network and meet clients

- Book your own table (8 pax)
- Book one night or reserve the table for all three nights.
- Bring your own tabletop profiling
- Logo profiling on wall if you book one table all three nights

The downtown arena - music to the people!

Concert Partner

ONS+ is a one-of-a-kind venue in the world of energy conferences and meeting places. One of the major standouts is the ONS Concert on Wednesday in the ONS week. That evening we always invite everyone to a unique concert with some of the biggest names in showbusiness.

The ONS Concert is free, outdoors and open to all. It gathers thousands of locals and ONS attendees. Over 20 000 people attended the ONS 2024 Concert

As a Concert Partner your company becomes a member of the ONS Partnership programme with:

- Exposure throughout the entire ONS
- Preferential access to delegate passes
- Right to organize side events
- Available meeting rooms
- Access to hotel booking through ONS quota

What's in it for you?:

- Concert Partner branding on stage, screens and in relevant channels prior, during and after ONS.
- Tickets to the Opening Concert
- Tickets to the ONS Conference
- High visibility downtown to a wider audience
