

Filing Specification

BISLEY

Bisley's office filing products are durable, robust, and timeless.

Sturdy yet stylish; stout, and strong, our office filing products give you a timeless Bisley design. Store items neatly and securely in our robust steel filing cabinets, whether you keep them next to your desk or tuck them away tidily in a corner. Featuring elegant chrome handles and a trim plinth base, with A4 or foolscap suspension filing, these are available in a variety of fronts and finishes. Our classic designs make a beautiful addition to any office.

Features & Benefits

Designed for suspension filing.

Fully welded carcass – no bolts or rivets for greater strength and cleaner line.

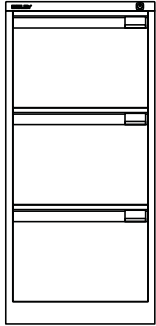

Mastered lock with 200 differs.

Minimum five or seven year guarantee (BS filing has seven years)

Specification Notes

Filing Cabinets

Locking options

All filing cabinets are available with key locking as standard.

Key locking

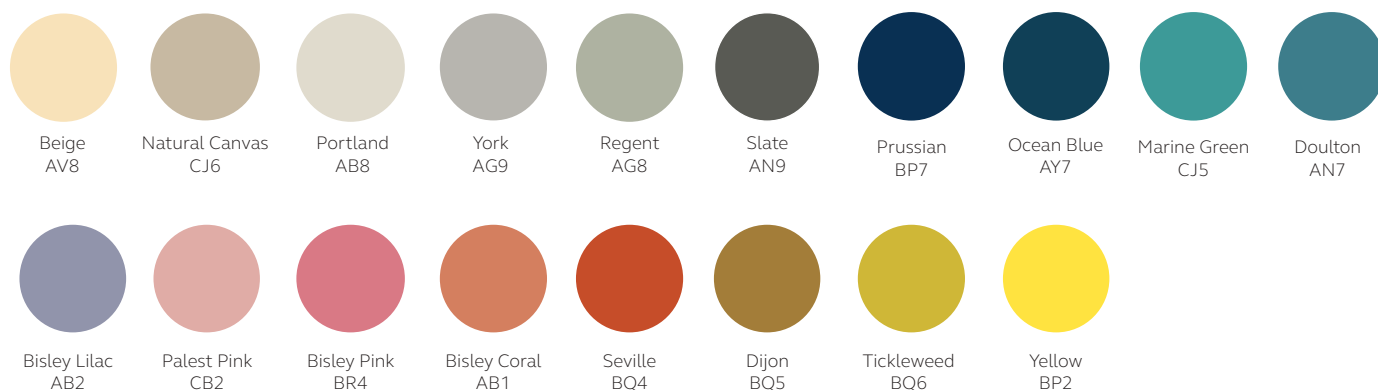

Finish options

Palette one

Palette two 5% surcharge applies.

Additional information

Filing capabilities

All filing cabinets are designed for suspension filing only. Please note: Additional drop in bases are available for BS, AOC and Contract filing cabinets to add strength to allow storage on the base of the unit.

Drawer front style

All BS and F series Filing Cabinets are available with two handle choices, please see below.

Flush front handle

Classic front handle

Please note, all F Series Cabinets are listed with both classic and flush front handle options. BS Filing Cabinets are listed with flush front handles as standard. To order a classic front handle please remove the '3' at the end of the relevant code listed, for example: 164**3** becomes 164

Optional extras

All F Series cabinets are fitted with a back plinth as standard. To change this to a matching colour plinth please add suffix 'P' to the relevant code listed. For example:

0503 becomes 0503**P**

All F series cabinets are available with a factory fitted counterweight. To add a counter weight to an F Series cabinet please add suffix 'Q' to the relevant code listed. For example:

0503 becomes 0503**Q**
