The Convention Center also features a foyer area for meeting and incentive travel functions. Our **venues are designed near one another**, providing greater convenience, focus, and functionality for attendees.

A romantic wedding scene featuring a bride and groom on a wooden dock. The dock is elegantly decorated with large, vibrant floral arrangements in shades of yellow, orange, and pink. The bride, wearing a white gown and veil, holds a bouquet of flowers, while the groom, in a dark suit, leans in to kiss her cheek. They are positioned on the left side of the dock, which extends into a calm body of water. The background is a lush, green landscape with tall trees and a distant view of a wooden structure, possibly a gazebo or part of a wedding venue. The overall atmosphere is serene and celebratory.
