# ABOUT US

Welcome to The House of Gleam – your destination for handmade, budget-friendly luxury candles in India.

We specialise in premium scented candles, urli candles, floral candles, festival décor candles, and personalised gifting options. Each candle is handcrafted using high-quality wax blends, long-lasting fragrances, clean-burning cotton wicks, and elegant, gift-ready packaging.

Our focus is to offer luxury candles at affordable prices, making premium home décor accessible to everyone. Whether you're decorating your home, planning wedding or return gifts, or looking for unique festive pieces, we're here to craft something truly special for you.

## Our Mission

To bring luxury, comfort, and handcrafted beauty into every home through affordable premium candles that elevate everyday living.

## Our Vision

To become India's most trusted candle brand known for quality, creativity, and accessible luxury—spreading light and joy through every product we create.
