

# VILLY KLEPPE CHRISTMAS

LOVE &  
PEACE

# PREFACE

Some songs don't just celebrate the season—  
they remind us why it matters.

Christmas (Love and Peace) is a warm  
embrace, a call to kindness,  
and a gentle prayer for a world that  
desperately needs both.

It's the sound of hearts opening and hope  
shining through.

# CHRISTMAS (LOVE & PEACE)

Chorus

Christmas time  
again  
Hope you like it  
Christmas time  
again  
Love and peoce

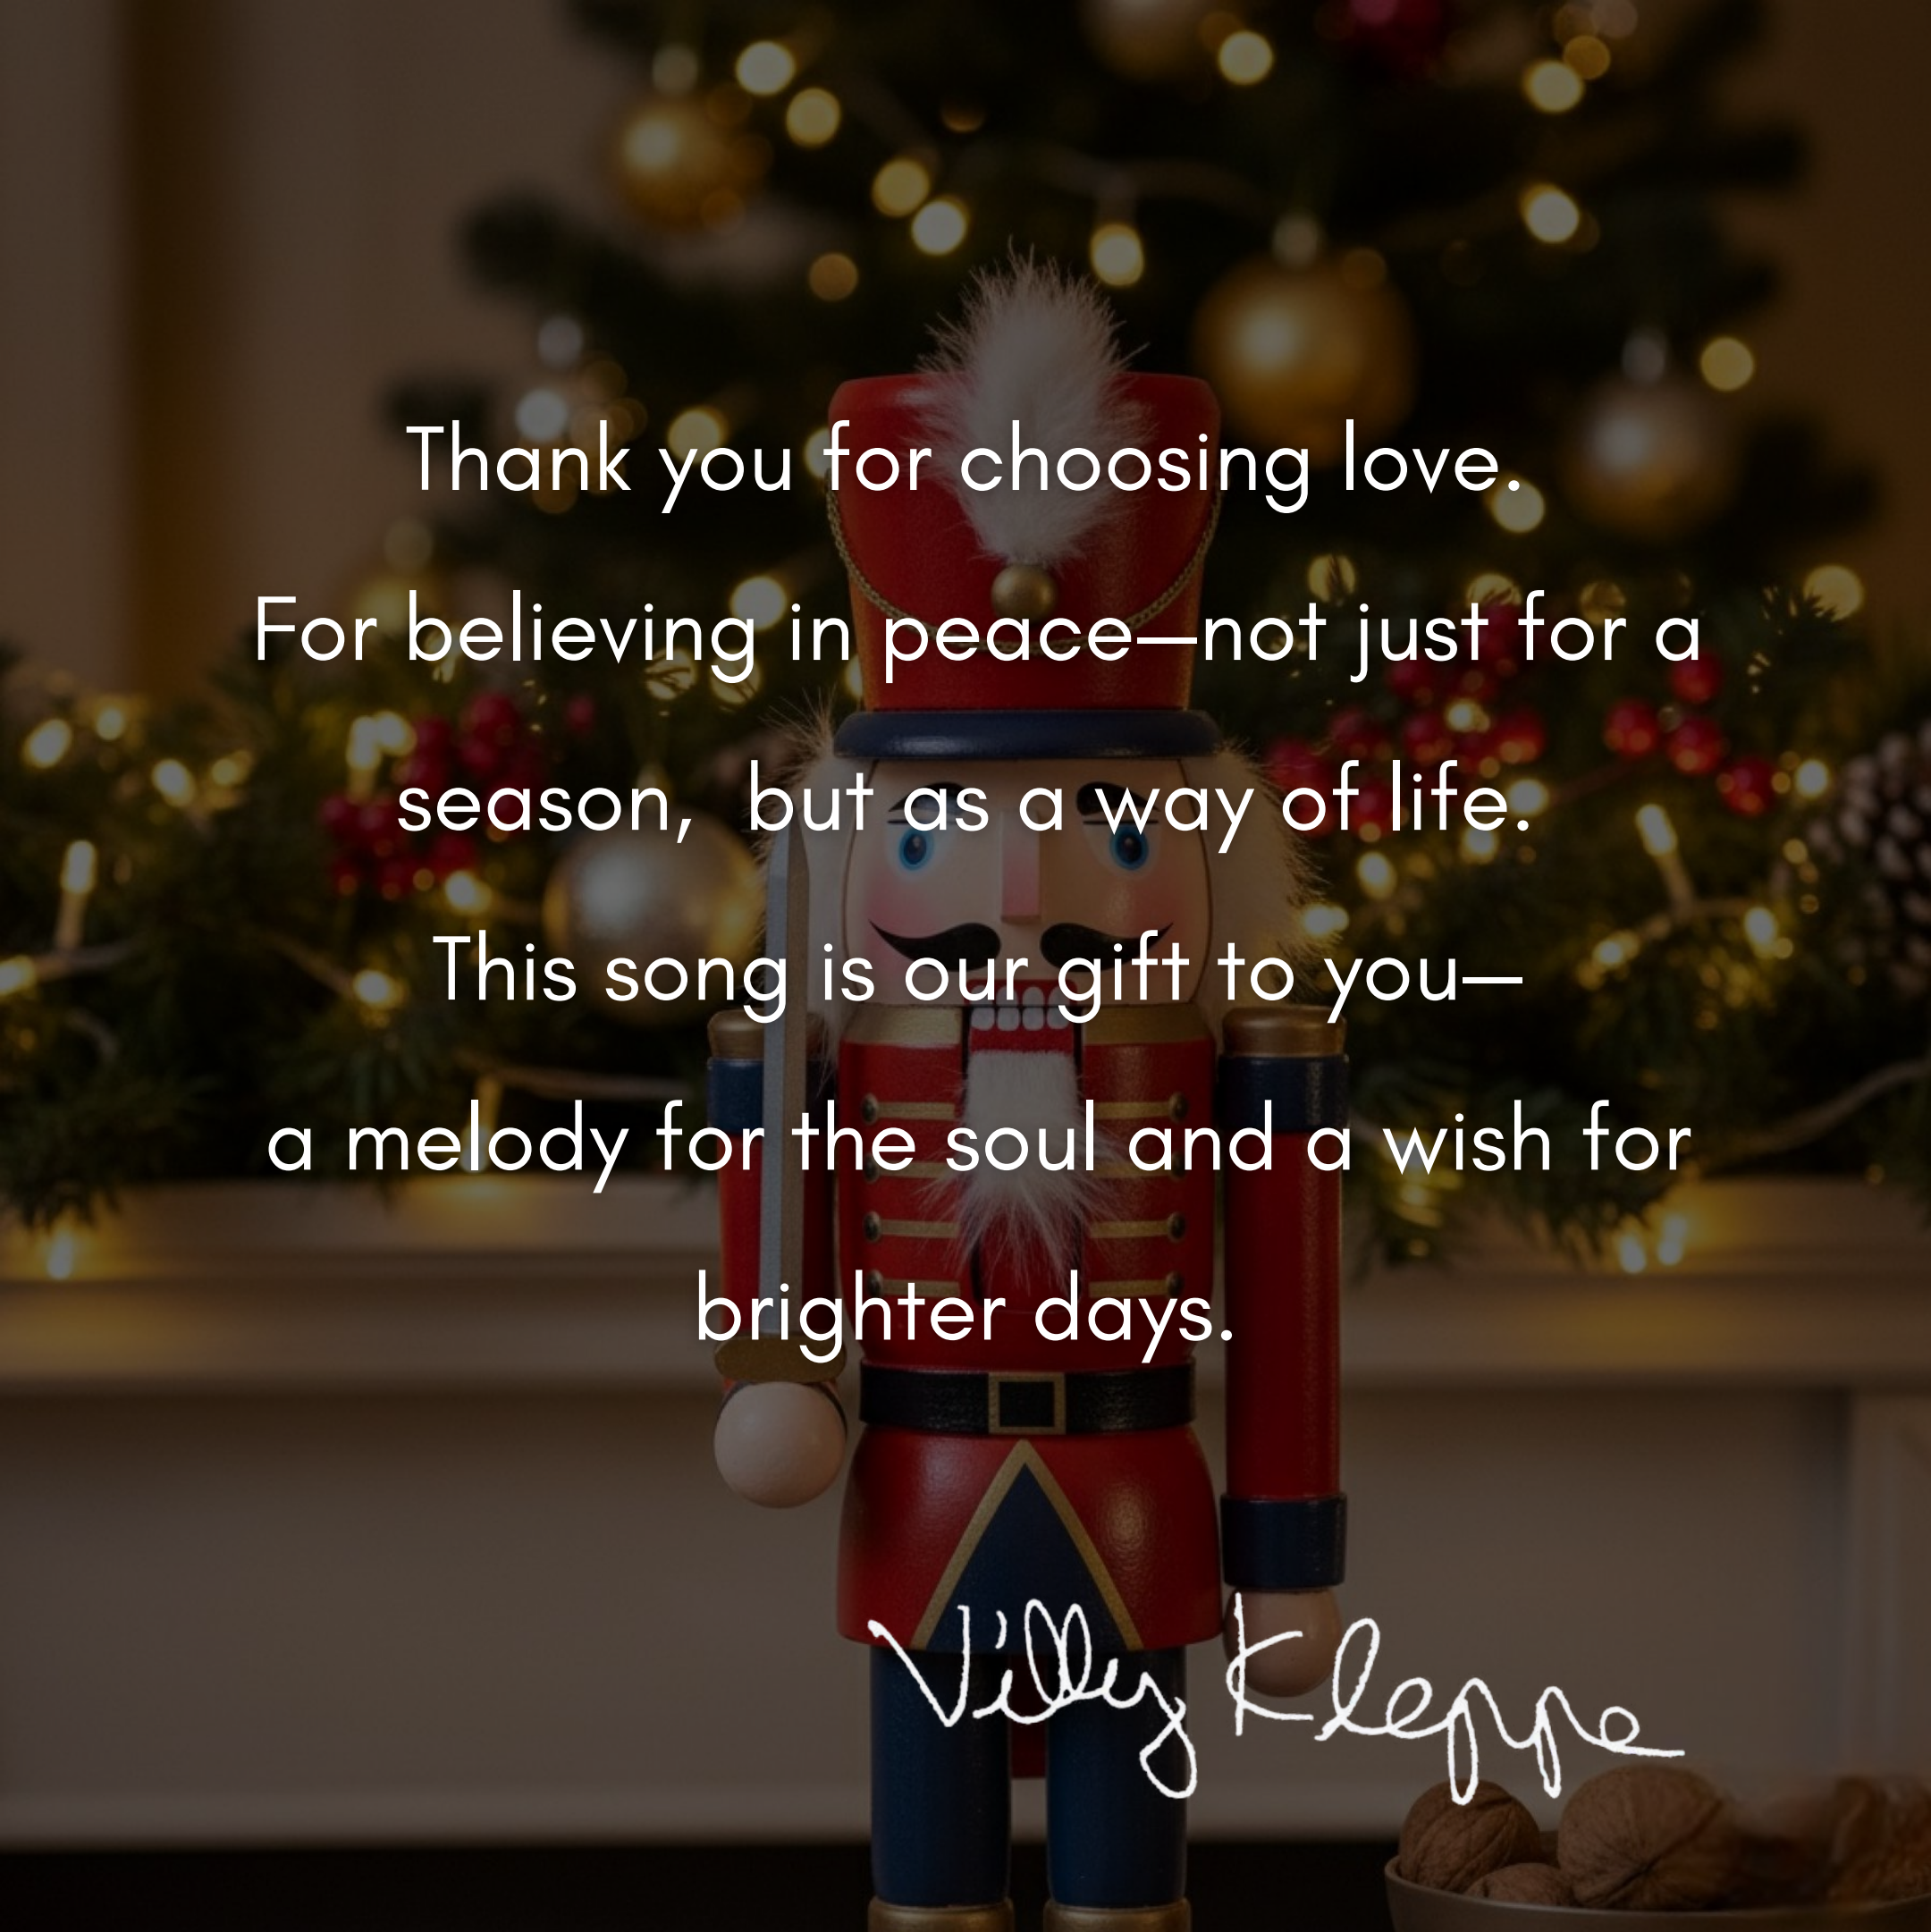

I can hear children  
sing  
Just like Angels in  
the wind  
Let us scream love  
and peace

Blow my worries to the  
sky  
I can see John Lennon  
smile  
Let us scream love and  
peace

Chorus

I can see people  
dance  
They are ready for a  
hot romance  
Let us scream love and  
peace

Thank you for choosing love.  
For believing in peace—not just for a  
season, but as a way of life.

This song is our gift to you—  
a melody for the soul and a wish for  
brighter days.

love and a little peace."
