# *Welcome to* THE HARVARD SUSTAINABILITY IMPACT SUMMIT 2025

The Harvard Sustainability Impact Summit (HSIS) 2025 is a bold step forward in engaging high school students with the world's most pressing environmental and developmental challenges. Hosted at FLAME University, Pune, HSIS offers a focused research-driven experience grounded in real-world application.

This year's summit brings together young thinkers and changemakers from across India to explore eight key Sustainable Development Goals. Delegates will move beyond discussion and take part in the Impact Challenge Simulation, a multi-stage policy and creativity-based exercise designed to test strategy, innovation, and collaboration under expert guidance.

Alongside committee sessions, participants will experience signature events like the MU20 Power Drill, Festive Evenings, and Harvard Insight Sessions, each adding a new dimension to learning, expression, and global understanding.

Whether you are developing policy proposals, engaging with Harvard experts, or pitching your solutions before an audience, HSIS 2025 promises an unforgettable and rigorous experience that prepares you to think deeply, act strategically, and lead with clarity in a world that needs it more than ever.

## SDG 01: NO POVERTY

- Over 575 million people may still be in extreme poverty by 2030
- More than 4 billion people lack social protection
- Only one-third of countries are on track to halve national poverty rates by 2030

## SDG 02: ZERO HUNGER

- 735 million people faced hunger in 2022, up by 122 million since 2019
- 2.4 billion people experience food insecurity
- 45 million children suffer from acute malnutrition

## SDG 04: QUALITY EDUCATION

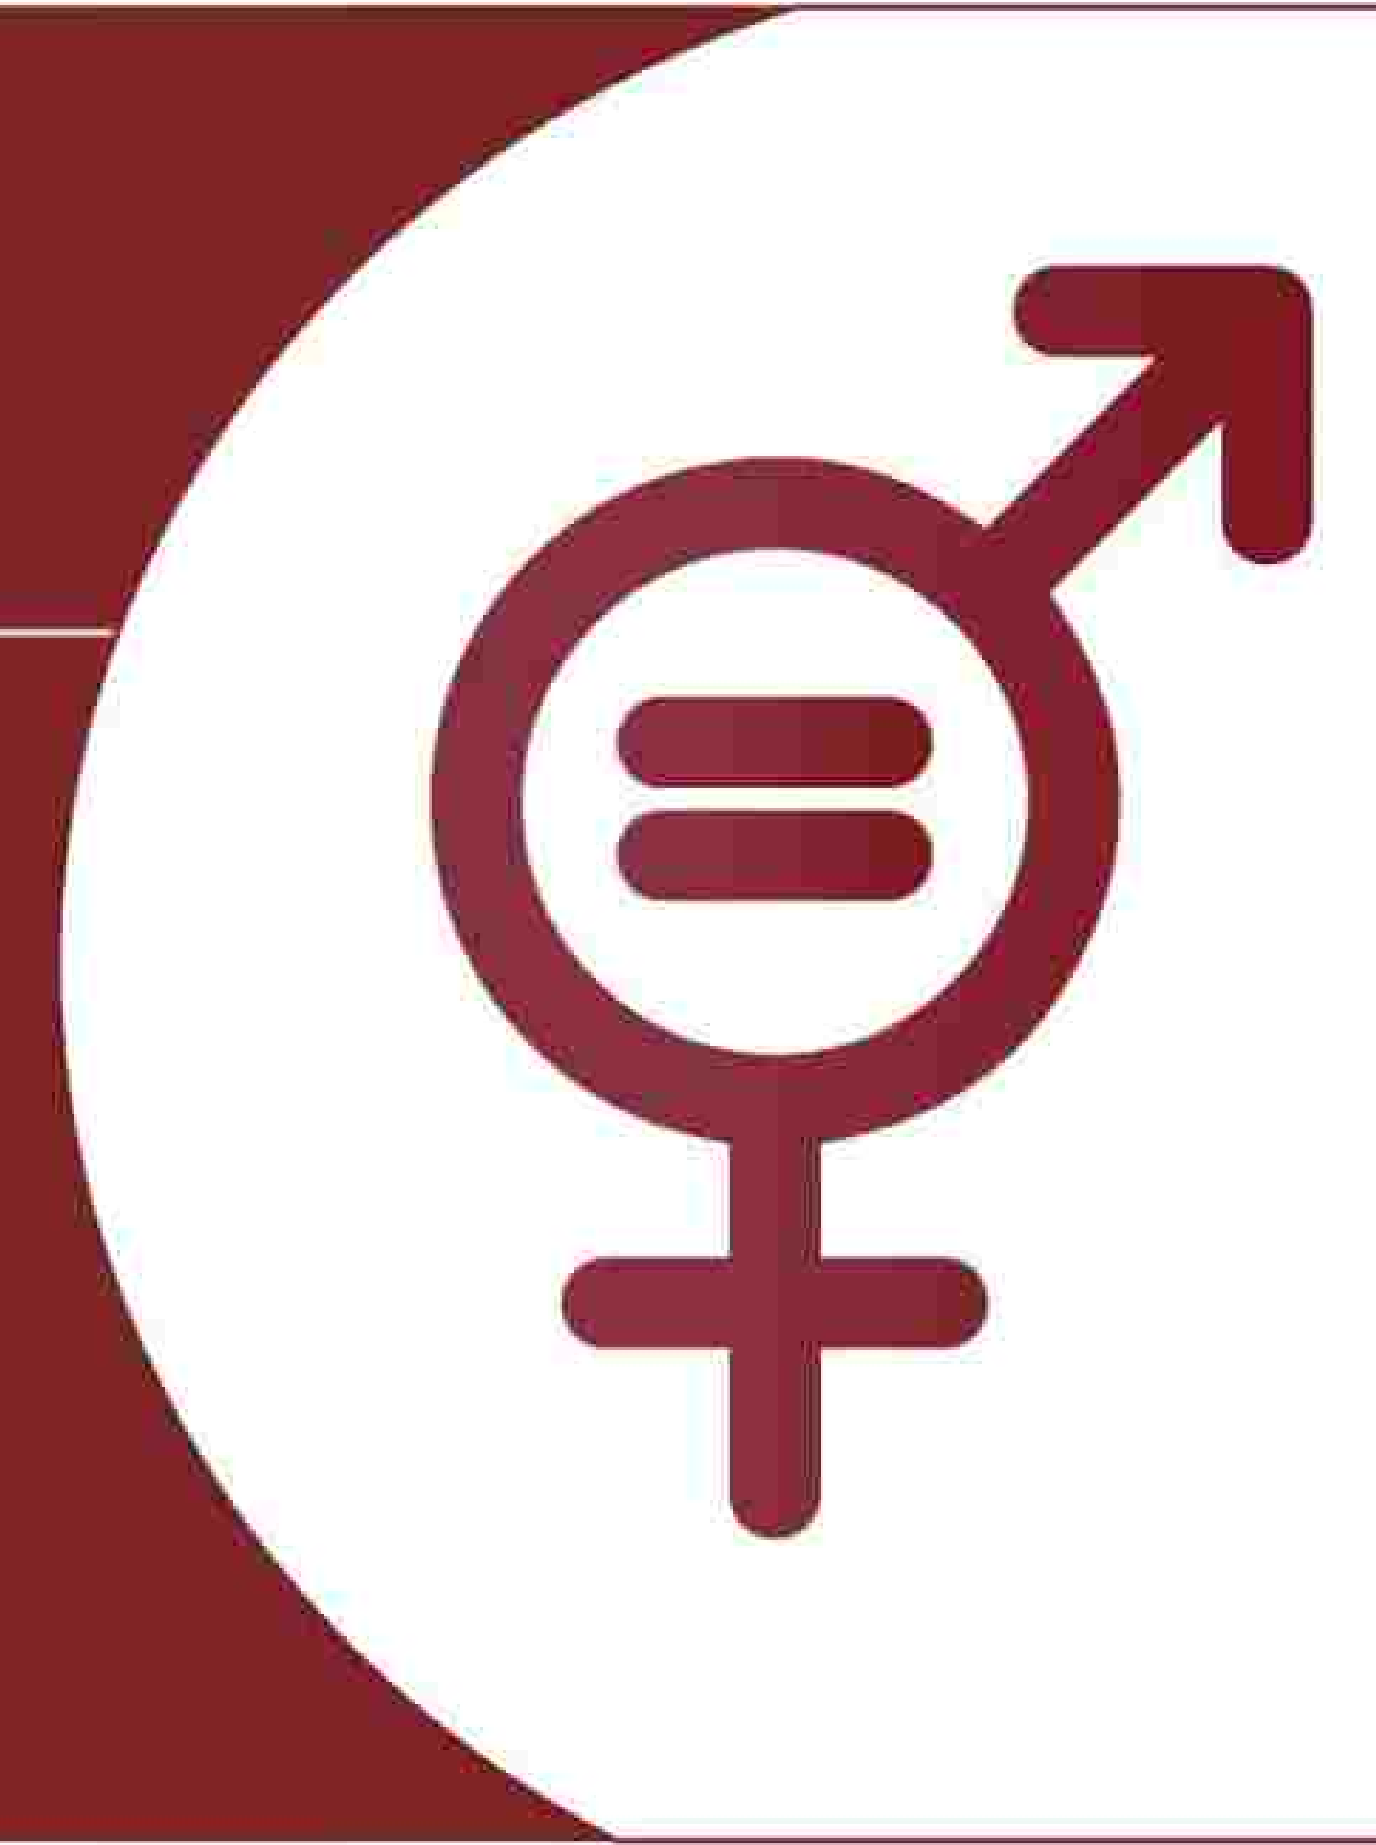

- About 244 million children and youth are out of school globally, according to UNESCO (2023).
- Nearly 60% of children who are not in school live in conflict-affected areas or fragile contexts (UNICEF)
- Approximately 771 million adults worldwide lack basic literacy skills, with women disproportionately affected (UNESCO)

## SDG 05: GENDER EQUALITY

- 640 million women alive today were married before age 18
- Women still hold only 26.9% of parliamentary seats worldwide
- Women perform 2.5 times more unpaid care work than men

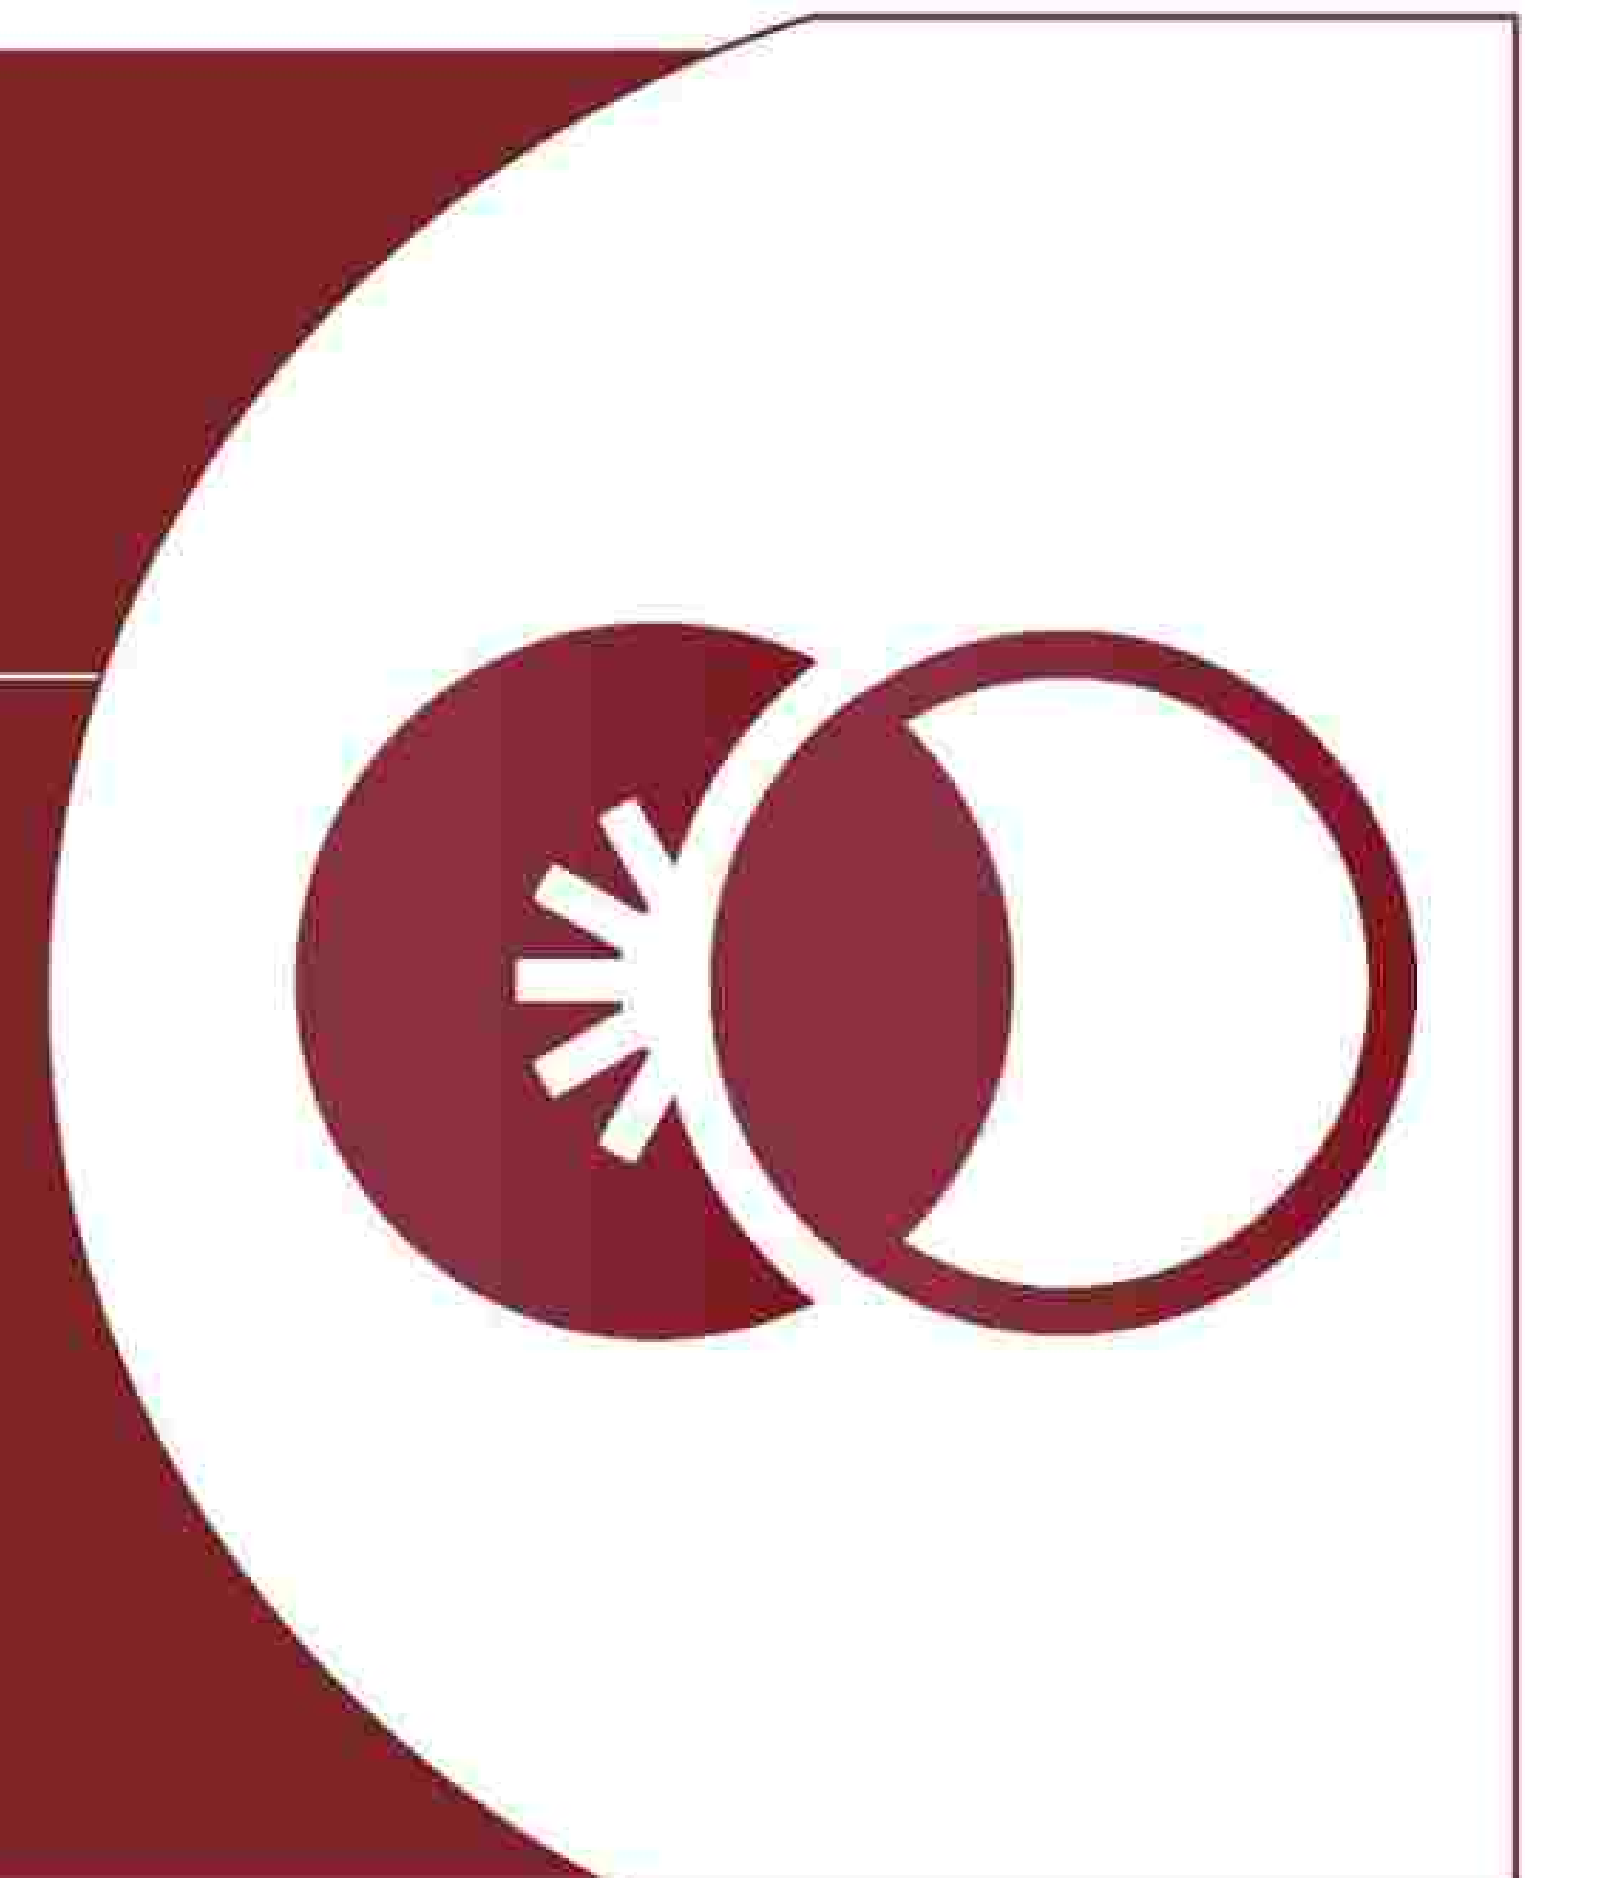

## SDG 06: CLEAN WATER & SANITATION

- 2.2 billion people still lack access to safely managed drinking water
- 3.5 billion people live without adequate sanitation services
- Half the world's population faces severe water scarcity for part of the year

## SDG 07: AFFORDABLE & CLEAN ENERGY

- 685 million people still lack electricity, with access rates declining for the first time in a decade
- 2.1 billion people rely on polluting fuels for cooking
- Over 80% of global energy still comes from fossil fuels

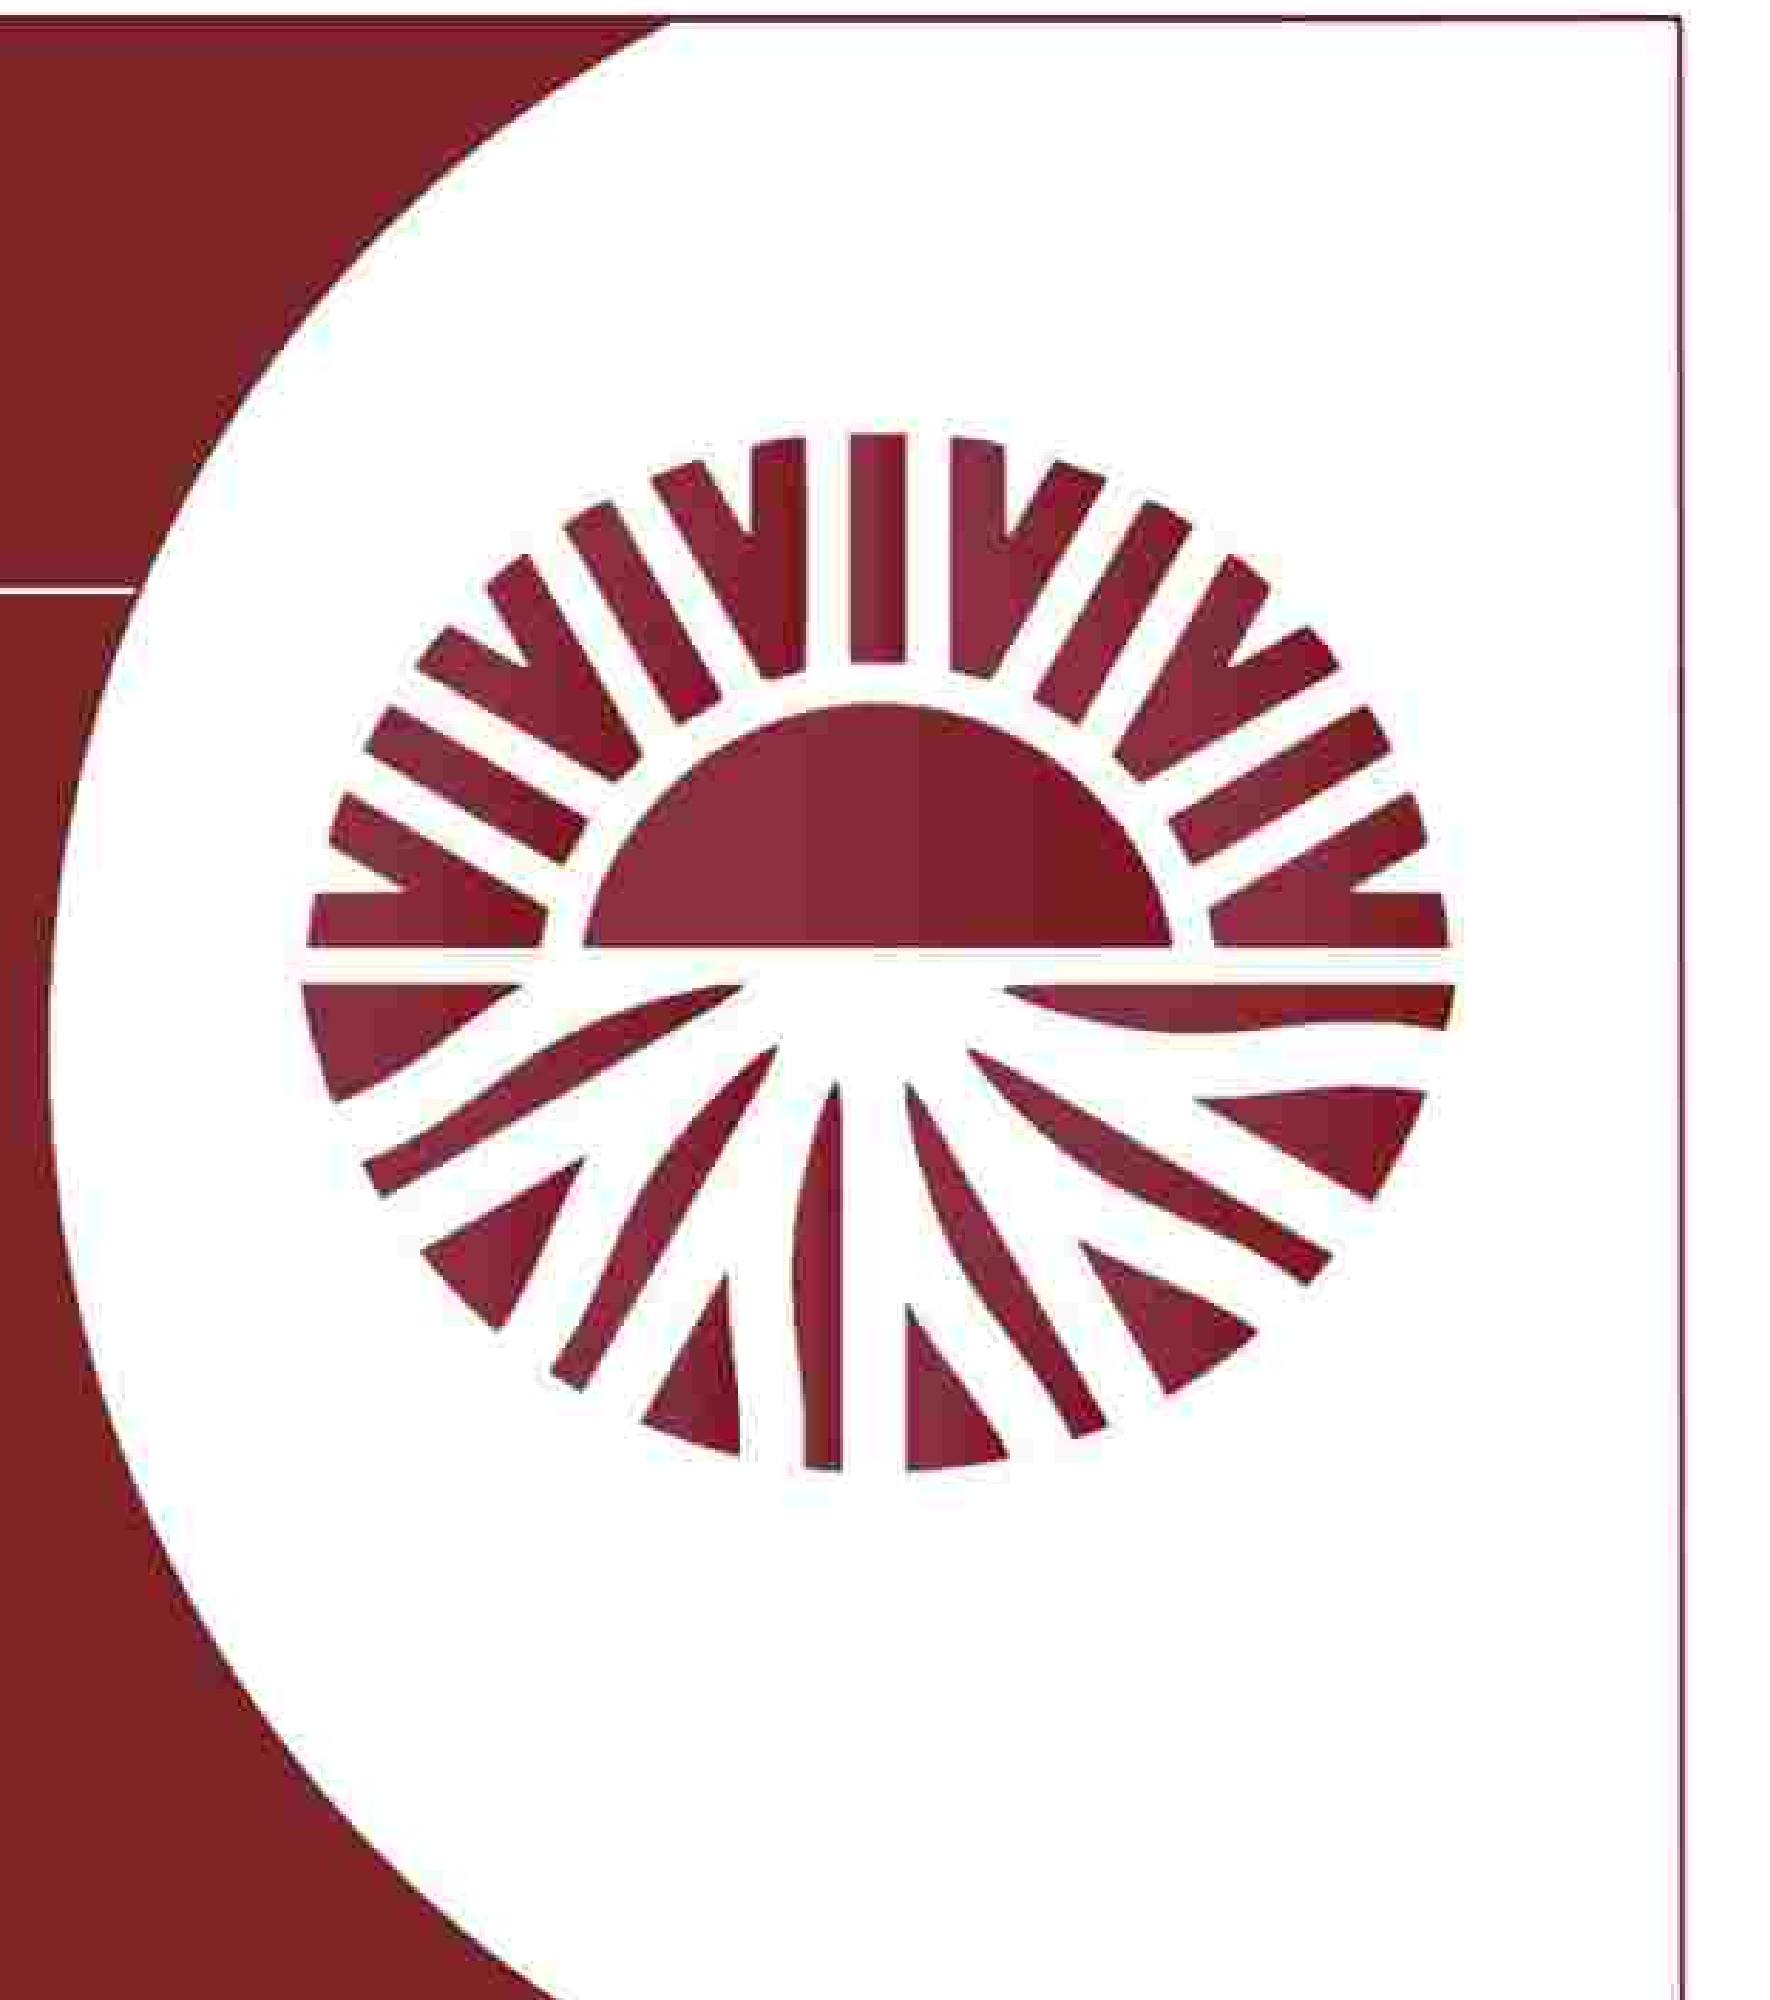

## SDG 11 : SUSTAINABLE CITIES & COMMUNITIES

- 1.12 billion urban residents live in slums or informal settlements
- 40% of urban dwellers in developing countries lack reliable public transport access
- Natural disasters disrupt 1.6 million basic services annually

## SDG 13: CLIMATE ACTION

- 2023 was the warmest year on record, nearing the critical 1.5°C warming limit
- Climate disasters displaced 33 million people in 2022 alone
- Climate finance remains \$10 billion short of the \$100 billion annual commitment.

## CHANGEMAKERS CHALLENGE

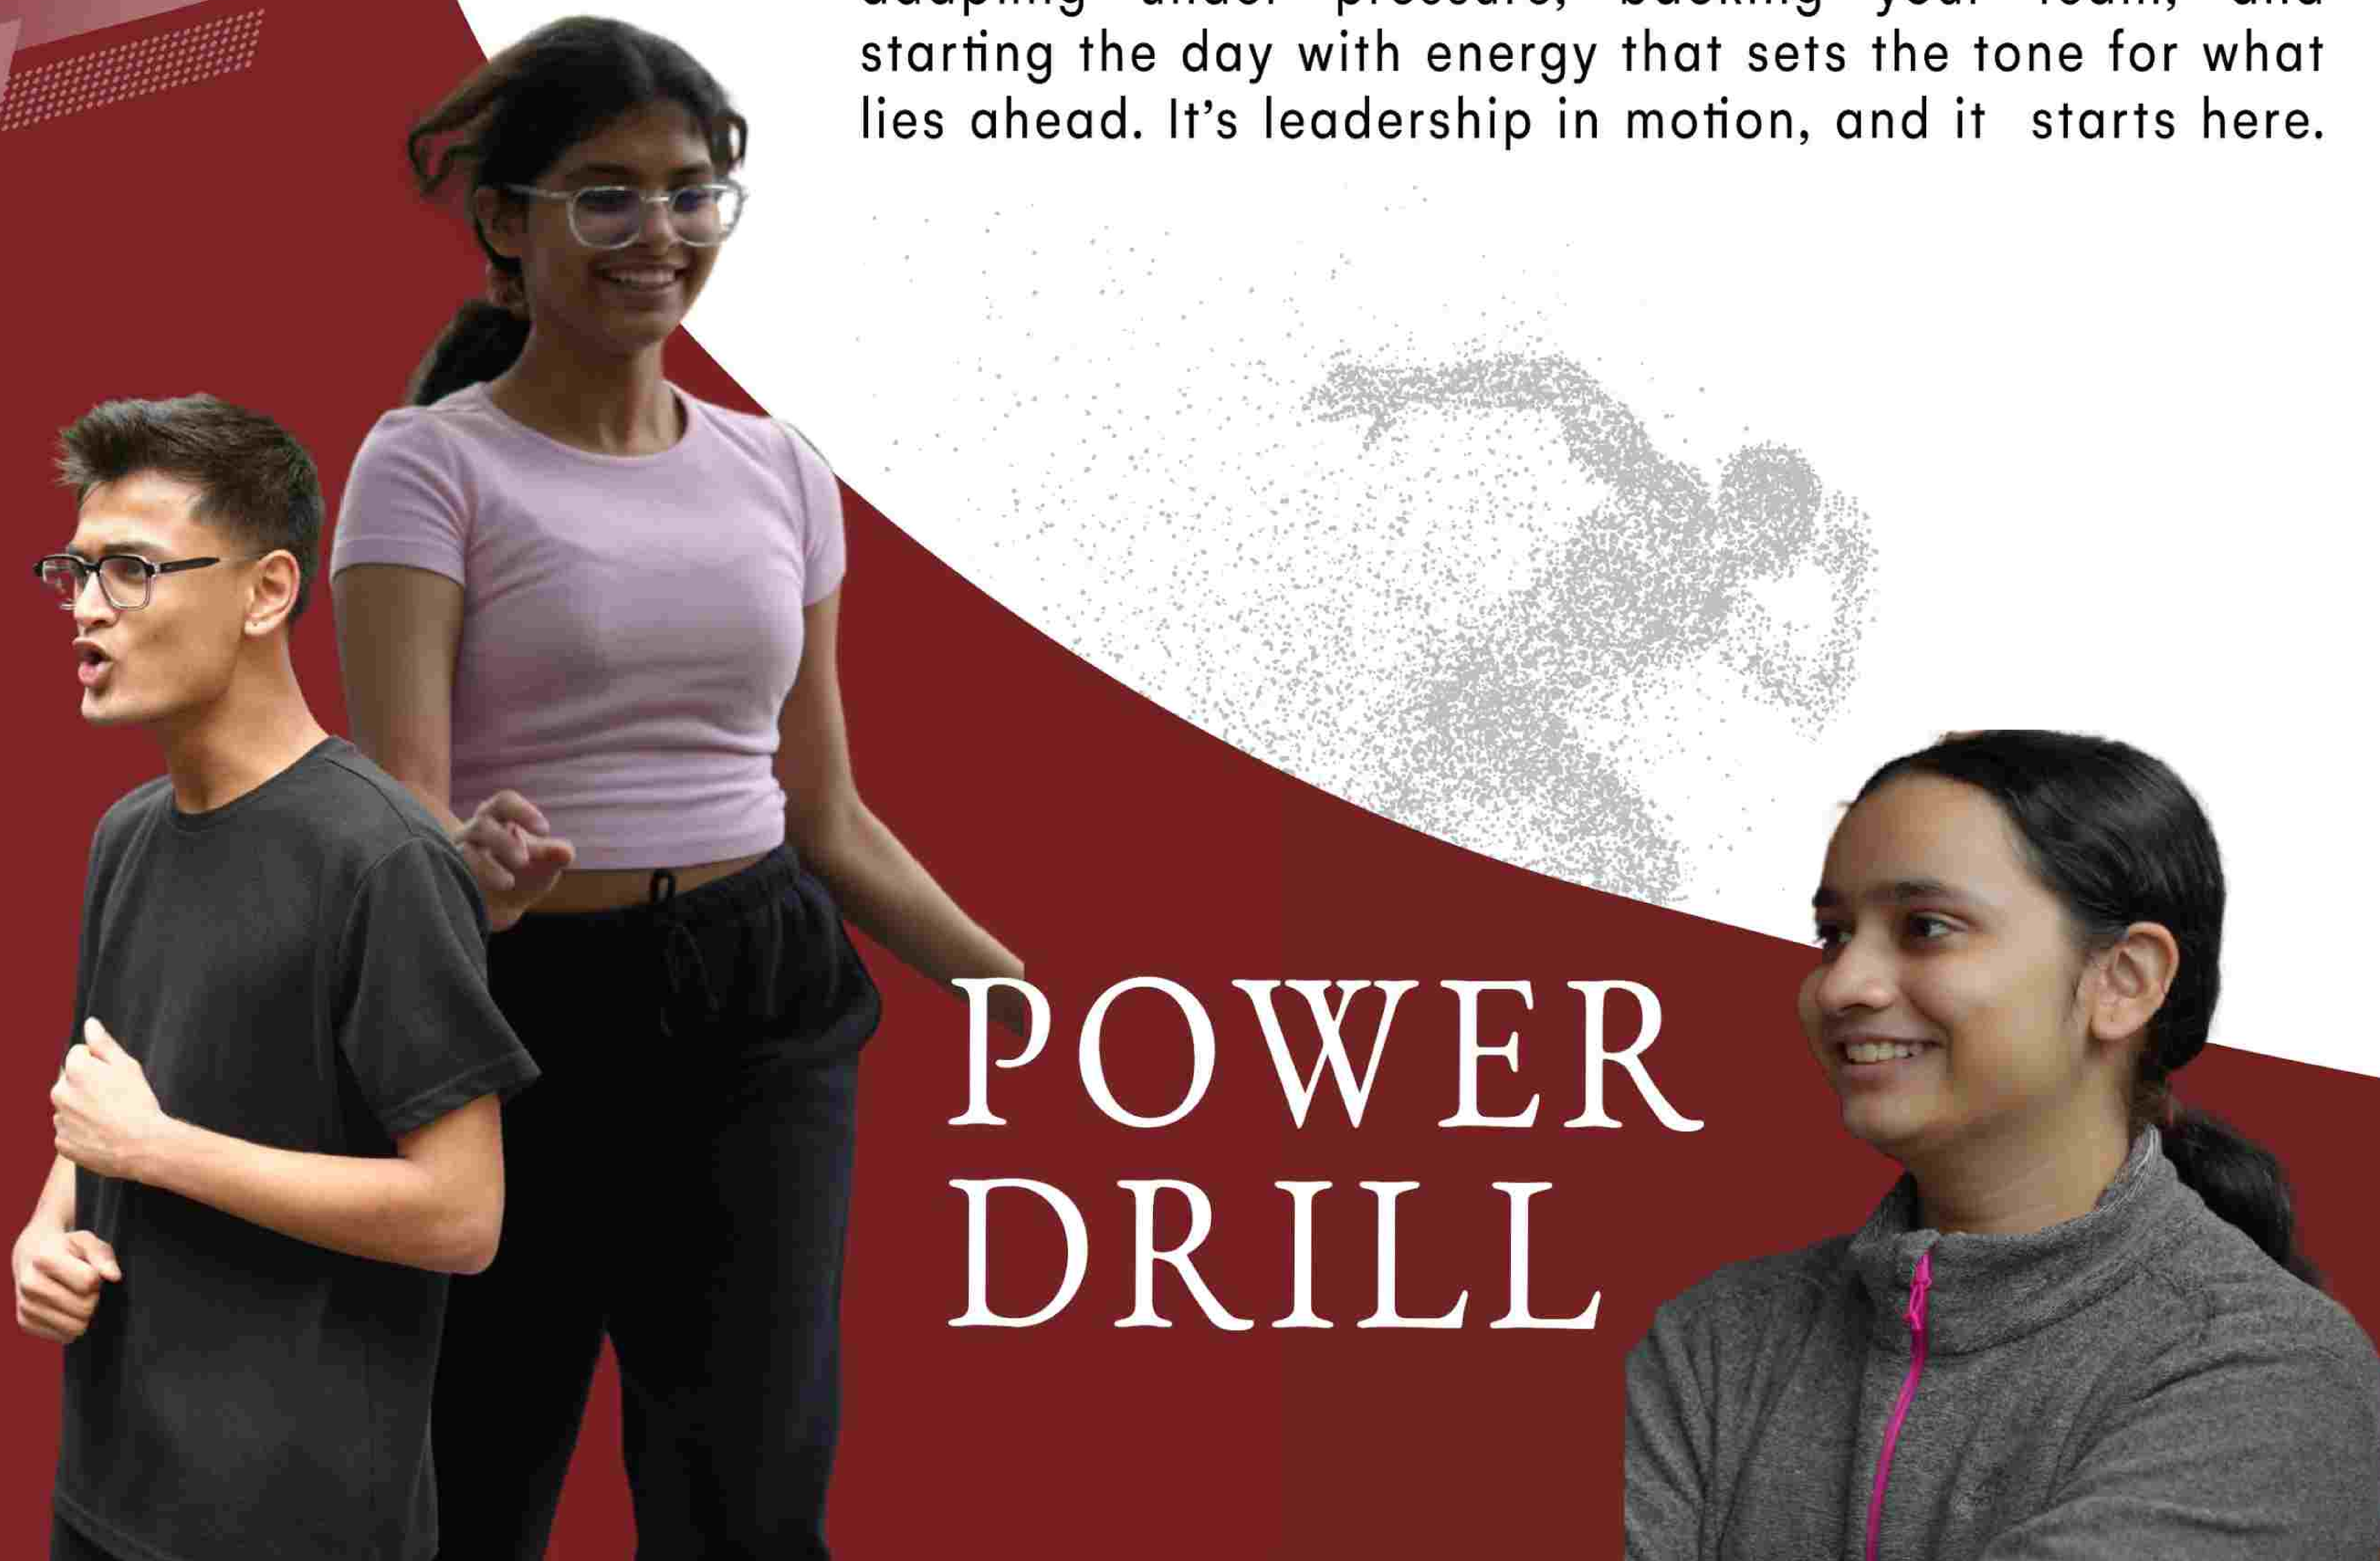

Before the summit officially begins, the HSIS Changemakers Challenge sets the stage. Open to all registered delegates, this pre-summit competition calls for bold thinking, team synergy, and real-world relevance. Delegates collaborate to solve global sustainability challenges through the multi-round problem solving formats. From idea generation to high-stakes presentations, the challenge rewards clarity, strategy, and originality. The top four performers earn a 100% scholarship on their HSIS registration, recognized as emerging leaders in sustainability and invited to attend the conference at no cost. It's your first opportunity to stand out and a chance to lead before the committees even convene.

The MU20 Power Drill is an adrenaline-packed, high-intensity challenge designed to shake up your morning and sharpen your instincts. Held on Day 2 & Day 3 of HSIS 2025, this experience demands teamwork, agility, and strategic decision-making in real time.

Far removed from committee rooms and policy discussions, the Drill immerses delegates in rapid-action scenarios that push them to think fast, move smart, and function as one unit. From coordination heavy sprints to logic based missions under time pressure, every round is designed to ignite focus & build group synergy.

This is not about winning or outperforming, it's about adapting under pressure, backing your team, and starting the day with energy that sets the tone for what lies ahead. It's leadership in motion, and it starts here.

# • MASQUERADE EVE •

Step into the spellbinding atmosphere of Masquerade Eve at Harvard Sustainability Impact Summit, a night designed to shift the rhythm of the conference. After a full day of debate, negotiation, and sharp thinking, this evening invites delegates to pause, dress with intention, and enter a space shaped by mystery and charm. Each mask carries a whisper of intrigue, and each moment becomes an invitation to connect beyond committee roles.

Gentlemen are encouraged to suit up with flair, while ladies may choose gowns or formal wear that reflect personal elegance and cultural identity. Whether you're on the dance floor or in quiet conversation, Masquerade Eve offers space for reflection, lightness, and connection.

# GLOBAL VILLAGE GALA

Step into a vibrant evening where cultures converge, identities shine, and tradition meets creativity. The Global Village Gala at Harvard Sustainability Impact Summit is your invitation to express where you come from and discover how many stories the world can hold in one room. With every corner reflecting a different region, the Gala transforms the space into a showcase of attire, movement & global colour.

# BRING

*a piece of your*

# CULTURE

## KINGDOMS OF THE SUN (AFRICA)

Wear the boldness of Dashiki, Kaftan, Maasai Shuka, Buba and Wrapper, or vibrant Kente cloth.

## ENCHANTED EMPIRES (ASIA)

Grace the floor in Saree, Hanfu, Kimono, Hanbok, Kurta, or other regional expressions of elegance.

## CULTURAL CANVAS (MAKE YOUR OWN STYLE)

Your story doesn't need a label. Bring something personal, something rooted in where you're from or who you are.

## CHOOSE YOUR CREATIVE THEMES

— & BRING IT TO LIFE —

## COBBLED CHRONICLES (EUROPE)

Explore the richness of European tradition be it Bavarian Lederhosen, Renaissance dress, Scottish kilts

## VOYAGERS OF THE VAST BLUE (OCEANIA)

Draw from island influences with Aloha shirts and leis, Maori patterns, Sulu, Lava-Lava, or Aboriginal attire.

## MELTING POINT METROPOLIS (AMERICA)

Celebrate the eclectic spirit of the Americas with Ponchos, Cowboy attire, Carnival costumes, Native American regalia, or Guayaberas.

## KINDLY NOTE

There are no restrictions only reflections. The Global Village Gala is your stage to represent, explore, and admire the cultural expressions of your fellow delegates. This evening stands apart not just for what you wear, but for how it brings.

Before delegates begin drafting their final proposals, the Policy Drafting Workshop equips them with the tools to think like real-world decision-makers. Led by experts in policy and sustainability, the session breaks down the structure of effective policy writing, from identifying key stakeholders to assessing feasibility, impact, and long-term sustainability.

Through practical insights and guided walk-throughs, delegates will learn how to articulate objectives, build implementation

frameworks, and measure success. The session is designed to sharpen focus, eliminate ambiguity, and prepare each team to present well-reasoned, actionable solutions during the final presentations.

Whether you've written policy before or are stepping into it for the first time, this workshop ensures that every delegate walks into the next phase ready to write with precision, depth, and purpose.

## CONFERENCE ASSISTANCE

### 01 DEDICATED VOLUNTEER FOR EACH DELEGATION

Each school delegation at HSIS 2025 will be assigned a dedicated student volunteer who will serve as their primary liaison throughout the summit. These volunteers will assist delegates and faculty coordinators with logistical needs, session navigation, schedule updates, and general support, ensuring a seamless and informed experience on the campus.

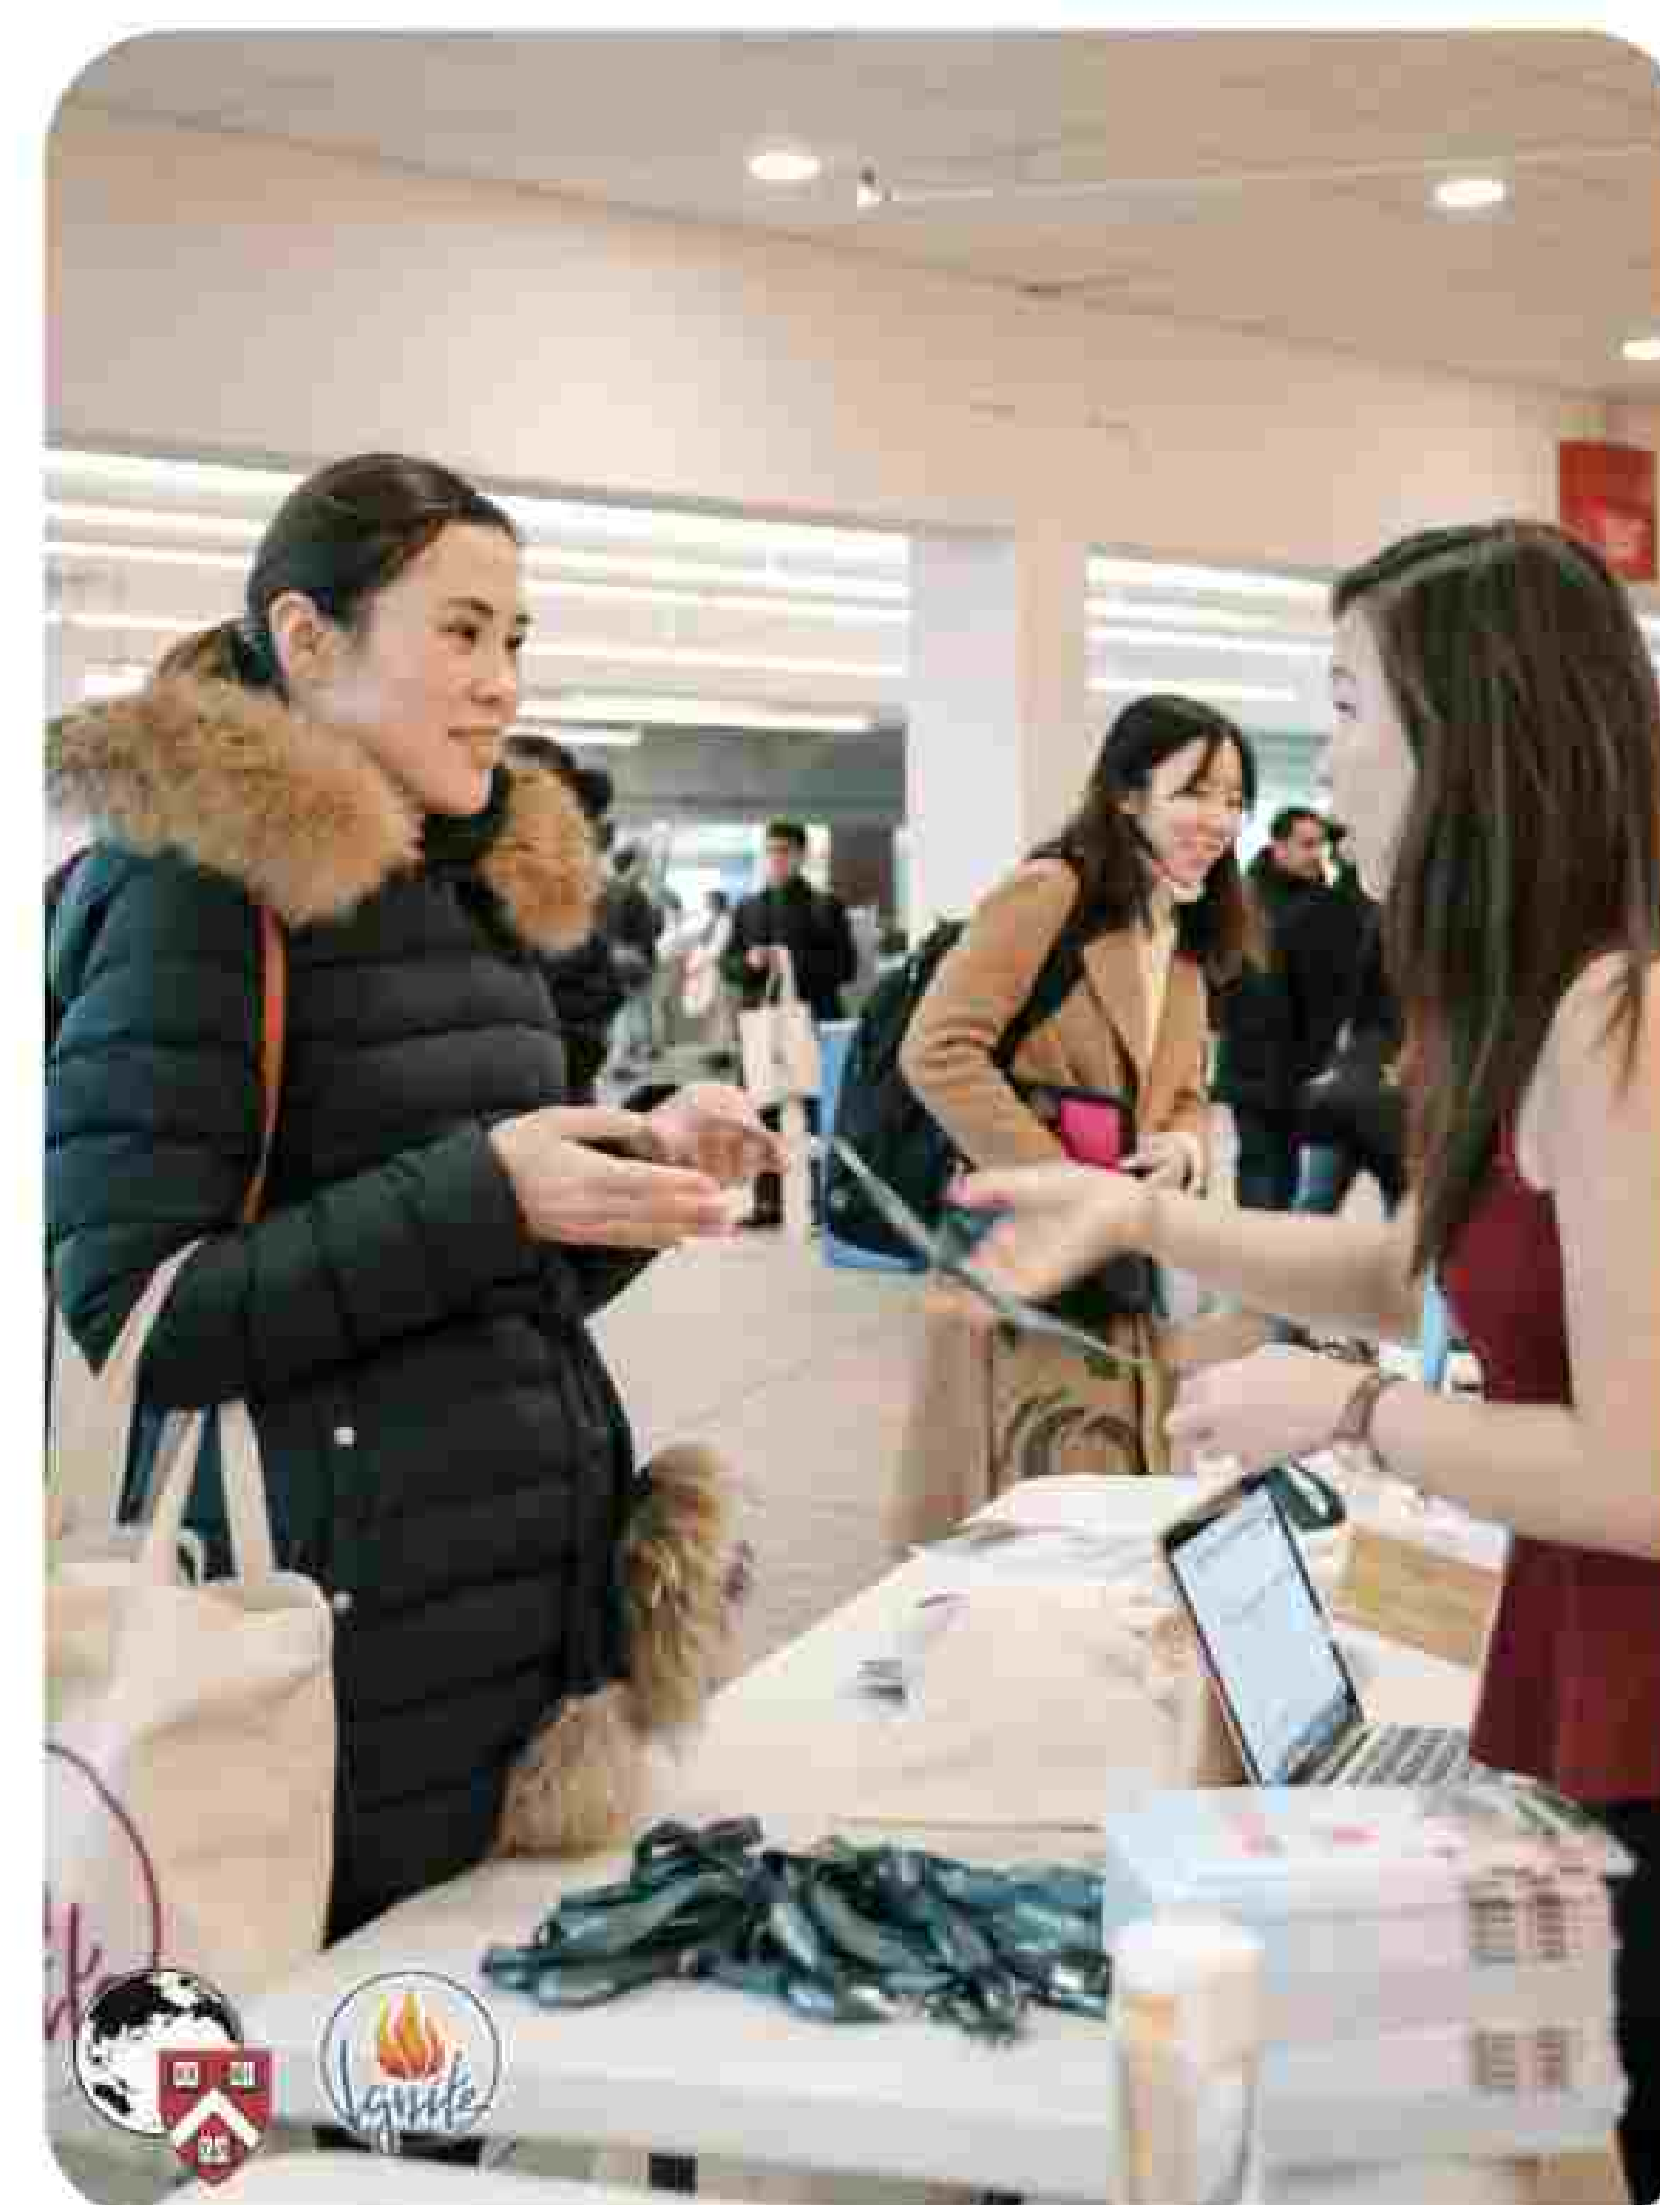

### 03 MERCHANDISE BOOTH

HSIS 2025 will feature a thoughtfully designed collection of the summit merchandise, available at the Merchandise Booth. From exclusive apparel to curated souvenirs, these items serve as memorable tokens of your participation and are available for browsing and purchase throughout the conference.

### 02 SUMMIT HELP DESK

Delegates will be informed of the Help Desk location upon arrival. This desk will serve as the central point for addressing any queries, ranging from registration and accommodation concerns to lost items or conference related clarifications. Whether it's a logistical doubt or a quick check-in, the team at the desk will be ready to help.

### 04 MEDICAL ASSISTANCE

For any medical needs during the conference, delegates and faculty advisors should immediately inform their designated volunteer. Our conference includes comprehensive medical support, with access to a doctor and an ambulance on-site. In case of urgent medical assistance, delegates can also contact the numbers provided in our communications. A dedicated sick room is available to ensure prompt and efficient care for anyone in need.

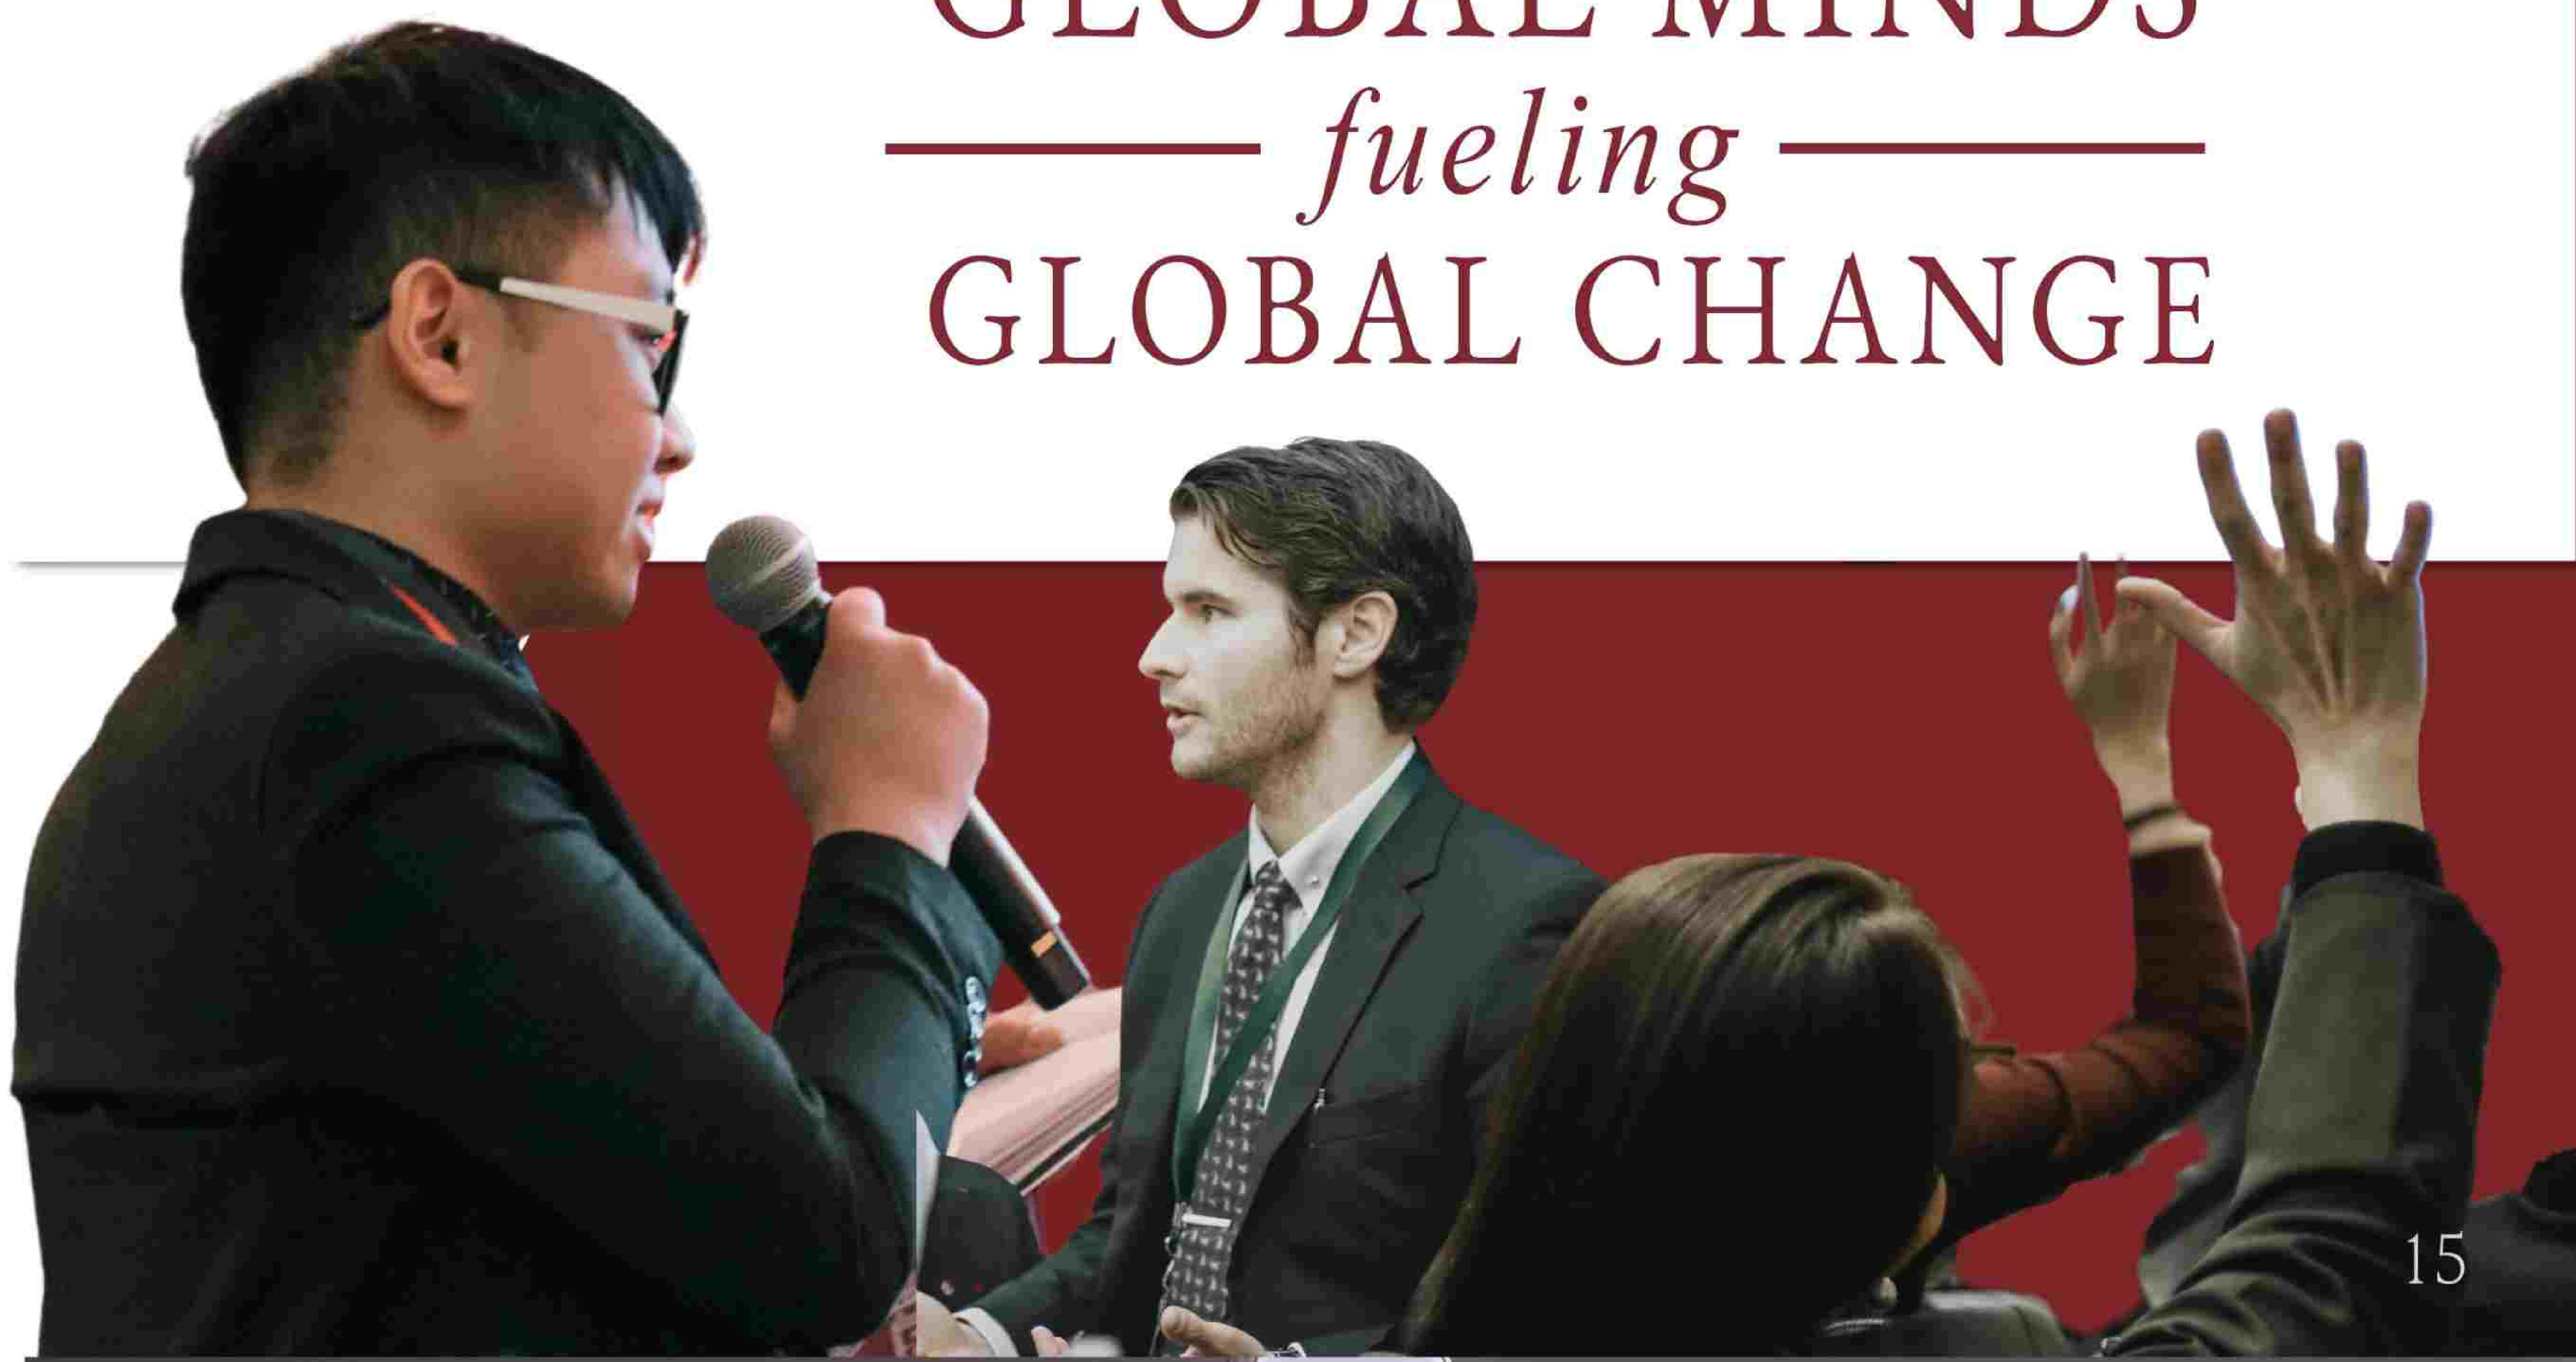

# HARVARD UNIVERSITY INSIGHT SESSIONS

One of the most anticipated experiences at HSIS 2025, the Harvard University Insight Sessions offer delegates a rare glimpse into the academic and intellectual world of Harvard. Led by HPAIR experts, these sessions provide firsthand insight into the university's academic environment, admissions process, and the global outlook that defines Harvard's approach to leadership and innovation. Whether it's understanding what shapes a compelling application or exploring life at Harvard, these sessions help students see what's what's possible and how to get there.

## GLOBAL MINDS — *fueling* — GLOBAL CHANGE

# CODE of CONDUCT

## IDENTIFICATION

For the safety and security of all participants, delegates and attendees must carry a valid government-issued photo ID at all times during HSIS 2025. Summit staff may request identification at any point. Failure to present valid ID upon request may result in removal from the conference.

## PHOTOGRAPHY & VIDEO

Official media teams will document key moments throughout the summit, including sessions, workshops, and evening events. These photos and videos may be used for promotional, archival, or educational purposes. By registering for HSIS 2025, all participants consent to the use of such media by the organisers in any public format.

## CONTROLLED SUBSTANCES, SMOKING POLICY & NON-VEG POLICY

The use of possession of alcohol, tobacco, drugs, non-vegetarian food (as FLAME is a 100% vegetarian campus), or other controlled substances is strictly prohibited during this summit. Any participant found violating this policy will be immediately removed from the conference. Smoking and alcohol consumption are not permitted anywhere on the FLAME University Campus.

## EXPULSION FROM THE SUMMIT

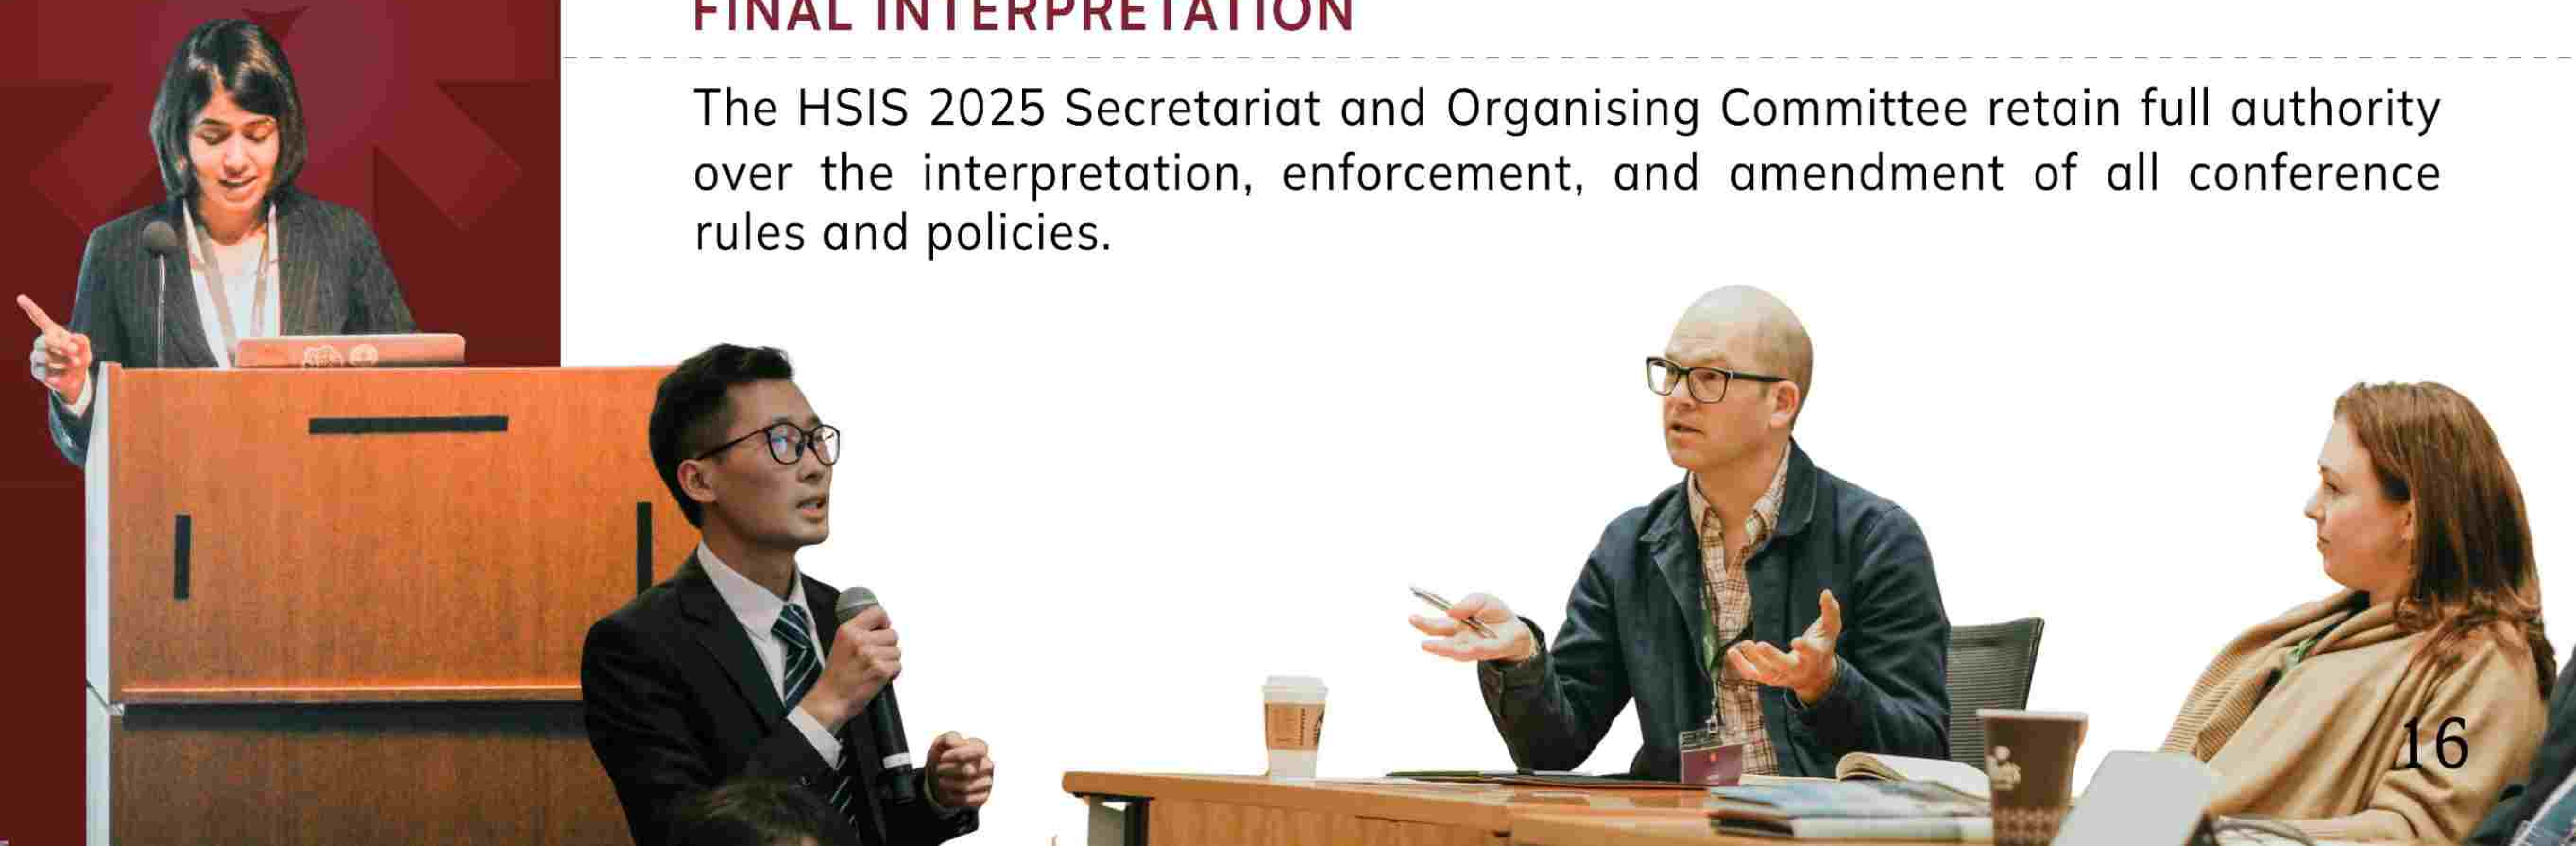

The organising team reserves the right to remove any individual, delegation, or group from the conference for any breach of the code of conduct or summit policies. Such expulsion will be immediate and without prior warning.

## GENERAL COMPLIANCE

All delegates must adhere to Indian law, FLAME University campus rules, MU20 School of Opportunity's policies, HPAIR Policies and the expectations set by their home institutions. Organisers may issue additional instructions during the conference to uphold the safety and integrity of the summit.

## FINAL INTERPRETATION

The HSIS 2025 Secretariat and Organising Committee retain full authority over the interpretation, enforcement, and amendment of all conference rules and policies.
