About Us

CADD Arabia is a dynamic technology distribution company dedicated to providing top-quality products and solutions. With a commitment to excellence, we offer a wide range of cutting-edge products and innovative solutions to meet the diverse needs of our clients. Our experienced team is driven by a passion for technology and a mission to deliver innovative solutions to businesses of all sizes. We take great pride in our comprehensive product lineup, outstanding customer service, and our capacity to embrace the ever-changing tech environment. As a trusted partner in the IT sector, our primary goal is to equip our clients with the tools necessary to excel in the digital era.

About us

CADDARABIA

Connecting Tech, Delivering Excellence

Our Vision

Our vision is to lead the industry in delivering cutting-edge technology solutions, empowering businesses to thrive in the digital age. We strive to be the go-to partner for customized IT services, unwavering customer satisfaction, and strategic guidance. Through strong vendor partnerships and a keen eye on industry trends, our vision is to drive innovation and technological progress, helping businesses succeed in a rapidly evolving tech landscape.

Our Mission

Our mission is to provide seamless access to the latest and most innovative technology products and solutions while delivering exceptional service to our clients. We are dedicated to simplifying the procurement process, offering expert guidance, and tailoring solutions to individual business needs. Our aim is to be a reliable partner, contributing to the success of our clients by empowering them with the tools and support they need to excel in a rapidly changing digital world.

Connecting Tech, Delivering Excellence

BDCOM is a 30 years old company and is a recognized leader in the development and manufacturing of high-quality internet infrastructure and telecommunication solutions.

MVI Systems provides IPTV-based entertainment solutions for hotels, hospitals, multi dwelling units and enterprises across the Asia-Pacific and the Middle East. MVI's long standing, in-depth expertise in designing and deploying high-end video platforms enables us to offer solutions that are unique, cost effective and highly flexible. Based in Hong Kong, MVI Systems provides solutions in close collaboration with our key channel partners, thereby guaranteeing fast responses and on the ground support for our customers.

MVI Systems Ltd was founded in Hong Kong in 2010. In 2016, TeleChoice International Limited became a shareholder of the company.
