TESTIMONIALS

“We had our wedding reception at the Bull and Gate in January 2020. It was the best and most enjoyable day of our lives and a key factor was the team at the Bull and Gate. They went out of their way to help us and make our day extra special.

They communicated well throughout the organisation process, and happily arranged what was needed. The food served was fantastic, and the chefs were happy to build a unique menu around our ideas. Our guests still talk about the food! The space is already very delightful and was further decorated to our specifications.

Thank you to everyone at Bull and Gate for making our wedding reception so memorable! “

Krittika and Matthew - January 2020

“We had our wedding reception at the Bull & Gate in February 2020 and it was a fantastic experience, both for our guests but also for us in the months prior to the event. The team was extremely flexible in accommodating our requests to the smallest details - set up, food, drinks arrangement, late opening - and it felt really good to work with a professional team who genuinely wanted to make our day more memorable without hitting our wallet at every demand. We were able to have

a tasting session prepared by the chef and discuss with him the options for the different courses. Ultimately the room and the space are a true reflection of what Kentish Town & Camden are all about: a friendly grunge atmosphere with the just the right amount of chic. Thank you so much to Harrison, Fabian and the Bull & Gate crew!
