Farm to Table Directory for Locally-Owned, Middle Georgia, Farms & Friends

OCAL SOURCING RAL GEORGIA

Welcome to the Spring 2024 Love Living Rural, Harris County Edition, **Locally-Owned Directory** & Agritourism Guide.

The Farm to Table Local Sourcing Directory you've been waiting for... like an invaluable word-of-mouth referral, but with more info.

Valuing the nobility of growing food is an integral part of our daily lives, health & longevity. Farm-to-Table centers around a "local foods system" producing foods locally...but even more broadly, the support system includes:

- Locally-Owned Service Providers
- Makers of handmade artisan goods
- Patrons & Friends of Local Owners
- Producers you might find at your favorite farmers market

Shopping around an agrarian local foods system, promotes a vibrant rural economy, returning more of the purchase price back to the rural community where we mutually live, work & play. Share foundations of farmers, artisans & locally owned purveyors. Serve Georgia grown year 'round, as close to nature as possible.
